**Show Me How To Plan My Quilting** Kathy Sandbach,2007-08-01 Add pizzazz to your quilt by planning the machine quilting before you assemble the top. 30 quilting designs.

*Fictioning* Burrows David Burrows,2019-03-14 Fictioning in art is an open-ended, experimental practice that involves performing, diagramming or assembling to create or anticipate that which does not exist. In this extensively illustrated book containing over 80 diagrams and images of artworks, David Burrows and Simon O'Sullivan explore the technics of fictioning through three focal points: mythopoesis, myth-science and mythotechnesis. These relate to three specific modes of fictioning: performance fictioning, science fictioning and machine fictioning. In this way, Burrows and O'Sullivan explore how fictioning can offer us alternatives to the dominant fictions that construct our reality in an age of 'post-truth' and 'perception management'. Through fictioning, they look forward to the new kinds of human, part-human and non-human bodies and societies to come.

*Improv Patchwork* Maria Shell,2017-10-01 Explore new options in improvisational piecing and empower your creativity! Cut and combine solid-color fabrics to create your own “prints”—stripes, polka dots, chevrons, plaids, and more. Forget the rules (and even your ruler) as you piece colorful solids into compelling quilt designs. Use color, pattern, and repetition to develop your personal design aesthetic as you stitch freely to create unique quilts that pack a punch!

*8 Days* Jule Selbo,2023-12-06 Sometimes it's unclear who deserves a favor... Despite her life-changing injury, Dee Rommel is as determined and scrappy as ever. Still adjusting to her new life working for her godfather, private investigator Gordy Greer, Dee is ready to try out her hi-tech running blade, returning to the annual 10K competition. A mysterious car crashes and burns in the middle of Portland, Maine's Casco Bay Bridge. A young, once-sex-trafficked woman is killed and Dee finds herself protecting orphaned Yuusuf, a high school valedictorian who may be able to point to the murderer. When a toxic web of crime is revealed, both traditional and extended family dynamics are in play, as well as greed and ambition. Old relationships haunt Dee when nothing or no one is as they seem. She has only 8 days to keep her pursuit of justice in play, fighting for her allies and her own life.

*CSS3 Pushing the Limits* Stephen Greig,2013-07-17 Push CSS3 and your design skills to the limit—andbeyond! Representing an evolutionary leap forward for CSS, CSS3 ischock-full of new capabilities that dramatically expand theboundaries of what a styling language can do. But many of those newfeatures remain undocumented, making it difficult to learn whatthey are and how to use them to create the sophisticated sites andweb apps clients demand and users have grown to expect. Until now. This book introduces you to all of CSS3's new and advancedfeatures, and, with the help of dozens of real-world examples andlive demos, it shows how to use those features to design dazzling,fully-responsive sites and web apps. Among other things, you'll learn how to: • Useadvanced selectors and an array of powerful new text tools • Createadaptable background images, decorative borders, and complexpatterns • Createamazing effects with 2D and 3D transforms, transitions, andkeyframe-based animations • Takeadvantage of new layout tools to solve an array of advanced layoutchallenges—fast • Vastlysimplify responsive site design using media queries and new layoutmodules • Createabstract and scalable shapesand icons withpseudo-elements • Leveragepreprocessors and use CSS like a programming language within astylesheet context Don't pass up this opportunity to go beyond thebasics and learn what CSS3 can really do!

**Daily Painting** Carol Marine,2014-11-04 A unique system for jump-starting artistic creativity, encouraging experimentation and growth, and increasing sales for artists of all levels, from novices to professionals. Have you landed in a frustrating rut? Are you having trouble selling paintings in galleries, getting bogged down by projects you can't seem to finish or abandon, or finding excuses to avoid working in the studio? Author Carol Marine knows exactly how you feel—she herself suffered from painter's block, until she discovered “daily painting.” The idea is simple: do art (usually small) often (how often is up to you), and if you'd like, post and sell it online. Soon you'll find that your block dissolves and you're painting work you love—and more of it than you ever thought possible! With her encouraging tone and useful exercises, Marine teaches you to: -Master composition and value -Become confident in any medium including oil painting, acrylic painting, watercolors, and other media -Choose subjects wisely -Stay fresh and loose -Photograph, post, and sell your art online -Become connected to the growing movement of daily painters around the world

**Evil In Carnations** Kate Collins,2009-02-03 The dating scene can be a killer... Determined to help her roommate Nikki out of her singles slump, Abby Knight encourages her to give speed dating a try. Of course, Nikki wants the guy at the very bottom of Abby's list, Jonas Treat?a.k.a. ?Treat the Cheat??and figures just one date with him couldn't hurt. But then Jonas is found dead?and evidence points to Nikki as his killer. To clear Nikki's name, Abby enlists the help of her hunky ex-Army Ranger boyfriend, Marco. But Marco's rambunctious extended family turns Abby's hectic life into a disaster zone. With her patience seriously wilting, and a killer on the loose, Abby is determined to dig herself out of this mess?before someone buries her instead...

**'Polka Dots and Moonbeams'** David Longridge,2019-10-11 Justine and her close friend Ka work for the Paris fashion house of Schiaparelli in the early fifties, when French haute couture is bursting with glamour and intrigue. Each has a reason for making a lot of money rapidly.

Requiem of a Spy Chris Adams,2010-07 THE FBI ARREST 12 RUSSIAN SPIES...Newspaper headlines, radio and television networks announced the startling news. A dozen or more undocumented Russian agents were caught operating undercover within the United States. This event might well have occurred back during the last Millennia, and did, but this is 2010; the Cold War has been over for almost twenty years, or has it? Were we surprised? After all, the President of the United States had within the previous week of the arrests, hosted the President of Russia to an Official State Visit. As this book enters the final publication phase, I could not have created a more perfect, although factually unsettling, introduction to the exciting and factual story which you are about to begin. The most powerful and aggressive intelligence and secret police organizations in the world have for centuries belonged to Russia, and during the Cold War, the Soviet Union. The long and sordid history of Russian secret police operations and tactics dates back to the 17th Century and Ivan the Terrible. The Soviets, known for their paranoia and mackorova (masquerade), frequently renamed these agencies in attempts to foil foreign interests. The name changes were largely cosmetic and their foul work never changed. Soviet leaders throughout the Cold War found it expedient to pit the KGB and the GRU against one another for maximum benefit of desired objectives. Although the story herein is one of fiction, perhaps it is more appropriately one of faction--a fictional story derived from factual history, and as we now know persists today. Herein, I have delved into many of the factual truths about these two Cold War secret spy organizations, their sordid and brutal deeds, their recruiting, training and surveillance tactics, agent operations and exploitation of Western technologies. Enjoy!

**Marfa Lights Out** Carolina Danford Wright, 2022-03-05 Margaret Lennox sold her home in Washington, D.C. and moved to Marfa, Texas, hoping to escape the insanity, the crime, and the traffic of our nation's capital. Marfa was a place that welcomed artists, and Margaret hoped to find a quiet life there. But the Marfa Lights were not the only mysterious thing to worry about in this small Texas town. As soon as she moved into her renovated cottage on Austin Street, the bodies began to pile up. A mysterious woman was murdered and thrown from a train behind Margaret's house. She discovered one of the woman's shoes in the brush, and the shoe was full of money. Her neighbors and a neighbor's cat were poisoned. What was happening in this sleepy, remote place that was supposed to be her respite from crime and stress? Margaret's curiosity moved her to investigate, with the help of her friend Augustus Gemini, the disturbing events that were occurring in Marfa. The Texas Rangers did not appreciate Margaret's involvement. Meanwhile, Darnell Jackson, formerly known as Zeus Noonday Miracle, decides that finding Fountain, a long-lost piece of sculpture from 1917, is the key to making him a rich man. He sets out on a quest to track down this famous and long-lost work of art by Marcel Duchamp. As his search for the illusive Fountain becomes more frustrating, his vagabond life deteriorates, and he becomes desperate enough to kill. Possession of the most influential work of art of the twentieth century remains just out of Darnell's grasp as he hunts down his prey in Marfa.

**On the Road Again...Makin' Christmas at Holmeses** Dan Armstrong, 2022-11-01 On the Road Again... Makin' Christmas at Holmeses By: Dan Armstrong On the Road Again... Makin' Christmas at Holmeses is a memoir of Dan Armstrong's travel adventures while designing, developing and buying mainly Christmas décor for D.H. Holmes Co., Ltd., a New Orleans - based department store chain. It is a time piece dating 1979-1986, as well as including an epilogue of his later personal travel adventures. There are loads of laughable moments and fun quips that Armstrong has learned along the way from travelling with eccentric companions. Included is how Christmas Ornaments are initially conceived as concepts, and how those concepts are communicated to manufacturers. It is such a thrill to see the finished product that was once only a thought in someone's mind. This book was a project commenced and completed during the pandemic and is a result of Armstrong's quarantine during COVID-19.

**Work!** Elspeth H. Brown, 2019-04-11 From the haute couture runways of Paris and New York and editorial photo shoots for glossy fashion magazines to reality television, models have been a ubiquitous staple of twentieth- and twenty-first-century American consumer culture. In *Work!* Elspeth H. Brown traces the history of modeling from the advent of photographic modeling in the early twentieth century to the rise of the supermodel in the 1980s. Brown outlines how the modeling industry sanitized and commercialized models' sex appeal in order to elicit and channel desire into buying goods. She shows how this new form of sexuality—whether exhibited in the Ziegfeld Follies girls' performance of Anglo-Saxon femininity or in African American models' portrayal of black glamour in the 1960s—became a central element in consumer capitalism and a practice that has always been shaped by queer sensibilities. By outlining the paradox that queerness lies at the center of capitalist heteronormativity and telling the largely unknown story of queer models and photographers, Brown offers an out of the ordinary history of twentieth-century American culture and capitalism.
