Another 1000 Famous Horses FJH Glover,2022-11-13 This 2nd book is a continuation of the 1st book. The index at the back of the book is brilliant. The contents list, at the front of the book, is in alphabetical order, and is a list of the horses names, gives paragraph numbers. Whereas the Index gives the Rider/Owner in alphanumeric order and gives paragraph numbers. So if you do not know the name of a persons horse you would look up the person in the Index and it would indicate the paragraph numbers to find the answer. For instance: Steptoe and Son would be under 'S' in the Index and this would lead you to 'Hercules', the strong man from Greek Mythology. Or Toy Story 2 would lead you to 'Bullseye' Books 3 and 4 are in the process of compiling, it's a "Never Ending Story".

Bubbles, Boxes and Individual Freedom Clay Barham,Diana Barham,2010-01-11 This book is about the thinking and courage to do what needs doing to innovate and build prosperity. It is a book about the benefits of individual freedom. Schools teach children to color, write and print between the lines, observe the rules, wrap their minds in a bubble of disciplines to discourage living out of a community box. Children learn to behave as members of a managed herd, avoiding challenging that which is accepted and established by tradition. In art, however, unusual, deviant, almost outlaw behavior is admired. Artists existing outside the limits of the herd can even improve the herd. American innovators are artists causing prosperity from their thinking, acting, creating and inventive minds changing things for the better. Americans left the Old World limitations behind, where thinking and acting out of the box was discouraged, creating a New World almost 400 years ago. They proved individual freedom and creative elbowroom was the only source of prosperity, which explains American exceptionalism and what this book is all about.

My Little Pony: Discord and the Ponyville Players Dramarama G. M. Berrow,2015-07-07 Discord is a relatively new student of the Magic of Friendship. After all, it was not so very long ago that he was the most notorious villain in all of Equestria. So when he receives a secret invitation from Princess Celestia to join the ponies of Ponyville in their Spring Musical, he jumps at the opportunity to practice what he's learned so far. Things go as smoothly as they can first, but it's not long before the former king of chaos leaves a trail of disaster in his wake, and everypony second-guesses including him in their community production. English Creek Ivan Doig,2013-07-02 In this prize-winning portrait of a time and place—Montana in the 1930s—that at once inspires and fulfills a longing for an explicable past, Ivan Doig has created one of the most captivating families in American fiction, the McCaskills. The witty and haunting narration, a masterpiece of vernacular in the tradition of Twain, follows the events of the Two Medicine country's summer: the tide of sheep moving into the high country, the capering Fourth of July rodeo and community dance, and an end-of-August forest fire high in the Rockies that brings the book, as well as the McCaskill family's struggle within itself, to a stunning climax. It is a season of escapade as well as drama, during which fourteen-year-old Jick comes of age.

Through his eyes we see those nearest and dearest to him at a turning point—“where all four of our lives made their bend”—and discover along with him his own connection to the land, to history, and to the deep-fathomed mysteries of one’s kin and one’s self.

Becoming Carole Lombard Olympia Kiriakou,2020-02-20 *Becoming Carole Lombard: Stardom, Comedy and Legacy* is a historical critique of the development and reception of Carole Lombard’s stardom from the classical Hollywood period to present day. Based on original archival research, Olympia Kiriakou combines theoretically informed textual analyses of Lombard’s performances and star image across different media (biographies, publicity materials, photography and film) with a critical engagement of the cultural, economic, social and industrial conditions that shaped her stardom. Sitting at the intersection of feminist film theory, star studies and comedy theory, this work presents Lombard as a case study to challenge the screwball canon and existent academic discourse about female physical comedy and the alleged “delicate” female body. In doing so, it formulates a new historical approach to understanding gender, femininity, and identity in Hollywood comedies of the 1930s. Moreover, this is the first research of its kind to offer a comprehensive understanding of Lombard’s stardom beyond her associations with the screwball comedy genre.

Raining Cats and Ponies Valerie Bickers,2008-09-15 How can a toddler who hates cats transform into a child whose desire for a pet was so great that she secreted mice in a bedside cabinet and dug for hours to find worms for a pet frog? I do not know, but happen it did. It all started with a humble snail which was followed in quick succession by mice, ants, frogs, rabbits, a tortoise and a cat.

The Last Diving Horse in America Cynthia A. Branigan,2021-10-19 The rescue of the last diving horse in America and the inspiring story of how horse and animal rescuer were each profoundly transformed by the other—from the award-winning animal rescuer of retired racing greyhounds and author of the best-selling *Adopting the Racing Greyhound* It was the signature of Atlantic City’s Steel Pier in the golden age of “America’s Favorite Playground”: Doc Carver’s High Diving Horses. Beginning in 1929, four times a day, seven days a week, a trained horse wearing only a harness ran up a ramp, a diving girl in a bathing suit and helmet jumped onto its mighty bare back, and together they sailed forty feet through the air, plunging, to thunderous applause, into a ten-foot-deep tank of water. Decades later, after cries of animal abuse and changing times, the act was shuttered, and in May 1980, the last Atlantic City Steel Pier diving horse was placed on the auction block in Indian Mills, New Jersey. The author, who had seen the act as a child and had been haunted by it, was now working with Cleveland Amory, the founding father of the modern animal protection movement, and she was, at the last minute, sent on a rescue mission: bidding for the horse everyone had come to buy, some for the slaughterhouse (they dropped out when the bidding exceeded his weight). The author’s winning bid: \$2,600—and Gamal, gleaming-coated, majestic, commanding, was hers; she who knew almost nothing about horses was now the owner of the last diving horse in America. Cynthia Branigan tells the magical, transformative story of how horse and new owner (who is trying to sort out her own life, feeling somewhat lost herself and in need of rescuing) come to know each other, educate each other, and teach each other important lessons of living and loving. She writes of providing a new home for Gamal, a farm with plentiful fields of rich, grazing pasture; of how Gamal, at age twenty-six, blossoms in his new circumstances; and of the special bond that slowly grows and deepens between them, as Gamal tests the author and grows to trust her, and as she grows to rely

upon him as friend, confidant, teacher. She writes of her search for Gamal's past: moved from barn to barn, from barrel racer to rodeo horse, and ending up on the Steel Pier; how his resilience and dignity throughout those years give deep meaning to his life; and how in understanding this, the author is freed from her own past, which had been filled with doubts and fears and darkness. Branigan writes of the history of diving horses and of how rescuing and caring for Gamal led to her saving other animals—burros, llamas, and goats—first as company for Gamal and then finding homes for them all; and, finally, saving a ten-year-old retired greyhound called King—despondent, nearly broken in spirit—who, running free in the fields with Gamal, comes back to his happy self and opens up for the author a whole new surprising but purposeful world. A captivating tale of the power of animals and the love that can heal the heart and restore the soul.
