The Complete guide to pregnancy and child care - The baby manual - PART TWO Sarah Owen / Gardner,2015-03-07 They say babies don't come with instruction manuals, I tried to change this - this guide will be as close to one as you will get. It will answer questions that you hadn't even thought of. It focuses on conception to 3 years. They say babies don't come with instruction manuals, this guide will be as close to one as you will get It also has sections for you to record your journey and keep as a keepsake, making it an invaluable 2-in-1 complete guide/reference book, that you can keep referring to and a memory book, to keep forever. This book is in 2 parts this is part one. You will also need to purchase part two for the complete book (it is too large to publish as one book).

*The Joy of Keeping Horses* Jessie Shiers,2012-08-14 The Joy of Keeping Horses is a celebration of how to best keep happy and healthy horses at home. With an emphasis on the differences between owning a horse at a boarding stable and keeping that same horse at your own small farm, this beautiful, clear guide is written specifically for horse lovers who are considering taking the plunge into farm ownership. Jessie Shiers lays out all the important facts and information, from purchasing

property and building facilities to daily grooming and nutritional needs. Shiers also dispels some common myths and misconceptions about horses, and answers questions the novice owner may not know to ask. Along the way, she shares anecdotes from her own experiences and from interviews with other horse owners that demonstrate the main reason people choose to keep horses: the joy they bring to the lives of their owners.
