E. M. McGowan

A Pony in the Picture Victoria Randall,2007 Children everywhere have always loved ponies. Those lucky enough to grow up with horses invariably recall them as the keepers of their happiest childhood memories. But for most, a brief ride on a rented pony was the closest they would ever get to a horse of their own. A PONY IN THE PICTURE is an endearing collection of antique and vintage photographs of children posing proudly with ponies and horses, often taken by itinerant photographers who traveled the countryside, suburbs, and cities. Each image captures a moment in time when it seems that all it took for a child to attain sheer joy was the patient presence of a shaggy Shetland pony and a borrowed cowboy hat.

The Silver Pony Lynd Ward,1973 Recounts without words the adventures of a boy and his winged horse.
