Pony Play Games and Puzzles Helene Hovanec,Patrick Merrell,2008-06-18 Jackie the little Jack Russell terrier and Barney the barn owl see all the goings-on around the horse farm every day. They provide lively running commentary and silly horsy humor in this delightful collection of connect-the-dots, word games, mazes, fill-in-the-blanks, and logic problems — each puzzle specially created for horse-crazy kids. Five sections — Walk, Trot, Show Time, Canter, and Gallop — feature puzzles that progress in difficulty, encouraging children to take the challenge and expand their skills as they work their way through the book, and perhaps through their riding lessons as well! By the time children are galloping through the final chapter their puzzle skills will be blue-ribbon impressive. Each illustrated page is packed with complementary drawings, clever asides from Jackie and Barney, perhaps a riddle or a joke, and the puzzle itself. There is always plenty of room for small fingers to solve the challenge, even when the child makes a mistake or two. Educational and entertaining, Pony Play stimulates kids' imaginations and feeds their desire to learn more about horses.

Toby's Pony Puzzle Andrea Lynn,2016-07-17 The pony pals, Toby, Patches, and Chestnut, have a puzzle they need to solve. Their dear friend, Princess Tumble, has sent them an invitation to a very special party, but how will they get there? They are stuck! The big event is only one full moon away, and they have to hurry! Can they solve the puzzle in time? Spontaneous Still Life. The ponies weren't originally cast as objects for a story. They began by doing the typical work that beloved stuffed animals accomplish every day for children all over the world. Each day the ponies made an appearance on the bed, sporting a different pose just for the sake of bringing a smile. They were more fun than decorative pillows. The poses were captured in images - just for giggles. After about a year, the story wove itself together, and the ponies came to life. Photography is forever an allure. For this project it served as the expression that built the story and brought the words into being. Projects like this may, in their very small ways, encourage a view of the world through a childlike lens. Happiness lives there. It's like hugging your favorite stuffed animal, or your real life pony (Thanks, Toby!).
