*The Essential Fergus the Horse* Jean Abernethy,2023-06-15 In the late 1990s, a little bay horse with white socks and a blaze was born. Dubbed “Fergus,” he has now traveled the world many times over by print, web, and satellite, inspired a line of merchandise, and gained a devoted following in the hundreds-of-thousands on Facebook and other social media. Who is this horse and how can we explain his magnetism? What makes him so special? Fergus the Horse (*Equus* hilarious) is the creation of Jean Abernethy, and the truth is, he isn’t meant to represent any one breed or discipline. Perhaps it’s this generic “everyhorse” quality that’s led to his popularity. “When fans write, ‘Fergus reminds me of my horse,’ I cannot be paid a higher compliment,” says Abernethy. And it’s his expressiveness, honesty, charm, and keen sense of humor that truly wins our hearts. Now Abernethy has brought together the backstory of Fergus the Horse—how he came to be, his early years, the history of his “friends”—and combined it with his “greatest hits,” including most-loved comic strips, some personal sketches, and brand new additions. The result is a lively, colorful, highly illustrated treasury that will entertain anyone with an eye for a horse and a need for a laugh.

*A Pony for Jean* Estate of Joanna Cannan,2014-11-06 Beautifully restored and complete with gorgeous charcoal illustrations, this classic story will delight any pony-mad little girl When her family fall on hard times, Jean and her family (including their dog Shadow) must move to the country. Not to worry though, as it seems they're going to live in a lovely little cottage, and Jean is assured she can have chickens. And perhaps even a new puppy... Jean has never been to the country before, and is fairly sure she isn't going to like it. But she soon

learns that the country is full of fun and adventures, and much more exciting than boring old London. Sadly her newly-discovered cousins are a bit haughty though, as well as pony-mad, and Jean wishes she could join in. But then a wonderful opportunity to do so arrives in the form of a pony named 'The Toastrack' (so-called due to his poor ribs sticking out so much) and Jean is told she can have him! The cousins are mean, and say a knacker's horse like that won't ever come to anything, but Jean and the quickly-renamed Cavalier know they can prove them wrong. Gymkhana glory is only a few jumps away!
