Jayden's New People Sherry Derr-Wille,2005-10-01 Destined to die because of the disappearance of his sister prior to her scheduled sacrifice, Jayden is surprised to find that he, too, has traveled through time so that his life could be saved. When the people who have befriended Javion do likewise for him, he realizes that his life has been saved for a purpose. He soon finds that the daughter of his mentor, Spotted Pony, has become very important to him, but marriage to the girl—who is too young—seems an impossible dream, rather than the all encompassing love of his life. Shining Star is immediately attracted to the handsome stranger her father has befriended. Will he be willing to wait for her? Or, will a winter of separation show him other maidens more suited to him?

My Little Pony: Ponyville Mysteries #3 Christina Rice,2018-07-18 The Cutie Mark Crusaders must solve a dangerous mystery at the Ponyville Retirement Village before it's forced to close! Is one of the curmudgeonly residents to blame or could it be a villain from their past?

Penelope M. J. Davis,2010-01-10 Penelopeby M.J. Davis is the story of a girl who was orphaned at a young age. After living alone in the woods for a while, Penelope's brother comes to find her and builds them both a home. Penelope ultimately marries an Indian named Painted Pony who lights up her life with humor and love. After Painted Pony's tragic death in a buffalo hunt, Penelope gives birth to his son, whom she names Little Eagle. She raises him lovingly to respect the circle of life.

Cassandra, the Magic Pony Richard Sloane,2016-02-05 Cassandra is a very special pony. She has many amazing magical powers such as the ability to make herself tiny, down to the size of a toy pony, which is what she usually is except when shes being ridden by her owner, Julia. Together they have a lot of fantastic adventures but, as you will see if you read this collection of ten illustrated short stories about them, Julia can never tell anyone about Cassandras powers or they may disappear for ever! Cassandra, the Magic Pony was written for children aged roughly from 8 to 12 years of age.

Wind River Charles G. West,1999-07-01 A man's two worlds are about to collide in this classic western from Charles G. West... Robert Allred was born to a white family who abandoned him. Discovered by the Cheyenne, he was raised as one of their own, earning the name Little Wolf. When his tribe fights for survival against the U.S. Calvary, Little Wolf is torn between his adopted family and the ones who gave him life—especially when he discovers his long-lost white brother is one of the soldiers marching against him... “Rarely has an author painted the great American West in strokes so bold, vivid, and true.”—Ralph Compton

North Bend Dick Wagner,Judy Wagner,2010 Early settlers, driven by greed and a sense of entitlement, and sanctioned by their government, took Coos Indian lands without compensation. Asa Simpson purchased land at the north bend of Coos Bay from settlers. He wanted his company town, including a sawmill and shipyard, to remain small, but his son, Louis, had other ideas. Louis Simpson created a bustling frontier town filled with civic-minded citizens as well as drinkers, gamblers, and prostitutes. North Bend never became Simpson's dream of another San Francisco but it was a thriving shipbuilding center until the end of World War I and a busy port for timber and lumber exports into the 1980s. The people of this beautifully situated city now focus on different economic realities, embracing tourism, welcoming retirees, and appreciating their history.

Magic Pony Carousel #5: Crystal the Snow Pony Poppy Shire,2009-09-08 When the Magic Pony Carousel comes to Emily's town, she's excited to ride Crystal, a beautiful caramel-colored pony. As soon as Emily settles into Crystal's saddle, the carousel whisks them away on a magical adventure in the snow-covered mountains. Emily and Crystal are just in time to go to a village's Spring Festival, and they quickly make a new friend! But there's danger looming. Emily and Crystal must protect the villagers from an avalanche, and find a missing boy!

To Hell and Gone Charles G. West,2023-07-25 A new action-packed historical Western from an award-winning author of more than forty Western bestsellers. THEY CALLED HIM CRAZY WOLF As a widower with three young boys, Duncan Hunter dreamed of a new life for his sons in the heart of Washington Territory. But the journey was doomed from the start. Before reaching Hell Gate, their wagon train was attacked by Blackfoot Indians. Most of the pioneers were viciously murdered. But Hunter’s son Cody survived—taken in by Crow Indians and raised as one of their own. They called the boy Crazy Wolf. This is his story . . . From hunting and tracking on the American frontier to leading patrols on covert missions for the U.S. Army, Cody Hunter would become one of the most valued scouts in the nation. But a part of him would always be Crazy Wolf—a man of two worlds, as wild and free as the land itself. And every bit as dangerous . . . First in a blazing new series by Spur Award-winning author Charles G. West! “Rarely has an author painted the great American West in strokes so bold, vivid, and true.” —Ralph Compton
