The Everything Pool & Billiards Book Amy Wall,Francine Crimi,2003-11-01 A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

Zen Pool Max Eberle,2009-11 Most Billiard instructional guides focus solely on the physical aspects of the game - the techniques, the shots, and the rules. Zen Pool teaches you all of these practical insights and skills, then goes one step further - showing you how to improve your total game by increasing your physical, mental, and spiritual awareness in the present moment. Many readers have described remarkable improvements after reading the lessons taught in this book - and many professional players have reported winning more tournaments. Zen Pool is your own private success coach: It will guide you to new levels of play and give you the knowledge you need to vastly improve your game. The wisdom and secrets herein have been distilled from a lifelong and fruit bearing quest, including study with, and of, many pool masters. So open Zen Pool, begin your journey, and let three-time national billiards champion Max Eberle awaken the master within you.

The Black Widow's Guide to Killer Pool Jeanette Lee,Adam Gershenson,2007-12-18 Pool-playing legend Jeanette Lee--the Black Widow, who wears only black during tournaments and devours her opponents--explains every aspect of playing to win, from holding the cue to performing combination, kiss, and trick shots. Lee shows wannabe winners of every level how to compete intelligently, lose gracefully, win frequently, stay focused, and achieve goals in the face of seemingly insurmountable obstacles. This hip, engaging guide to the game is designed to turn you into the player to beat--in basements, bar leagues, local tournaments, and beyond.

The Oxford Handbook of Canadian Cinema Janine Marchessault,Will Straw,2019-03-20 The chapters in The Oxford Handbook of Canadian Cinema present a rich, diverse overview of Canadian cinema. Responding to the latest developments in Canadian film studies, this volume takes into account the variety of artistic voices, media technologies, and places which have marked cinema in Canada throughout its history. Drawing on a range of established and emerging scholars from a range of disciplines, this volume will be useful to teachers, scholars, and to a general readership interested in cinema in Canada. Moving beyond the director-focused approach of much previous scholarship, this book is concerned with communities, institutions, and audiences for Canadian cinema at both national and international levels. The choice of subjects covered ranges from popular, genre cinema to the most experimental of artistic interventions. Canadian cinema is seen in its interaction with other forms of art-making and media production in Canada and at the international level. Particular attention has been paid to the work of Indigenous filmmakers, members of diasporic communities and feminist and LGBTQ artists. The result is a book attentive to the complex social and institutional contexts in which Canadian cinema is made and consumed.
