**Soulbbatical** Shelley Paxton,2020-01-14 Part memoir, part manifesto, Soulbbatical is an invitation to become Chief Soul Officer of your own life—and to open up a whole new world of possibility. Former Harley-Davidson executive Shelley Paxton did just that. She walked away at the peak of her twenty-six-year marketing career and embarked on a profoundly personal journey to reconnect with her true purpose and deepest desires. She called it her “Soulbbatical,” and it not only changed her life, it became her calling. Paxton had a wildly successful life by most definitions—iconic brands, executive titles, and a globe-trotting career that took her to over sixty countries. She had one of the coolest jobs in the world, yet couldn’t shake the feeling that she had lost herself along the way. Something was missing. Here, she takes you on a sometimes harrowing, often hilarious journey through the illness, divorce, addiction, and tragedy that finally woke her up. Suddenly she was rebelling for her best life, and embracing a new mission: to encourage others to live their most authentic, courageous, and purposeful lives—today. Soulbbatical is an unconventional, exhilarating, and totally badass road map to discovering what you really want—and getting it. Because no matter how far you’ve strayed from your soul’s true path, it’s never too late for transformation.

**Rebel Mart** Edward B. Kissam Jr.,2004-11-09 Bossy Davis, an obese sixty-year-old manager of the Rebel Mart convenience store, is absorbed in the drudgery of her everyday life. She dreams of retirement. Stan White is a thirty-year-old party animal whose family has had a house on the ocean in Sugar Beach for years. Bossy considers Stan a true friend and confidant. The owner of the Rebel Mart is George Foster who is in poor health. George has made Bossy ten percent owner of the store much to the dismay of his spoiled daughter, Allison. Meanwhile, Bossy has become addicted to pain killers taken to sooth her swollen, red feet. One afternoon following Stans weekend fishing trip, Bossy and Stan go to Georges house and find him in a state of post stroke incapacitation. Stan calls Allison who is living in Wyoming with her boyfriend. Allison heads home to take care of her father and oversee the family business. The result sets off a life-changing chain of events leading Bossy through the sale of the Rebel Mart, overdosing on national tabloid TV and finally rehab with a fresh start.

*Narrow But Endlessly Deep* Peter Read,Marivic Wyndham,2016-06-15 On 11 September 1973, the Chilean Chief of the Armed Forces Augusto Pinochet overthrew the Popular Unity government of Salvador Allende and installed a military dictatorship. Yet this is a book not of parties or ideologies but public history. It focuses on the memorials and memorialisers at seven sites of torture, extermination, and disappearance in Santiago, engaging with worldwide debates about why and how deeds of violence inflicted by the state on its own citizens should be remembered, and by whom. The sites investigated — including the infamous National Stadium — are among the most iconic of more than 1,000 such sites throughout the country. The study grants a glimpse of the depth of feeling that survivors and the families of the detained-disappeared and the politically executed bring to each of the sites. The book traces their struggle to memorialise each one, and so unfolds their idealism and hope, courage and frustration, their hatred, excitement, resentment, sadness, fear, division and disillusionment. ‘This is a beautifully written book, a sensitive treatment of the issues and lives of those who have faced a great deal of loss, most often as unsung heroes, in what are now recognized as Chilean sites of memory. The book is a testament to people who have not been asked to speak, until Peter Read and Marivic Wyndham ask them to tell their stories. They do

not shy away from hard tensions about memorialization, the difficulties of challenging a powerful state and the long and arduous struggles to ensure less powerful voices are heard.’ — Professor Katherine Hite, Frederick Ferris Thompson Chair of Political Science, Vassar College, USA.

*Birth And Beyond* Yehudi Gordon,2020-08-13 Written by one of the world's leading obstetricians, this extraordinary book takes a totally fresh look at what parenting means in the 21st century. Addressing both parents, the book looks at all aspects of life, through the nine months of pregnancy and the following nine of the baby's life. It is both a practical handbook for pregnancy, birth and the early months of a new baby's life, and a stimulating exploration of this period of enormous transition. Taking a holistic approach, it advocates integrated health care, i.e. both conventional and complementary therapies, and, with its exhaustive medical content, including a 160- page A-Z section, also acts as a superb source of reference.

**Black Girl In Love (with Herself)** Trey Anthony,2021-01-05 Speaker, writer, and producer Trey Anthony breaks it down, giving black women a relatable voice and personalized keeping it real to-do list on how to practice self-love and self-care. Therapy is not just for white women-no matter what your momma told you! After a lifetime of never truly relating to the personal development experts because of the color of her skin, Trey Anthony has written the book she needed to read as a black woman trying to navigate a world filled with unique challenges that often acts like she doesn't exist. On the outside Trey Anthony was the overachieving, reliable, and strong black woman she was raised to be, but on the inside the pressure of sacrificing her own needs to please others was building. When her grandmother and mother raised her strong, they also unknowingly taught her that self-love and expressing emotions were weak, creating an unhealthy dynamic that had Trey facing burnout and rock bottom. In *Black Girl in Love (with Herself)*, Trey breaks down the lessons and tools that she used to heal her life, including how to: • Set clear and healthy boundaries-even with the people who raised you • Quit being the family ATM • Sort out who is a real friend, and who is just there for parties and gossip • Confront microaggressions at work without missing a beat • Forget who black women are supposed to be And fall in love with yourself!
