Soda Fountain Wisdom: Wise Words from the Countertop Yvonne Deutch, 2009-08 The soda fountain was such a sociable place. Folks exchanged news, views, and wisecracks too. Those bygone days are treasured in this sweet and stylish retro celebration. Ever wonder why the ice cream sundae is spelled with a dae instead of a day? You'll find the answer to that and dozens more pop-culture trivia questions, all featured with nostalgic photos and illustrations. Old-fashioned full-color photos and illustrations on every page appear with pithy quotations and comical quips drawn mainly from mid-twentieth-century writers -- or with brief, entertaining one-page essays that give historical background to many aspects of twentieth-century pop culture. ¿Return to kindness, humor, and wisdom, when there was a time for everyone -- young and old.¿

Soda Fountain Wisdom Wynn Wheldon, 2004 Ever wonder why the ice cream sundae is spelled with a dae instead of a day? You'll find the answer to that and dozens more pop-culture trivia questions,

all featured with nostalgic photos and illustrations. Soda Fountain Wisdom is one of a two-book series titled Retro Moments. These titles recall the days when Mom and Dad were teens. Old-fashioned photos and illustrations on every page appear with pithy quotations and comical quips drawn mainly from mid-twentieth-century writers-or with brief, entertaining one-page essays that give historical background to many aspects of twentieth-century pop culture. Retro Moments make great gift books, but bookstore gift-buyers probably will take home extra copies for themselves. These delightful little books carry their readers back to the days of drive-ins, roadside diners, fin-tailed convertibles, and the bright magazine advertisements of yesteryear.

Sundae Best Anne Cooper Funderburg, 2002 An exploration of the rise and fall of the soda fountain as a pervasive American institution. Also included are lists of films in which soda fountains appear and a glossary of terms used in the soda fountain business. Annotation copyrighted by Book News, Inc., Portland, OR

The Soda Fountain Gia Giasullo, Peter Freeman,

Ma,2014-07-14 A collection of 70 recipes celebrating the history and stories of the classic American soda fountain from one of the most-celebrated revival soda fountains in the country, Brooklyn Farmacy. A century ago, soda fountains on almost every Main Street in America served as the heart of the community, where folks shared sundaes, sodas, ice cream floats, and the news of the day. A quintessentially American institution, the soda fountain still speaks of a bygone era of innocence and ease. When Brooklyn Farmacy & Soda Fountain opened its doors in 2010, it launched a revival of this great American original, capturing the hearts of a new generation. Featuring abundant full-color photography and vintage illustrations and advertisements, The Soda Fountain explores a rich history--from the origins of seltzer in the nineteenth century, through the transformation of soda during Prohibition and the Depression years, right up to today's fountain renaissance. Featured recipes range from classics like the Purple Cow and Cherry Lime Rickey to contemporary innovations that have made Brooklyn Farmacy famous, like The Sundae of Broken Dreams (topped with caramel sauce and broken pretzel bits) and Makin' Whoopie! Sundae (with hot fudge and mini chocolate whoopie cakes). Recreating beloved treats like egg creams and milkshakes with local, seasonal, and artisanal ingredients, Gia Giasullo and Peter Freeman, the sibling cofounders of Brooklyn Farmacy & Soda Fountain, teach you how to resurrect the proud American soda fountain tradition at your own kitchen counter. With its fascinating anecdotes, mouth-watering pictures and easy-to-follow steps,

this nostalgic cookbook proves that the soda fountain is a culinary and cultural institution that continues to delight.
