Erin Gibson

Feminasty Erin Gibson,2018-09-04 From the wickedly funny and feminist creator and host of the Throwing Shade podcast, a collection of hilarious personal essays and political commentary perfect for fans of Lindy West and Roxane Gay. Since women earned the right to vote a little under one hundred years ago, our progress hasn't been the Olympic sprint toward gender equality first wave feminists hoped for, but more of a slow, elderly mall walk (with frequent stops to Cinnabon) over the four hundred million hurdles we still face. Some of these obstacles are obvious-unequal pay, under-representation in government, reproductive restrictions, lack of floor-length mirrors in hotel rooms. But a lot of them are harder to identify. They're the white noise of oppression that we've accepted as lady business as usual, and the patriarchy wants to keep it that way. Erin Gibson has a singular goal-to create a utopian future where women are recognized as humans. In FEMINASTY-titled after her nickname on the hit podcast Throwing Shade-she has written a collection of make-you-laugh-until-you-cry essays that expose the hidden rules that make life as a woman unnecessarily hard and deconstructs them in a way that's bold, provocative and hilarious. Whether it's shaming women for having their periods, allowing them into STEM fields but never treating them like they truly belong, or dictating strict rules for how they should dress in every situation, Erin breaks down the organized chaos of old fashioned sexism, intentional and otherwise, that systemically keeps women down.

A Court of Silver Flames Sarah J. Maas,2021-02-16 Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta. Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it. The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other. Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts. Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms.

The Only Pirate at the Party Lindsey Stirling,Brooke S. Passey,2016-01-12 Dancing electronic violinist Lindsey Stirling shares her unconventional journey in an inspiring New York Times bestselling memoir filled with the energy, persistence, and humor that have helped her successfully pursue a passion outside the box. A classically trained musician gone rogue, Lindsey Stirling is the epitome of independent, millennial-defined success: after being voted off the set of America's Got Talent, she went on to amass more than ten million social media fans, record two full-length albums, release multiple hits with billions of YouTube views, and to tour sold-out venues across the world. Lindsey is not afraid to be herself. In fact, it's her confidence and individuality that have propelled her into the spotlight. But the road hasn't been easy. After being rejected by talent scouts, music reps, and eventually on national television, Lindsey forged her own path, step by step. Detailing every trial and triumph she has experienced until now, Lindsey shares stories of her humble yet charmed childhood, humorous adolescence, life as a struggling musician, personal struggles with anorexia, and finally, success as a world-class entertainer. Lindsey's

magnetizing story—at once remarkable and universal—is a testimony that there is no singular recipe for success, and despite what people may say, sometimes it's okay to be The Only Pirate at the Party.

The Preserve Ariel S. Winter,2020-11-03 The critically acclaimed author of the “bold, innovating, and thrilling” (Stephen King) novel The Twenty-Year Death and the “brilliant” (Booklist, starred review) novel Barren Cove returns with a dark and compelling mystery set in the near future. Decimated by plague, the human population is now a minority. Robots—complex AIs almost indistinguishable from humans—are the ruling majority. Nine months ago, in a controversial move, the robot government opened a series of preserves, designated areas where humans can choose to live without robot interference. Now the preserves face their first challenge: someone has been murdered. Chief of Police Jesse Laughton on the SoCar Preserve is assigned to the case. He fears the factions that were opposed to the preserves will use the crime as evidence that the new system does not work. As he digs for information, robots in the outside world start turning up dead from bad drug-like programs that may have originated on SoCar land. And when Laughton learns his murder victim was a hacker who wrote drug-programs, it appears that the two cases might be linked. Soon, it's clear that the entire preserve system is in danger of collapsing. Laughton's former partner, a robot named Kir, arrives to assist on the case, and they soon uncover shocking secrets revealing that life on the preserve is not as peaceful as its human residents claim. But in order to protect humanity's new way of life, Laughton must solve this murder before it's too late. The Preserve is a fresh and futuristic mystery that is perfect for fans of Westworld and Blade Runner.

The Kindred Spirits Supper Club Amy E. Reichert, 2021-04-20 Jobless and forced home to Wisconsin, journalist Sabrina Monroe can tolerate reunions with frenemies and kisses from old boyfriends, but not the literal ghosts that greet her in this heartwarming tale of the power of love and connection from acclaimed author Amy E. Reichert. For Sabrina Monroe, moving back home to the Wisconsin Dells--the self-described Waterpark Capital of the World--means returning to the Monroe family curse: the women in her family can see spirits who come to them for help with unfinished business. But Sabrina's always redirected the needy spirits to her mom, who's much better suited for the job. The one exception has always been Molly, a bubbly rom-com loving ghost, who stuck by Sabrina's side all through her lonely childhood. Her personal life starts looking up when Ray, the new local restaurateur, invites Sabrina to his supper club, where he flirts with her over his famous Brandy Old-Fashioneds. He's charming and handsome, but Sabrina tells herself she doesn't have time for romance--she needs to focus on finding a job. Except the longer she's in the Dells, the harder it is to resist her feelings for Ray. Who can turn down a cute guy with a fondness for rescue dogs and an obsession with perfecting his fried cheese curds recipe? When the Dells starts to feel like home for the first time and with Ray in her corner, Sabrina begins to realize that she can make a difference and help others wherever she is.

Crosshairs Catherine Hernandez, 2020-12-08 The author of the acclaimed novel *Scarborough* weaves an unforgettable and timely dystopian tale about a near-future, where a queer Black performer and his allies join forces to rise up when an oppressive regime gathers those deemed "Other" into concentration camps.

Set in a terrifyingly familiar near-future, with massive floods leading to rampant homelessness and devastation, a government-sanctioned regime called The Boots seizes on the opportunity to round up communities of color, the disabled, and the LGBTQ+ into labor camps. In the shadows, a new hero emerges. After he loses his livelihood as a drag queen and the love of his life, Kay joins the resistance alongside Bahadur, a transmasculine refugee, and Firuzeh, a headstrong social worker. Guiding them in the use of weapons and close-quarters combat is Beck, a rogue army officer, who helps them plan an uprising at a major televised international event. With her signature “raw yet beautiful, disturbing yet hopeful” (Booklist) prose, Catherine Hernandez creates a vision of the future that is all the more frightening because it is very possible. A cautionary tale filled with fierce and vibrant characters, *Crosshairs* explores the universal desire to thrive, love, and be loved for being your true self.

Cartier's Hope M. J. Rose, 2021-02-16 In this “heady tale of romance, intrigue, and empowerment” (Pam Jenoff, New York Times bestselling author) during the Gilded Age, a determined and remarkable female journalist is determined to uncover the truth of the legendary Hope Diamond—from the New York Times bestselling author of *Tiffany Blues*. New York, 1910: A city of extravagant balls in Fifth Avenue mansions and poor immigrants crammed into

crumbling Lower East Side tenements. A city where the suffrage movement is growing stronger every day, but most women reporters are still delegated to the fashion and lifestyle pages. But Vera Garland is set on making her mark in a man's world of serious journalism. Shortly after the world-famous Hope Diamond is acquired for a record sum, Vera begins investigating rumors about schemes by its new owner, jeweler Pierre Cartier, to manipulate its value. Vera is determined to find the truth behind the notorious diamond and its mysterious curses, especially when her reporting puts her in the same orbit as a magazine publisher whose blackmailing schemes led to the death of her beloved father. Appealing to a young Russian jeweler for help, Vera is unprepared when she begins falling in love with him...and even more unprepared when she gets caught up in his deceptions and finds herself at risk of losing all she has worked so hard to achieve. "Vivid...[and] memorable" (Publishers Weekly), Cartier's Hope is "a twisting tale of greed, revenge, and masked identities that put love and lives at risk. A fast-paced historical novel that shines with as much intrigue and mystery as the Hope Diamond itself" (Beatriz Williams, New York Times bestselling author).
