Language and Gender: Analyzing Interaction in a Brazilian Portuguese and English Language Mixed-sex Setting Fernando Cezar

Oliveira, Fernando Cezar, Melo De Oliveira, 2010-04-01 This dissertation attempts to investigate some interactional features in the conversation of women and men taking into account verbosity, turn-taking, use of standard forms, directness and assertiveness. To do so, an ethnographic method of natural conversation video-recording was utilized within a group of 2 female and 2 male Brazilian Portuguese speakers and 2 females and 2 males in a group of English speakers. This study suggests that the amount of talk uttered by women and men when they are in informal occasions may not vary so drastically. Accordingly, this investigation also shows that females and males may interrupt each other's conversation almost equally and may make the same use of colloquial language in informal settings. However, it also shows that women are more likely to make use of hedging devices than men. Hence, the observation of natural talk between women and men seems to suggest that both genders might make similar use of the language with respect to some interactional features of language found in their conversation in informal settings such as the ones described throughout this paper.

*Pimsleur Portuguese (Brazilian) Level 2 CD* Pimsleur, 2001-06-01 The Easiest and Fastest Way to Learn Brazilian Portuguese Whether you want to travel, communicate with friends or colleagues, reconnect with family, or just understand more of what's going on in the world around you, learning Brazilian Portuguese will expand your horizons and immeasurably enrich your life. The best part is that it doesn't have to be difficult or take years to master. Thirty minutes a day is all it takes, and we get you speaking right from the first day. Pimsleur courses use a scientifically-proven method that puts you in control of your learning. If you've tried other language learning methods but found they simply didn't stick, then you owe it to yourself to give Pimsleur a try. Why Pimsleur? - Quick + Easy - Only 30 minutes a day. - Portable + Flexible - Core lessons can be done anytime, anywhere, and easily fit into your busy life. - Proven Method - Works when other methods fail. - Self-Paced - Go fast or go slow - it's up to you. - Based in Science - Developed using proven research on memory and learning. - Cost-effective - Less expensive than classes or immersion, and features all native speakers. - Genius - Triggers your brain's natural aptitude to learn. - Works for everyone - Recommended for ages 13 and above. What's Included? - 30, 30-minute audio lessons - 60 minutes of reading instruction to provide you practice reading Brazilian Portuguese - In total, 16 hours of audio, all featuring native speakers - a Reading Booklet and User's Guide What You'll Learn Builds upon skills taught in Pimsleur's Brazilian Portuguese Level 1. In the first 10 lessons you'll begin using the past tense. Structures become more complex and informal speech is introduced. Soon you'll take part in conversations about ordering meals, shopping, and local tourist attractions. As you progress, your fluency will increase as your vocabulary expands. The next 10 lessons will allow you to further combine and build upon known elements, and produce longer and more complex sentences. You'll be discussing business and social activities, expressing your interests, and talking about the weather. In the final 10 lessons you'll double your vocabulary and have several hundred structures to draw upon. You'll learn to express yourself with relative structures - faster, slower, etc. You'll be able to ask for assistance in many situations and to ask for directions to various locations. You'll explore sports and leisure activities, manage changing money and banking, and discuss travel plans. By the end of the program, you'll be speaking at a mid-intermediate level with near-native pronunciation, and you'll be comfortable meeting most social demands and limited job requirements. Reading Lessons are included at the end of Lesson 30. These lessons, which total about one hour, are designed to give you practice reading Brazilian Portuguese, and to provide you with some insight into Brazilian Portuguese culture with proverbs, common expressions, and a broad look at things you'll experience when visiting a Brazilian Portuguese-speaking country. The Pimsleur Method We make no secret of what makes this powerful method work so well. Paul Pimsleur spent his career researching and perfecting the precise elements anyone can use to learn a language quickly and easily. Here are a few of his "secrets": The

Principle of Anticipation In the nanosecond between a cue and your response, your brain has to work to come up with the right word. Having to do this boosts retention, and cements the word in your mind. Core Vocabulary Words, phrases, and sentences are selected for their usefulness in everyday conversation. We don't overwhelm you with too much, but steadily increase your ability with every lesson. Graduated Interval Recall Reminders of new words and structures come up at the exact interval for maximum retention and storage into your long-term memory. Organic Learning You work on multiple aspects of the language simultaneously. We integrate grammar, vocabulary, rhythm, melody, and intonation into every lesson, which allows you to experience the language as a living, expressive form of human culture. Learning in Context Research has shown that learning new words in context dramatically accelerates your ability to remember. Every scene in every Pimsleur lesson is set inside a conversation between two people. There are no drills, and no memorization necessary for success. Active Participation The Pimsleur Method + active learner participation = success. This method works with every language and every learner who follows it. You gain the power to recall and use what you know, and to add new words easily, exactly as you do in English. The Brazilian Portuguese Language Portuguese is the mother tongue of about 230 million people, mainly in Portugal and the Portuguese islands in the Atlantic, Brazil, and Portugal's former overseas provinces in Africa and Asia. Pimsleur's Brazilian Portuguese teaches the São Paulo metropolitan dialect. Tech Talk - CDs are formatted for playing in all CD players, including car players, and users can copy files for use in iTunes or Windows Media Player.

**Conversational Portuguese Quick and Easy** Yatir Nitzany,2019-01-07 Have you always wanted to learn how to speak Portuguese but simply didn't have the time? Well if so, then, look no further. You can hold in your hands one of the most advanced and revolutionary method that was ever designed for quickly becoming conversational in a language. In creating this time-saving program, master linguist Yatir Nitzany spent years examining the twenty-seven most common languages in the world and distilling from them the three hundred and fifty words that are most likely to be used in real conversations. These three hundred and fifty words were chosen in such a way that they were structurally interrelated and, when combined, form sentences. Through various other discoveries about how real conversations work—discoveries that are detailed further in this book—Nitzany created the necessary tools for linking these words together in a specific way so that you may become rapidly and almost effortlessly conversant—now. If your desire is to learn complicated grammatical rules or to speak perfectly proper and precise Portuguese, this book is not for you. However, if you need to actually hold a conversation while on a trip to Brazil or Portugal, to impress that certain someone, or to be able to speak with your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for. This method is designed for fluency in a foreign language, while communicating in the present tense. Nitzany believes that what's most important is actually being able to understand and be understood by another human being right away. More formalized training in grammar rules, etc., can come later. This isn't a pronunciation book. Thus, this book is recommended for those with prior knowledge in pronunciation of the Portuguese language. However, for those who aren't previously familiar, this book does provide some basic tools to teach pronunciation. The main thing this book offers is the necessary tools to become conversational in a foreign language in record time. As previously stated, though, with regards to grammar and pronunciation, you are on your own! This is one of the several, in a series of instructional language guides, the Nitzany Method's revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible. No more depending on volumes of books of fundamental, beginner, intermediate, and advanced levels, all with hundreds of pages in order to learn a language. With *Conversational Portuguese Quick and Easy*, all you need are fifty-three pages. Learn Portuguese today, not tomorrow, and get started now!

The Language Lover's Guide to Learning Portuguese Russell Walker,Rafael Tavares,2014-07-01 This book is a study companion written in plain

English, which explains the things that you need to know to be successful in learning Portuguese. No prior grammatical knowledge is assumed, and technical terms are explained clearly and progressively. Exercises are provided to help you consolidate what you have learned and build your Portuguese vocabulary. Although the main focus is on European Portuguese, Brazilian alternatives are also given. Among the many things covered in this book: How do you pronounce words in Portuguese? What do all those funny little squiggles mean? What exactly are verbs, adjectives, prepositions, and pronouns? How do you know when to use 'ser' and when to use 'estar'? How do you use the personal infinitive? How does the subjunctive work? If you don't know your diacritic from your diphthong, you've come to the right place!

**Language and Social Relationship in Brazilian Portuguese** Dale April Koike,2014-08-01 Give me the salt and Please pass the salt make the same request, but in a polite situation the first utterance may give offense, while the second may not. How and why such differences in wording and intonation, in a particular context, produce different effects is the concern of pragmatics, the area of linguistics that deals with how speech is used in interaction. In this innovative study of pragmatics in Brazilian Portuguese, Dale Koike analyzes the politeness phenomenon, specifically in the context of speech acts known as directives. As acts intended to get someone to do something, directives bring into play a variety of sociocultural factors, depending on the relationship between the participants. Using empirical data obtained through natural language observation and from questionnaires of over one hundred adult native speakers, Koike identifies factors—such as age, education, and gender—that influence the strategies of politeness a given speaker is likely to use in making a directive. This research clarifies the unwritten language rules and assumptions that native speakers intuitively follow in phrasing their directive utterances. Koike also includes important material on the acquisition of strategies for politeness by children and adult second-language learners, as well as on gender differences in politeness forms. Her research proposes important additions to the theory of speech acts as conceived by Austin and Searle, particularly in the application of deictic organization to account for a hierarchy of pragmatic forms. *Language and Social Relationship in Brazilian Portuguese* will be of interest to a wide audience in diverse fields, including linguistics, anthropology, interaction analysis, communications, semantics, sociology, psychology, and education.

*Address in Portuguese and Spanish* Martin Hummel,Célia dos Santos Lopes,2020-07-20 The volume provides the first systematic comparative approach to the history of forms of address in Portuguese and Spanish, in their European and American varieties. Both languages share a common history—e.g., the personal union of Philipp II of Spain and Philipp I of Portugal; the parallel colonization of the Americas by Portugal and Spain; the long-term transformation from a feudal to a democratic system—in which crucial moments in the diachrony of address took place. To give one example, empirical data show that the puzzling late spread of Sp. usted 'you (formal, polite)' and Pt. você 'you' across America can be explained for both languages by the role of the political and military colonial administration. To explore these new insights, the volume relies on an innovative methodology, as it links traditional downstream diachrony with upstream diachronic reconstruction based on synchronic variation. Including theoretical reflections as well as fine-grained empirical studies, it brings together the most relevant authors in the field.

Two manuscripts in one book: Portuguese for Beginners: A Comprehensive Guide for Learning the Portuguese Language Fast Mastering Portuguese Words: Increase Your Vocabulary with Over 3,000 Portuguese Words in Context Are you quite busy and in need of a precise, but thorough, resource to learn Portuguese? Are you traveling to or working in a Portuguese-speaking country? Do you want to connect with people, while keeping your personality when speaking Portuguese, instead of just learning how to tourist-talk? Do you want to learn phrases that you can use to navigate social situations and help you make friends and new connections? If your answer to these questions is yes, then this book is here to help. Learning a new language is such an amazing tool that allows people from different parts of the world to connect more easily. That leads, more importantly, to deeper and more meaningful connections as well. In the case of the Portuguese language, several countries have it as the official language, making it the sixth most spoken idiom on Earth, with 170 million speakers worldwide. This means that learning it grants you the possibility of making friends or finding job opportunities in the most obscure places you can imagine. Part one of this book is divided into three parts: The Very Basics Grammar Conversation You’ll also find many fun quizzes throughout the book that will allow you to practice your skills. Part two of this book will present you with over 3,000 Portuguese words, which are the most frequently used in Portuguese. But instead of making a plain list, the words will be allocated to different categories so that it is easier to organize them in your mind, as they are taught within a specific group of words. Each word will also be used in a sentence and then translated into English to make sure it is well understood. ### Portuguese Informal Speech Introduction

In today's digital age, the availability of Portuguese Informal Speech books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Portuguese Informal Speech books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Portuguese Informal Speech books and manuals for download is the cost-saving aspect.

Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Portuguese Informal Speech versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Portuguese Informal Speech books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Portuguese Informal Speech books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization

that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Portuguese Informal Speech books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Portuguese Informal Speech books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the

ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Portuguese Informal Speech books and manuals for download and embark on your journey of knowledge?
