

Postcards

Martin Willoughby

A History of Postcards Martin Willoughby, 1994

Postcards from Penguin Penguin, 2010-09-15 A collection of 100 postcards, each featuring a different and iconic Penguin book jacket. From classics to crime, here are over seventy years of quintessentially British design in one box. In 1935 Allen Lane stood on a platform at Exeter railway station, looking for a good book for the journey to London. His disappointment at the poor range of paperbacks on offer led him to found Penguin Books. The quality paperback had arrived. Declaring that 'good design is no more expensive than bad', Lane was adamant that his Penguin paperbacks should cost no more than a packet of cigarettes, but that they should always look distinctive. Ever since then, from their original - now world-famous - look featuring three bold horizontal stripes, through many different stylish, inventive and iconic cover designs, Penguin's paperback jackets have been a constantly evolving part of Britain's culture. And whether they're for classics, crime, reference or prize-winning novels, they still follow Allen Lane's original design mantra. Sometimes, you definitely should judge a book by its cover.

Santa Ana in Vintage Postcards Guy Ball, 2001 Santa Ana began as the dream of early pioneers in the 1800s when the dry, desolate area was little more than windswept fields of wild mustard grass. Santa Ana celebrates this area's pioneer heritage and the people who created it, and chronicles the development of this city with fascinating vintage postcards. Santa Ana was one of the earliest incorporated cities, and became the county seat in 1889. Wealthy businessmen, successful political leaders, and even an occasional maharajah chose Santa Ana as their home. Today, Orange County is one of the most dynamic counties in California.

Postcards Annie Proulx, 2007-12-01 E. Annie Proulx's first novel, *Postcards*, winner of the 1993 Pen/Faulkner Award for Fiction, tells the mesmerizing tale of Loyal Blood, who misspends a lifetime running from a crime so terrible that it renders him forever incapable of touching a woman. Blood's odyssey begins in 1944 and takes him across the country from his hardscrabble Vermont hill farm to New York, across Ohio, Minnesota, and Montana to British Columbia, on to North Dakota, Wyoming, and New Mexico and ends, today, in California, with Blood homeless and near mad. Along the way, he must live a hundred lives to survive, mining gold, growing beans, hunting fossils and trapping, prospecting for uranium, and ranching. In his absence, disaster befalls his family; greatest among their terrible losses are the hard-won values of endurance and pride that were the legacy of farm people rooted in generations of intimacy with soil, weather, plants, and seasons. *Postcards* chronicles the

lives of the rural and the dispossessed and charts their territory with the historical verisimilitude and writerly prowess of Cather, Dreiser, and Faulkner. It is a new American classic.

Golden Gate National Parks Postcard Book Michael Schwab, gra Gra Gra, Chronicle Books, 1998-03 Graphic artist Michael Schwab has created an outstanding new look for the Bay Area's most beloved outdoor treasures. Perfect for nature-loving natives and tourists alike, this colorful, graphically striking collection gives a modern spin to the national parklands of the Golden Gate.

Postcards James Prideaux, 1970 For thirty years Margaret and Leonardo have sat each day at adjoining desks, writing postcards to famous people, without ever getting any answers. Having run out of live personages to write to they decide to address their cards to the famous dead -- but, suddenly, much to their consternation, a reply does arrive. Its effect is shattering, and brings on a poignant revelation of the unspoken feelings which have, through all the years, lay dormant beneath the calm surface of their very correct relationship.

Bloomington-Normal in Vintage Postcards Elaine J. Taylor, 2002 Bloomington and Normal have grown from small, pioneer settlements into the Twin Cities of central Illinois, linked by their proximity and shared history. Surviving and rebuilding after a devastating fire in 1900, the area has continued to grow and prosper. It is home to many businesses, including State Farm, the nation's largest auto and homeowners insurance company. The vintage postcards in this collection feature the delights and difficulties of Bloomington-Normal at the turn-of-the-century. These images capture historic events such as the Street Car Strike of 1917 in which workers took their demands to the streets. The businesses that closed-up shop years ago are opened again through these historic postcards, many of which were originally produced by Bloomington-based postcard publisher C.U. Williams.

Riverside in Vintage Postcards Steve Lech, 2005 Riverside has been a vital center of agriculture and government throughout the growth of Southern California. Postcards sent from this city to those far away usually depict it as a resort, situated on the western edge of the Colorado Desert, where the historic Mission Inn has been a vacation destination for generations. Illustrating many facets of this world-renowned, garden-like gathering spot, these attractive images also showcase Riverside's Main Street, public buildings, parks, broad avenues, the sharply rising Mt. Rubidoux on the edge of town, and the influence of the citrus industry.

Postcards David Prochaska, Jordana Mendelson, 2010 Examines postcards as images that are carriers of text, and textual correspondence that circulate images across boundaries of class, gender, nationality and race. Discusses issues concerning the concrete practices of production, consumption,

collection and appropriation.

Have a Little Pun: 30 Postcards: (Illustrated Postcards, Book of Witty Postcards, Cute Postcards)

Frida Clements,2018-09-04

Postcards from the Boys Ringo Starr,2005-09-01 A unique insight into the friendship between the members of the Beatles through postcards sent to Ringo from John, Paul and George. Sensationally presented, this book features 53 postcards sent by John Lennon, George Harrison and Paul McCartney to Ringo Starr. The superb facsimile reproductions of the cards, complete with the occasional drawing, depict both the spontaneous wit and art of the Beatles. The reproduction of the postcards is supplemented by revealing text from Ringo explaining the meaning behind the cards and documenting the corresponding moments in his life. This visually stunning and intriguing book is, quite simply, a must-have for anyone interested in the story of the Beatles phenomenon.

Women who Dared ,1991

Postcards in the Library Norman D. Stevens,1995 Postcards in the Library gives compelling reasons why libraries should take a far more active and serious interest in establishing and maintaining postcard collections and in encouraging the use of these collections. It explains the nature and accessibility of existing postcard collections; techniques for acquiring, arranging, preserving, and handling collections; and ways to make researchers and patrons aware of these collections.

Route 66 Postcards Michael Wallis,Suzanne Wallis,1993-09-15 Before the advent of frequent-flier miles, eight-lane interstate highways, and cellular telephones, dream vacations took place on America's highways, and no road was greater than Route 66...Then, postcards respresented not only a form of communication, but also a way of telling your friends and family that you had, believe it or not, been there. Route 66 Postcards: Greetings from the Mother Road presents thirty of the finest classic postcards from that golden era of America's past. Come with us as we visit: Chicago's Famous Architectural Skyline The Chain of Rocks Bridge Spanning the Mighty Mississippi Ben Stanley's Vintage Cafe in Miami, Oklahoma The Largest Longhorn Steer Alive, measuring over 6 feet Maisel's Quaint Indian Trading Post in Albuquerque The City of Angels Enjoy the trip, get your kicks, and don't forget to mail one to a friend!

New Orleans in Vintage Postcards Scott Faragher,1999 From the 1890s through the 1920s, the postcard was an extraordinarily popular means of communication, and many of the postcards produced during this golden age can today be considered works of art. Postcard photographers traveled the length and breadth of the nation snapping photographs of busy street scenes,

documenting local landmarks, and assembling crowds of local children only too happy to pose for a picture. These images, printed as postcards and sold in general stores across the country, survive as telling reminders of an important era in America's history. This fascinating new history of New Orleans showcases more than two hundred of the best vintage postcards available.

Northeast Georgia in Vintage Postcards Gary L. Doster, 1998-09 From the 1890s through the 1920s, the postcard was an extraordinarily popular means of communication, and many of the postcards produced during this golden age can today be considered works of art. Postcard photographers traveled the length and breadth of the nation snapping photographs of busy street scenes, documenting local landmarks, and assembling crowds of local children only too happy to pose for a picture. These images, printed as postcards and sold in general stores across the country, survive as telling reminders of an important era in America's history. This fascinating new history of Northeast Georgia showcases more than two hundred of the best vintage postcards available.

Pasadena in Vintage Postcards Marlin L. Heckman, 2001 The postcard has been a popular part of American communication for over a century, documenting both the interest of a place and its history. Captured here in nearly 200 vintage postcards is the unique history of this California town, translated in Chippewa as Crown of the Valley. The City of Pasadena, just north of Los Angeles, sits against the majesty of the Sierra Madre mountain range. Incorporated in 1885, the city was originally known as a resort city, filled with tourists from all over the world. Showcased here through the use of the author's personal postcard collection are vintage images of Millionaires Row, the Tournament of the Roses Parade, the Mt. Lowe Railway, and the Alpine Tavern.

Somerset County in Vintage Postcards Alan A. Siegel, 1999-03-01 From the 1890s through the 1920s, the postcard was an extraordinarily popular means of communication, and many of the postcards produced during this golden age can today be considered works of art. Postcard photographers traveled the length and breadth of the nation snapping photographs of busy street scenes, documenting local landmarks, and assembling crowds of local children only too happy to pose for a picture. These images, printed as postcards and sold in general stores across the country, survive as telling reminders of an important era in America's history. This fascinating new history of New Jersey's Somerset County showcases more than two hundred of the best vintage postcards available.

New Orleans in Golden Age Postcards Matthew Griffis, 2020-09-22 New Orleans in Golden Age Postcards showcases over three hundred vintage postcard images of the city, printed in glorious color.

From popular tourist attractions, restaurants, and grand hotels to local businesses, banks, churches, neighborhoods, civic buildings, and parks, the book not only celebrates these cards' visual beauty but also considers their historic value. After providing an overview of the history of postcards in New Orleans, Matthew Griffis expertly arranges and describes the postcards by subject or theme. Focusing on the period from 1900 to 1920, the book is the first to offer information about the cards' many publishers. More than a century ago, people sent postcards like we make phone calls today. Many also collected postcards, even trading them in groups or clubs. Adorned with colorized views of urban and rural landscapes, postcards offered people a chance to own images of places they lived, visited, or merely dreamed of visiting. Today, these relics remain one of the richest visual records of the last century as they offer a glimpse at the ways a city represented itself. They now appear regularly in art exhibits, blogs, and research collections. Many of the cards in this book have not been widely seen in well over a century, and many of the places and traditions they depict have long since vanished.

Postcards from Exeter Carol Walker Aten, 2003 In 1904, Frank W. Swallow left behind his short-lived car dealership and began a successful cottage industry, printing his own hand-colored postcards. He was the First to Introduce the Souvenir Post Card to One-Half of New England, according to the imprint of his trademark swallow. Many of Swallow's photographs are contained within this book, which tells a special history of Exeter, New Hampshire, between 1900 and 1940—a time when the horse and carriage era shifted to the automobile, hemlines rose a few inches, and electricity came to town. Learn about a mysteriously lost statue, hidden waterways, great buildings that burned, forgotten parades, and the famous Swallow Girls. Most images, never before seen, are from the Exeter Historical Society's collection, and proceeds from the sales of this publication support the society in honor of its seventy-fifth anniversary.

Postcards Introduction

Free PDF Books and Manuals for Download:

Unlocking Knowledge at Your Fingertips In todays

fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Postcards PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering

individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various

fields. It is worth noting that while accessing free Postcards PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Postcards free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Postcards Books

1. Where can I buy Postcards books?

Bookstores: Physical bookstores like

Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.

2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.

3. How do I choose a Postcards book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.

4. How do I take care of Postcards books?

Storage: Keep them away from direct sunlight and in a dry environment.

Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them?

Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps:

Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Postcards audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Postcards books for free? Public Domain Books: Many classic books are

available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
