The Upside of Falling Alex Light,2020-02-18 A fun, flirty teen debut from Wattpad phenom Alex Light about a fake relationship and real love. Perfect for Jenny Han fans. It's been years since seventeen-year-old Becca Hart believed in true love. But when her former best friend teases her for not having had a boyfriend, Becca impulsively pretends she's been secretly seeing someone. Brett Wells has it all. As captain of the football team and one of the most popular guys in his school, he should have no problem finding someone to date, but he's always been more focused on his future than who to bring to prom. When he overhears Becca's lie, Brett decides to step in and be the mystery guy. It's the perfect solution: he gets people off his back for not having a meaningful relationship and she can keep up the ruse that she's got a boyfriend. Acting like the perfect couple isn't easy, though, especially when you barely know the other person. But with Becca still picking up the pieces from when her world was blown apart years ago and Brett just barely holding his together now, they begin to realize they have more in common than they ever could have imagined. When the line between what is pretend and what is real begins to blur, they're forced to answer the question: Is this fake romance the realest thing in either of their lives?

In revolutionary France, a girl named Marguerite Lalanne longed to perform above large crowds on a tightrope, just like her acrobatic parents. Sneaking off to the fairgrounds for secret tightrope walking lessons, Marguerite finessed her performance skills, ultimately performing for crowds as a young rope dancer. And eventually, Marguerite would perform as Madame Saqui, waltzing and pirouetting across- and never falling off- countless ropes above adoring crowds. A nouvelle chérie de Paris, Madame Saqui cemented her place in circus history, winning the adoration of the French people and royalty alike, including Emperor Napoleon Bonaparte. This remarkable biography unveils the inspiring story of a trailblazing woman who revolutionized the circus world-- without ever missing a step.

Hyperbole and a Half Allie Brosh,2013-10-29 #1 New York Times Bestseller “Funny and smart as hell” (Bill Gates), Allie Brosh’s *Hyperbole and a Half* showcases her unique voice, leaping wit, and her ability to capture complex emotions with deceptively simple illustrations. FROM THE PUBLISHER: Every time Allie Brosh posts something new on her hugely popular blog *Hyperbole and a Half* the

internet rejoices. This full-color, beautifully illustrated edition features more than fifty percent new content, with ten never-before-seen essays and one wholly revised and expanded piece as well as classics from the website like, “The God of Cake,” “Dogs Don’t Understand Basic Concepts Like Moving,” and her astonishing, “Adventures in Depression,” and “Depression Part Two,” which have been hailed as some of the most insightful meditations on the disease ever written. Brosh’s debut marks the launch of a major new American humorist who will surely make even the biggest scrooge or snob laugh. We dare you not to. FROM THE AUTHOR: This is a book I wrote. Because I wrote it, I had to figure out what to put on the back cover to explain what it is. I tried to write a long, third-person summary that would imply how great the book is and also sound vaguely authoritative—like maybe someone who isn’t me wrote it—but I soon discovered that I’m not sneaky enough to pull it off convincingly. So I decided to just make a list of things that are in the book: Pictures Words Stories about things that happened to me Stories about things that happened to other people because of me Eight billion dollars* Stories about dogs The secret to eternal happiness* *These are lies. Perhaps I have underestimated my sneakiness!

Updated with revised photos and artwork, as well as 15 practical exercises and new online video material, this second edition is an indispensable resource for animators, digital illustrators, painters, photographers and artists working in any medium.

The Last Time I Lied Riley Sager,2023-08-01 THE INSTANT NEW YORK TIMES BESTSELLER From the author of Survive the Night and Final Girls comes a tense and twisty thriller about a summer camp that’s impossible to forget—no matter how hard you try. Two Truths and a Lie. Vivian, Natalie, Allison, and Emma played it all the time in their cabin at Camp Nightingale. But the games ended the night Emma sleepily watched the others sneak out into the darkness. The last she—or anyone—saw of the teenagers was Vivian closing the cabin door behind her, hushing Emma with a finger pressed to her lips.... Fifteen years later, Emma is a rising star in the New York art scene, turning her past into paintings—massive canvases filled with dark leaves and gnarled branches over ghostly shapes in white dresses. When the paintings catch the attention of the wealthy owner of Camp Nightingale, she implores Emma to come back to the newly reopened camp as a painting instructor. Despite her guilt and anxiety—or maybe because of them—Emma agrees to revisit her past. Nightingale looks the same as it did all those years ago, haunted by a midnight-dark lake and familiar faces. Emma is even assigned to the same cabin she slept in as a teenager, although the security camera pointed at her door is a disturbing new addition. As cryptic clues about the camp's origins begin to surface, Emma attempts to find out what really happened to her friends. But her closure could come at a deadly price.
