CAROLINE MYSS

📖 ***The Healing Path of Prayer*** Ron Roth, Peter Occhiogrosso, 2010-04-07 Prayer is the key to tapping into the healing energy of the Divine. Yet for many people, prayer has been reduced to a rote practice that has lost its basic meaning and efficacy. In his long-awaited first book for an ecumenical readership, internationally renowned spiritual healer Ron Roth teaches his unique approach to prayer as energy medicine. The Healing Path of Prayer explains in detail the connection between healing, faith, and prayer. Roth shows you how to find your own path to prayer in a way that connects with God’s healing energy. As Roth explains, you can use this energy not only for physical healing but also, perhaps more significantly, for healing emotional and spiritual wounds that may be at the root of physical maladies. The Healing Path of Prayer gives you specific guidance in setting up a daily healing prayer practice. Through a series of simple but effective exercises and rituals, Roth shows you how to celebrate your own sacraments and become a mystic in the course of your everyday life. Each chapter offers a new, higher level of prayer, enabling you to acquire more advanced techniques of focus, intention, and insight. As Roth revitalizes many tired, traditional prayers with his fresh and inspiring reinterpretations from original scripture, he also recounts the dramatic story of when he discovered his healing abilities, as well as true cases of healing in which he has participated. The Healing Path of Prayer is a blueprint for a truly democratic spirituality. Roth’s instruction on how to pray and establish a daily practice of meditation will lead readers into a vital path of everyday mysticism and personal power.

This miracle caused a series of revelations that ultimately led him down a spiritual path, completely changing his busy life, his scientific mindset and the way he viewed this chaotic world. Taking the reader on a fascinating tour of his real-life experience, Dr. Swan explains how he began his spiritual journey by learning hands-on energy healing in order to help save his father who had suffered a major stroke. People of all religious faiths as well as non-believers can transform their physical bodies to light bodies using the healing power from God. In fact, all major religions including Christianity, Hinduism, and Buddhism, encourage people to make the higher transformation to a union with God or Universal Consciousness. And, he shows the reader step-by-step of how to do it. Using Dr. Swan’s method, the spiritual journey can be completed in a short period of time. 📖 ***Anatomy of the Spirit*** Caroline Myss, 2013-09-04 Building on wisdom from Hindu, Christian, and Kabbalah traditions, this comprehensive guide to energy healing reveals the hidden stresses, beliefs, and attitudes that cause illness. Anatomy of the Spirit is the boldest presentation of energy medicine to date, written by one of its premier practitioners, internationally acclaimed medical intuitive Caroline Myss, who is amongst the hottest new voices in the alternative health/spirituality scene (Publishers Weekly). Based on fifteen years of research into energy medicine, Dr. Myss’s work shows how every illness corresponds to a pattern of emotional and psychological stresses, beliefs, and attitudes that have influenced corresponding areas of the human body. Anatomy of the Spirit also presents Dr. Myss’s breakthrough model of the body’s seven centers of spiritual and physical power, in which she synthesizes the ancient wisdom of three spiritual traditions—the Hindu chakras, the Christian sacraments, and the Kabbalah’s Tree of Life—to demonstrate the seven stages through which everyone must pass in the search for higher consciousness and spiritual maturity. With this model, Dr. Myss shows how you can develop your own latent powers of intuition as you simultaneously cultivate your personal power and spiritual growth. By teaching you to see your body and spirit in a new way, Anatomy of the Spirit provides you with the tools for spiritual maturity and physical wholeness that will change your life.

📖 ***Healing Power*** Philip Shapiro M. D., 2010-07 With the advent of mind-body medicine, it is now possible to combine the healing principles of both the medical and spiritual fields. To this end, Dr. Phil Shapiro has developed a ten-step, self-help model that he uses himself and teaches to his students and patients. After you have received your medication, surgery, or natural remedy and you are still in pain, there are a variety of psychosocial and spiritual methods that can help you manage that pain skillfully. The ten-step model described in this book is a composite of healing principles and methods extracted from the great wisdom traditions and organized into cognitive-behavioral practices. These techniques are designed to help the reader accomplish three goals: 1. Expand healing power: for body, mind, and soul 2. Become more skillful pain managers: for any pain, problem, disease, or disability 3. Evolve spiritually: feel better, become a better person, and experience higher states of consciousness To take advantage of the healing principles embedded in the religions, we need to solve the problem of toxic language and traumatic religious history. There is a way to do this. We can design healing models that serve people of all persuasions: Baptists, Sufis, ethical humanists, scientific atheists, true believers, true non-believers—all of us have the same magnificent healing power in every cell of our bodies, and we know how to make it grow. The ten steps do not declare answers to life’s big questions, such as why we are born, why there is so much suffering and evil, whether there is a God, and where we go after death. However, we can apply the wealth of healing wisdom in the great faith traditions to help us manage our pain and heal. This book is written for atheists, agnostics, religious or spiritual persons. Anyone can play in the expanded field of healing power.

📖 ***You Too Can Heal*** George King, 2013

📖 ***The Power of the Healing Field*** Peter Mark Adams, 2021-11-23 • Illustrates the role of transpersonal fields of consciousness in healing a range of issues, from inherited family and ancestral problems, to past lives and womb trauma, to near-death experiences, merged identities, and spirit attachment • Shares remarkable cases of healing and personal transformation from the author’s more than 20 years of energy healing work, as well as experiences from other gifted healers, psychics, and shamans • Provides diagrams of the human energy body, the spectrum of states of awareness, the multilayered fields of consciousness, and the psycho-energetic dynamics of the transformation process Sharing remarkable cases of healing and personal transformation from his and his wife’s more than 20 years of intensive professional energy healing work as well as experiences from other gifted healers, psychics, and shamans, Peter Mark Adams illustrates the role of transpersonal fields of consciousness in healing a range of issues—from inherited family and ancestral problems to past lives and womb trauma to near-death experiences, merged identities, and spirit attachment. Drawing on esoteric tradition as well as scientific research, such as Rupert Sheldrake’s morphic field studies, the author maps out the human energy field in all its subtleties, providing diagrams of the human energy body, the spectrum of states of awareness, the multilayered fields of consciousness, and the psychoenergetic dynamics of the transformation process. Through compelling testimonials of powerful healings, Adams demonstrates how the processes of healing and of peak spiritual experience are closely aligned with harmony within the larger energetic field of consciousness. Proposing a new model of consciousness, reality, and energy healing that incorporates the anomalous phenomena that occurs on the outermost edges of

HUMAN EXPERIENCE, THE AUTHOR DRAWS THESE MANY STRANDS TOGETHER TO OUTLINE NOT ONLY A MULTILAYERED APPROACH FOR DIFFERENT KINDS OF ENERGY HEALING MODALITIES, SUCH AS REIKI, BREATHWORK, EFT, AND REMOTE HEALING, BUT ALSO A USEFUL PROGRAM OF SELF-HELP THAT ANYONE CAN FOLLOW TO MAKE LASTING IMPROVEMENTS TO THEIR PHYSICAL, EMOTIONAL, AND SPIRITUAL HEALTH.
