Beginner's Backyard Chickens Jim Kilpatrick, 2014-03-06 You may not know it, but you are about to discover the secrets of having farm-fresh eggs from your own back yard. Every day! Imagine yourself holding in your hands fresh warm newly laid eggs. Now imagine those eggs being turned into a sunny omelet, a dark rich chocolate cake, or making homemade pasta. You can already taste the difference! Fact. Eggs produced by happy hens taste so much better than store-bought eggs. And you have control over what these hens eat, and so what goes into those eggs. If you prefer to go completely organic then you can. The choice is yours, and this is another area of your life and well-being that you now have complete control over. Who wants to eat a bland store-bought egg laid by a stressed-out chicken? We have enough stress in our hurried lives as it is. Going out, feeding the hens and collecting the eggs can be a very relaxing activity, helping you unwind from a day's work. And kids just love these activities too! This is also a priceless part of a child's education, and will give them the knowledge and a skill-set so few others have these days. In this book by Jim Kilpatrick, you will discover: The best breeds to keep The best ways to start your flock How to construct the coop What to feed them and how often Tips on health and safety - for you and the hens! Much more In short, everything you need to get going with a fun and rewarding endeavor. So, to taste the difference, scroll up and click the Buy Now button. Buy this book, but most importantly, put into practice what you learn. You'll thank yourself. Bonus Download: Bonus Chicken Coop Plans I've included these 2 simple chicken coop plans for you to get started, these are very easy to make and can be completed in 1 day or at most 1 weekend, my teenage son was able to build these with little supervision from me. But don't be mistaken that because it's easy to make it won't be structural sound or durable; it is strong and will last until you're ready to build bigger ones. The way the design was made, it requires very little maintenance from you. I have no doubt that you'll be able to create one of these plans with ease. The amazing part is, these will cost you under a hundred bucks!
