Amy's Answering Machine Amy Borkowsky,2002-02-15 Does your mother call you in a panic whenever there's a storm warning for your area? Does she act as though it's her duty to alert you to every health story on the news? Have you ever been briefly out of touch with your mother only to find she's phoned everyone short of the National Guard to track you down -- or, just maybe, are you that mother? Take comfort in knowing you're not alone, as Amy Borkowsky shares more than a decade's worth of maddening phone messages from her hilariously overprotective mom. Based on the hit CD of the same name, Amy's Answering Machine features actual messages in which Amy's mom warns her not to wear a red bathrobe because a friend's grandson said that red is a gang color...advises her not to get a cat because what if you finally found a nice guy and he was allergic?...cautions her not to wear crepe-soled shoes because they were just saying on the news that if you're ever in a plane crash, crepe is no good if you have to go down the slide. Amy also reveals the stories behind the messages and shares calls not available on CD, each one brimming with the worry and annoying comments only a loving mother could dish out. The same warnings and suggestions that had Amy cringing are sure to have you doubled over with laughter. But before you turn the page, take some advice from Amy's mom: Make sure you have plenty of reading light, because squinting causes crow's feet.

Understanding Media Ethics David Horner, 2014-12-01 Our new media landscape of social networking, blogging, and interactivity has forever changed how media content is produced and distributed. Choices about how to gather, evaluate and publish information are ever more complex. This blurring of boundaries between general public values and the values of media professionals has made media ethics an essential issue for media professionals, but also demonstrates how it must be intrinsically part of the wider public conversation. This book teaches students to navigate ethical questions in a digital society and apply ethical concepts and guidelines to their own practice. Using case studies, judgement call boxes and further reading, *Understanding Media Ethics* clarifies the moral concepts in media contexts, and enables students to apply them to practical decision making through real-life worked examples. Covering key topics such as media freedoms, censorship, privacy, standards, taste, regulation, codes of practice and the ethics of representation, this is an essential guide for students in journalism, media, communication and public relations.

The Morels Christopher Hacker, 2013-04-30 A “gripping and mesmerizing” novel about a work of art that tears a family apart (The A.V. Club). The Morels—Arthur, Penny, and Will—are a happy family of three living in New York City. So why would Arthur choose to publish a book that brutally rips his tightly knit family apart at the seams? Arthur’s old schoolmate Chris is fascinated with this very question as he becomes accidentally reacquainted with Arthur. An unmarried aspiring filmmaker who works in a movie theater, Chris envies everything Arthur has, from his beautiful wife to his charming son to his seemingly effortless creativity. But as the story unspools, it becomes all too clear how difficult it is to draw the line between art and obscenity, truth and fiction, revolutionary thinking and brainless shock value, craftsmanship and commerce. *The Morels* explores whether it’s possible to escape the past, and whether it’s possible to save a family by destroying it.

Eats, Poops & Leaves Adam Wasson, 2007-12-18 Because What You Don’t Know, Will Embarrass You. What should you do if your baby shrieks at a wedding or “stealth vomits” on an innocent bystander? How can you use your child to avoid old friends you never liked in the first place? Is there a polite way to encourage cash baby-shower gifts or determine whether or not your babysitter is insane? Are there special rules for parentally impaired drivers? *Eats, Poops & Leaves* has the answers to all these questions and more, offering polite yet innovative solutions to the etiquette situations—from the mundane to the bizarre—that confront all new parents, including: Travel Etiquette: What to do when your baby screams on a plane Workplace Etiquette: How to use your child (or your friend’s!) as an excuse for tardiness and incompetence Beauty Etiquette: Do strangers confuse your bald baby girl for a boy? We’ve got solutions. Lots of books teach you how to change diapers, but this is the first book that will help you trick your spouse into doing it. At last, a hip, hysterical, illustrated etiquette guide to the things new parents really need to know.

Slight Mourning Catherine Aird,2015-05-05 In this classic parlor mystery from CWA Diamond Dagger winner Catherine Aird, Detective Inspector C. D. Sloan investigates a dinner party that ended in murder Twelve friends sit down for supper at Strontfield Park—but only eleven survive the evening. After dinner, the host, William Fent, offers to drive one of his guests home, only to die behind the wheel in a violent accident. The autopsy shows that Fent ingested enough barbiturates to kill a horse. So begins a fresh tale of murder and deceit for Detective Inspector C. D. Sloan, whose list of suspects begins and ends with the surviving dinner guests. Among them are a theologian at the local university; Dr. and Mrs. Washby, whose wedding was the cause for celebration; Ursula Renville, tall, graceful, and utterly aloof; the fat and extravagant Mr. and Mrs. Marchmont; the spinster Miss Paterson; the rector's daughter, Cynthia Paterson; Quentin Fent, heir to the Fent fortune; and Mr. Fent's wife, the now-widowed Helen. Each of the guests had the opportunity to kill William Fent. But which one wanted him dead?

The Calleshire Chronicles Volume Two Catherine Aird,2018-09-04 A set of intriguing British whodunits featuring Detective Inspector Sloan—from a CWA Diamond Dagger winner and “most ingenious” author (The New Yorker). Over the course of twenty-four crime novels set in the fictional County of Calleshire, England, and featuring the sleuthing team of shrewd Detective Inspector C. D. Sloan and his less-than-shrewd sidekick, Detective Constable William Crosby, award-winning author Catherine Aird maintained the perfect balance between cozy village mystery and police procedural. These three entertaining crime novels offer “the very best in British mystery” (The New Yorker). *A Late Phoenix*: In the quaint Victorian town of Berebury, England, a skeleton has been found in the crater of a World War II bomb site. But this corpse is no buried casualty of the Blitz. The cause of death, Detective Inspector Sloan discovers, is a bullet to the spine. *His Burial Too*: Detective Inspector Sloan puzzles over an industrialist crushed under the rubble of an old Saxon church tower. With no eyewitnesses and little evidence, the policeman doesn't seem to have a prayer of solving the case. And then a second body turns up. *Slight Mourning*: Twelve friends sit down for supper at Strontfield Park—but only eleven survive the evening. After dinner, the host offers to drive one of his guests home, only to die in a violent accident. His autopsy shows that he ingested enough barbiturates to kill a horse, and now the guest list is Sloan's roster of suspects.
