112 Prayers That a Youngster Must Pray Adeolu Akin-Abraham, 2009

Called to Pray Linda Evans Shepherd, 2015-09-15 Most of us have felt it: that unexplained prompting in our hearts to stop and pray for a friend, a loved one, or even a stranger. Sometimes we dismiss the feeling as a stray thought about friends, families, or situations. Sometimes we are even awakened from a deep sleep with an even deeper need to go to God in prayer. Where do those urges come from? Are they truly from God? And do those prayers have any effect on the one we're praying for? In *Called to Pray*, Linda Evans Shepherd shares dozens of inspiring true stories of people who have felt God's call to pray--and the astonishing results of those impromptu prayers. For those who wonder if prayer has any effect or doubt that God communicates with us personally, this heart-stirring book will amaze, inspire, and equip them to respond to those

holy promptings.

The Life of Prayer in a World of Science Rick Ostrander,2000-11-02 During the late 19th and early 20th centuries, Christians carried on an intense debate concerning the doctrine of prayer. This ideological revolution affected not only the ways that they interpreted the Bible but also how they prayed. In this book, Rick Ostrander explores the attempts of American Christians to articulate a convincing and satisfying ethic of prayer amidst these changing circumstances.

Prayers to My King Sheri Rose Shepherd,2009-10-21 Prayers to My King is a beautiful gift book created to help women connect intimately with their God. Where the first book in the His Princess™ series reminded us that we are loved intimately and unconditionally by our King, this second book helps us express our deepest thoughts, desires, fears and failures by emulating King David in the Psalms and crying out to God through prayer. Christian women will gain a personal, dynamic prayer life. You want to feel God's presence... embrace His promises... cry out to Him... ...but don't know how! From your heart's deepest cry to life's joyful praises, nothing is off limits to Him. Go confidently now before His throne as you claim these powerful prayers as your own. He hears every word. He's waiting to hear from you. If from there you will seek the Lord your God, you will find Him if you seek Him with all your heart and soul and life. Deuteronomy 4:29, AMP Story Behind the Book "Too many of God's "chosen ones" don't know how to have a real relationship with their Lord. We

want to feel His presence, but we don't know how to let Him in. We want to see His promises come true, but we don't believe they are for us personally. We want to experience His power, but we keep trying to live life in our own strength. We want to cry out to Him, but we're afraid to break down and admit that we're weak. My prayer for this book is that women of God will have a personal, life-changing prayer life and be transformed into the daughters of the King they were destined to be from the beginning."

Radical David Platt, 2010-05-04 New York Times bestseller What is Jesus worth to you? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In *Radical*, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a successful suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in The Radical Experiment -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring.

The Beatitudes and the Lords Prayer John C. Martin III, 2003-09-04 Reverend John Martin, III diligently and faithfully expounds upon the most profound words of the Christ. You will find John Martin loyal to Jesus and faithful to Matthews God-breathed text. It is as if Reverend Martin forces the text through the winepress and brings forth a rich

glass of royal vintage that brings honor to the King of vineyard. Pastor Martin is faithful to his maxim that theology is practical. Maintaining his high view of the church and his love for the Lords sheep, John Martin imparts the Lords Prayer and the Beatitudes in a manner that exhorts the Christian, This is the way, walk ye in it. Is Martin a moralist as so many who take on these passages? God forbid! Martin is no moralist. He presents the beatitudes of Jesus as the characteristics of those who have partaken of the new birth. I have heard these sermons. They are robust and powerful. Reverend Martin has the fire of Knox, the precision of Calvin, the compassion of Luther, the humility of Edwards, and the potency of Rushdoony. May our gracious Lord bless your understanding of His word as presented by His servant, John. Rev. Gerald Tritle

Lord, Teach Us to Pray John T. Willis, 2023-07-07

Prayer is a major biblical topic. The Bible teaches readers the nature, purposes, intentions, and practical applications of prayer in diverse circumstances and situations. The Bible presents different expressions of prayer, major examples of prayers, presuppositions of prayer, various types of prayer, God's diverse answers to different prayers in different circumstances, and nonverbal gestures about prayer. This book attempts to deal with difficult issues such as imprecation or curse prayers, address controversial biblical passages and concepts such as Ps 51 or Rom 8:26-27, and emphasize important similar connections between different biblical texts such as 1 Sam 2:1-10; Ps 113:5-9; Luke 1:46-55; 2 Sam 7:18-29; or 1 Chr 17:16-27.

Pedagogy, Prayer and Praise Catherine

Petrany, 2015-10-20 The presence of didactic, wisdom-like passages in the Book of Psalms presents a puzzle because it suggests a non-liturgical origin and pedagogical aim distinct from the more dominant psalmic language of lament and praise. Catherine Petrany argues for a literary and theological approach to the question of wisdom's role in the psalms that accounts for its meaningful integration with these other kinds of discourse. The unique contextualization of wisdom motifs in the psalms creates a pedagogical platform unique to the book, one related to but distinct from the pedagogies of the biblical wisdom corpus. Human wisdom speech in the psalms points beyond the classroom to the congregation and asks its hearers to become speakers, that is, to enter into conversation with the divine.
