How to Pray Pete Greig,2019-10-01 Pete Greig is a worldwide authority and the face of a generation when it comes to prayer. One of the founders of the 24-7 prayer movement, he has seen, experienced, and chronicled amazing works of God in the world. While you might imagine him to be puffed up, Pete Greig is entirely the opposite. He is enchanting, down-to-earth, friendly, and most of all, very normal—and yet he tells preposterous tales about prayer (and they're true). He is basically a regular dude who loves to talk with God. How to Pray is written to evoke a passion for prayer in everyone—the committed follower of Jesus as well as the skeptic and the scared. The enormous blessing of How to Pray is that it is accessible, full of surprising stories of answered prayer, and tremendously engaging. The basic idea is that prayer is a conversation between you and God. Pete Greig demystifies and reenchants prayer, helping you to find prayer achievable and enjoyable, and ultimately life-giving and life-changing. How to Pray is designed to be used together with The Prayer Course (a free video curriculum associated with the Alpha course), making it useful for personal and group or church-wide reading.

Learning to Pray James Martin,2021-02-02 NEW YORK TIMES BESTSELLER “A smart, wise, often side-splittingly funny master class in seeking God. Any spiritual seeker—from atheist to professional religious—will cherish this bravura tome from one of our great spiritual guides, in the lineage of C. S. Lewis, Henri Nouwen, Thomas Merton, Gandhi, and Mother Teresa. Hallelujah & amen!”—Mary Karr, author of Lit and The Liar's Club One of America's most beloved spiritual leaders and the New York Times bestselling author of The Jesuit Guide to (Almost) Everything and Jesus: A Pilgrimage teaches anyone to converse with God in this comprehensive guide to prayer. In The Jesuit Guide to (Almost) Everything, Father James Martin included a chapter on communicating with God. Now, he expands those thoughts in this profound and practical handbook. Learning to Pray explains what prayer is, what to expect from praying, how to do it, and how it can transform us when we make it a regular practice in our lives. A trusted guide walking beside us as we navigate our unique spiritual paths, Martin lays out the different styles and traditions of prayer throughout Christian history and invites us to experiment and discover which works best to feed our soul and build intimacy with our Creator. Father Martin makes clear there is not one secret formula for praying. But like any relationship, each person can discover the best style for building an intimate relationship with God, regardless of religion or denomination. Prayer, he teaches us, is open and accessible to anyone willing to open their heart.

Together We Pray: a Prayer Book for Families , Together We Pray is a book of prayers written especially for families with children. It brings together grandparents, parents, older children, and even the youngest child to give thanks and to ask for God's help and mercy for the family and for the world. The prayers offered in Together We Pray are inspired by the Psalms of the Bible, scripture shared by Jews and Christians. They include prayers for the table, devotional prayers, and memory prayers that young children can easily understand. The prayers for table and devotion begin with a line or two from the Psalm in which the prayer is rooted and celebrate the good things of life just as the Psalms do--food, joy, home, love, and more. They also express a concern for other people and places around the world. For so many families, life today seems fast-paced and chaotic. Stopping for a moment to breathe, pausing and expressing thanks and gratitude to God, can be very powerful, even if the pause is relatively brief. Together We Pray helps families to take that pause, to share in God's love and grace, and to do so in the most profound and lasting way--together as a family.

Why We Pray William Philip,2015-02-17 Prayer is foundational to the Christian life, but many people don't really understand it. What is it for? How does it work? Why do we do it? This short and accessible book explains what prayer is, why it exists, and how it can encourage us in our life of faith. Written by a pastor with years of teaching and counseling experience, Why We Pray doesn't simply tell readers why they should pray, but instead focuses on four blessing-filled reasons that will help Christians want to pray. Rather than feeling discouraged and disheartened by their inconsistency in prayer, readers will feel reinvigorated to approach God with confidence and joy, delighted by the privilege of talking directly to their loving heavenly Father.

Pray All Ways Edward M. Hays,2007 This new edition of Hays innovative book on prayer provides a unique interpretation of the biblical command to pray always--a call to pray creatively, at all times, and in every circumstance.

A Comedian's Prayer Book Frank Skinner,2021-04-01 A Comedian's Prayer Book. The title is a worry, isn't it?... God is a tough audience as far as audible response is concerned, but at least you don't have to explain the references. In this collection of prayers, much-loved comedian, broadcaster and radio host Frank Skinner has tried to retain the bare candour of the rehearsal-room improvisation - to show what faith feels like, from the inside - but infused it with all the production values required to make it a passable public entertainment. In it are his convictions, his questions, his fears, his doubts, his elations - all presented in an eavesdropper-friendly form. Hell, Judgement, atheism, money, faith and the X-Men all feature: it's a bit like reading the Bible, except you only get one side of the conversation, and all the jokes are left in.

How to Pray R. A. Torrey,2007-10-01 The intelligent child of God must be driven to say, 'I must pray, pray, pray. I must put all my energy and all my heart into prayer. Whatever else I do, I must pray.' Stunning and forthright, R.A. Torrey's little book on prayer is a reflection of the writer who once had it said about him, One wonders if there has ever lived a man who did so many things well for Christ. Torrey deals with the key elements of life-changing prayer, such as praying in the Spirit, abiding in Christ, obstacles to prayer, the best times to pray, seeking revival through prayer, and more. Torrey outlines a practical strategy for living life in conversation with God. Moody Classics Of all the factors influencing our spiritual growth and development, pivotal books play a key role. Learning from those who have walked the path and fought the fight brings wisdom and strengthens resolve. And hearing the familiar chords of kingdom living sung by voices from other times can penetrate cultural barriers that limit our allegiance to the King. To this end, Moody Publishers is honored to introduce the first six volumes in what is to be an ongoing series of spiritual classics. Selected for their enduring influence and timeless perspective, these new editions promise to shape the lives of spiritual pilgrims for generations to come.

A Better Way to Pray Andrew Wommack,2007 After nearly four decades of ministry, Andrew Wommack has discovered some important truths about prayer. His prayer life is much different than it was thirty years ago and the results have dramatically improved! You may be asking many of the same questions Andrew once did. Is prayer my Christian duty? Is prayer primarily about asking God to meet my needs and the needs of others? Is God's answer to my prayer based on the degree of my humility and sincerity? Is answered prayer a sovereign decision of God or do I have the ability to influence Him? Clear, scriptural answers to these questions and more could significantly change the way you pray. These principles may not be the only way to pray, but if you're not getting the results you desire, consider changing directions; maybe there is A Better Way to Pray.
