Direcry Byron Paulus, Bill Elliff, 2014-03-01 OneCry: A Call to Spiritual Awakening is a challenge, a plea for readers to shake off spiritual apathy and wake up to the hope of God moving with extraordinary power in our day. It paints a picture of both desperation and hope; without spiritual revival our country has no hope, but when it comes we will need no other hope. Drawing on an abundance of stories from ordinary people who have experienced the power of life-changing revival in their own lives, this books provides a contemporary roadmap for spiritual awakening and real revival. Passionate and story-rich, OneCry engages readers to seek God urgently at this moment in history, it inspires them with hope for what God can do, and it invites them to join a growing movement of believers who are uniting in one cry for revival and spiritual awakening. It is a summons to join together in a single focus: passionate prayer for revival in our nation like hasn't been seen in nearly two hundred years.
