**To Light Their Way** Kayla Craig, 2021-10 Prayers to guide your journey of raising kids in a complicated world. In an age of distraction and overwhelm, finding the words to meaningfully pray for our children--and for our journey as parents--can feel impossible. Written with warmth and welcome, *To Light Their Way* gives voice to your prayers when words won't come. Filled with more than 100 modern liturgies, this book guides you into an intentional conversation with God for your children and the world they live in. From everyday struggles like helping your child find friends or thrive in school to larger issues like praying for a brighter world rooted in peace and truth, these pleas and petitions act as a gentle guide, reminding us that while our words may fail, God never does. At the core of *To Light Their Way* is the deepest of prayers: that our children will experience the love of God so deeply that their lives will be an outpouring of love that lights up the world.

**Radical** David Platt, 2010-05-04 New York Times bestseller What is Jesus worth to you? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In *Radical*, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a successful suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in The Radical Experiment -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring.

Albert Mohler, Jr. When you pray, does it ever feel like you're just saying the same old things about the same old things? Whitney, best-selling author of *Spiritual Disciplines for the Christian Life*, outlines an easy-to-grasp method that has the power to transform our prayer life: praying the words of Scripture. **Praying the Most Holy Rosary** Shalone Cason, 2020-03-25 When Catholics recite the prayers of the rosary, we shouldn't just recite the prayers, but we should meditate on the grace of God. With an image for each prayer, it is now easier to meditate on the mysteries of the Most Holy Rosary. This book contains over 200 full-color images of classic masterpieces from 100 to 1,000 years ago as well as all the prayers that are necessary to engage in this wonderful devotion.

Ninety Prayer Images Joseph G. Vandenheuvel, 2014-01-16 Joseph G. VanDenHeuvel sees prayer as God's gift: Flower petals on my path, pure joy in my heart. *Ninety Prayer Images* embodies a two-pronged approach to promote peaceful meditation: each prayer is accompanied by a black and white photograph celebrating nature, God's exquisite creation. Intermittently the story of the prayer's development is included. Under a sky of blessing I walk. A carpet of gifts beneath my feet, writes Joseph. This book was produced by a psychologist-photographer of deep faith and prayer, a member of the cloud of witnesses on prayer. With your heart, dwell in and commune with the Absolute Mystery whom these photographs and prayer-poems evoke, like a finger pointing at the moon, says Dr. Peter C. Phan, the Georgetown University theologian. Writing these prayers and taking these photographs has been a privilege I could never have imagined, says Joseph. It brings to fruition much of what I have done in my life as a spouse, a father, a psychologist, a photographer, a human being.

Pointing to some of the recognizable landmarks on this journey, as well as to its ultimate destination, Father Keating addresses common questions regarding contemplative practice: How will it affect my life? Where does it lead us spiritually? What obstacles will I encounter along the way? How does it work? Following on from Open Mind, Open Heart, this book establishes a dialogue between the insights of contemporary psychology and the classic Christian spiritual masters, providing a solid conceptual background for the practice of Centering Prayer. This is a practical book, articulating the stages of the process of spiritual growth, and outlining how we might develop a deeper relationship with God and move from contemplation to action.

**Calling on God** Peter Bankson,Deborah Sokolove,2014-09-10 Fresh, inclusive, creation-conscious prayers to nourish your soul—and the soul of your worship community. We are called to name the extravagant wildness of God, the overflowing abundance of creation, and the deep aching need of a broken world in new words and images that speak to contemporary concerns.... [These prayers] are an invitation to pray boldly. —from the Introduction This special prayerbook is for today's Christians who find comfort in the rhythm of the traditional lectionary but long to connect with God in ways that are satisfying to the modern heart and mind. Founded on creativity, inclusivity and sharing, it encourages us to remember the divine elements of the natural world around us as we express our hopes and fears for others and ourselves. Inspiring words help us give thanks for human inventions and lament the evils of poverty, violence and oppression of all kinds while remaining mindful of God's promises of healing for a broken world. Following the annual procession of the seasons with prayers that are appropriate for personal devotion as well as for use in leading worship, these new ways to call on God will feed your soul and inspire you to find your own fresh language for thanksgiving, praise, intercession and petition, whether in your community or personal spiritual life.

**The Greatest Prayer** John Dominic Crossan,2011-08-23 Every Sunday, the Lord's Prayer echoes in churches around the world. It is an indisputable principle of Christian faith. It is the way Jesus taught his followers to pray and distills the most essential beliefs required of every one of the world's 2.5 billion Christians. In The Greatest Prayer, our foremost Jesus scholar explores this foundational prayer line by line for the richest and fullest understanding of a prayer every Christian knows by heart. An expert on the historical Jesus, Crossan provides just the right amount of history,

scholarship, and detail for us to rediscover why this seemingly simple prayer sparked a revolution. Addressing issues of God's will for us and our response, our responsibilities to one another and to the earth, the theology of our daily bread, the moral responsibilities that come with money, our nation-states, and God's kingdom, Crossan reveals the enduring meaning and universal significance of the only prayer Jesus ever taught.

"Get lost in the beauty of the photographs in *Patterns of India*, a striking journey through the colorful Indian state of Rajasthan."—BuzzFeed *Patterns of India* is a visual experience that offers intimate insights into the diverse and richly hued Western Indian culture. Organized by the five dominant colors royal blue, sandstone, marigold, ivory, and rose, this book explores how deeply color and pattern exist in a symbiotic relationship and are woven into every part of the culture. For instance, the fuchsia found in the draping fabric of a sari is matched by the vibrant chains of roses offered at temple, and the burnt orange spices in the marketplaces are reflected in the henna tattoos given to brides and wedding guests. While every color is imbued with meaning, it is often within the details of patterns that the full story comes to light. With history and culture-based essays woven throughout the more than 200 stunning photographs of architecture, markets, cuisine, art, textiles, and everyday goings-on, *Patterns of India* captures the beauty and essence of this unique part of the world.
