Silver to Gold William Cox,2014-08-22 This guide is for the new investor, the beginner who is just starting out trading physical precious metals. It should also be of value to anyone who owns or would like to own gold and silver. It will help you understand the value of precious metals, how they are priced, how they are traded, and help you negotiate with a company salesperson or dealer. Most people want to know what their jewelry or old coins are worth or how much they should have to pay for gold or silver items. Unfortunately, they have to rely on someone else's opinion and estimate. This guide will give you the basic rules about gold and silver investing. It will help you understand how Spot Price, Purity, and the Troy Ounce are used to easily calculate Melt Value. Then you can estimate an item's worth for yourself. The products covered in this book are the ones that are most commonly found in magazine advertisements, on TV, and online. There are descriptions, tables, and photos of bullion coins, bars, and collector coins to help you identify the different types of products. This guide includes weight and price conversions using basic math that is simple to understand. It will also give you one easy formula for estimating any precious metal's value. The author of this guide is an investor who has been trading equities and precious metals for the last 29 years. He wrote this guide for the beginner to simplify the basics of trading physical gold and silver. In this book, he also lists his own personal rules for buying and selling precious metals. This guide will give you the information you need to shift the advantage from the dealer to you, the investor.

Cashing in on the Scrap Gold Business.....the Revised I Told You So Edition by Richard Frankel Richard Frankel,2008-05-14 In 2008,history was made when the price of gold exceeded the historic Boom of 1980.While people missed out,Richard Frankel was smack dab in the middle of it.He knew then that this would be the only business for him. When history repeated itself,he decided to re-release his manual with nuances to prepare his readers. No trade secrets are left out.Basic and vital fundamentals are discussed. Testing gold,silver,and platinum as well as diamonds and coins are discussed.Lessons on how to weigh precious metals,determine value, and sell according to the metals market.This manual will even educate you on how to sell resalable jewelry that was purchased as scrap.Above all,how to find prospects.Advertising on a shoe string budget and ways to diversify during slow peaks are discussed at length.This manual is not limited to the gold business since the underlying current is about believing in yourself.This just may be an important tool to own for anyone who wishes to get ahead no matter what business you choose to be in.

Precious Metals Investing For Beginners: The Quick Guide to Platinum and Palladium Alex Nkenchor Uwajeh,2015-01-31 Precious Metals Investing For Beginners: The Quick Guide to Platinum and Palladium This book covers the basics and also what you need to know about investing in platinum and palladium - For Beginners Platinum and to a lesser degree, palladium is considered a precious as well as an industrial metal. The primary driving price of platinum and palladium is their industrial use and the largest demand for platinum and palladium is in the automotive industry. Investors turn to these precious metals as substitutes for silver and gold. It is true that platinum and palladium are in high demand and their special properties make them perfect for diversifying a precious metals portfolio. Building wealth by using platinum and palladium has appeal as an inflation hedge due to its industrial usages. How to Profit in Gold: Professional Tips and Strategies for Today's Ultimate Safe Haven Investment Jonathan Spall,2010-09-10 A golden investing opportunity you can't afford to miss! As most investors know, gold is a safe haven asset that can actually increase in value during stock market slumps and recessions. But what else do you really know about this commodity? Are you taking full advantage of it? Do you know how to work it into your overall investment strategy? How to Profit in Gold is a comprehensive tutorial on making gold a profi table part of your investment strategy. Jonathan Spall, a 25-year veteran of the precious metals market, provides an inside look at how the precious metal is traded and priced, along with valuable insight into gold's unique position in the marketplace. Filled with practical advice designed to help you get started right away, How to Profit in Gold explores such topics as: Simple and complex gold trading processes The pivotal role central banks play in the gold market Gold exchange-traded funds (ETFs) How spot gold is traded Why gold mining companies have traditionally hedged, and why they no longer do so Strategies for investing in the retail market Spall provides an extensive glossary of terms you'll need to know, and he debunks various myths regarding this market, including the Fed's supposed scheme to keep gold prices artificially low during the 1990s. The effects of global economic growth, the weakened dollar, the credit

crunch, and the recent creation of enormous funds each affect the gold market; put them together and they add up to potential profits gold investors have never before dreamed of. Gold is a surprisingly small market. When you learn how to navigate it, the potential for excellent rewards becomes evident. Can you afford not to start investing in gold?
