The Old Pro Turkey Hunter Gene Nunnery, 2018-10-15 During his life, Gene Nunnery was recognized as a master turkey hunter and an artisan who crafted unique, almost irresistible turkey calls. In *The Old Pro Turkey Hunter*, the vaunted sportsman shares over fifty years of personal experience in Mississippi and surrounding states, along with the decades-old wisdom of the huntsmen who taught him. Throughout the book, his stories make clear that turkey hunting is more than just killing the bird--it is about matching wits with a wild and savvy adversary. As Nunnery explains, To me that's what it's all about: finding a wise old gobbler who will test your skill as a turkey hunter. Through his stories, Nunnery reveals that the true reward for successful turkey hunting lies in winning the contest, not necessarily exterminating the foe. Real sportsmen know that every now and then the turkey should and will elude the hunter. As Nunnery looks back on his extensive career, he analyzes vast differences in practice, old and new. The shift, he decides, came during his last twenty years on the hunt, and that difference has only increased in the decades since this book was originally published. Michael O. Giles, Bass Pro staff team member, master turkey hunter, and award-winning outdoors writer and author of *Passion of the Wild*, writes a new foreword that brings the practice of turkey hunting into the present day. Filled with a tested mixture of common sense and specific examples of how master turkey hunters honor their harvest and heritage, *The Old Pro Turkey Hunter* is the perfect companion for the novice or the adept.

Perfect James Buckley, Jr.,2012-04 Among baseball achievements, the perfect game--one in which no runners reach base--remains the greatest. Though many have come close, only 20 pitchers have achieved such perfection in more than a century of baseball. This exhaustive compendium examines the fascinating story behind every perfect game and uncovers details both great and small, illuminating the majesty of these titanic achievements. The faithfully narrated record of all 20 games--punctuated by statistics, trivia, little-known anecdotes, and personal memories from both witnesses and the pitchers themselves--gets inside the minds of the players who made baseball history. In addition to profiling some of the game's greatest pitchers, such as Cy Young, Sandy Koufax, and Randy Johnson, or others including Charley Robertson who had otherwise unremarkable careers, this updated edition features new chapters devoted to Dallas Braden, Mark Buehrle, and Roy Halladay, the three latest pitchers to throw a perfect game, and a comprehensive appendix profiles several pitchers who almost achieved perfection.
