**The Presidents of the United States of America** Nicholas Best,2001-01

**Presidents of the United States of America Workbook** Okyere Bonna, MBA,2007-11-15 The presidency of the United States has evolved, taking different shapes and form over the years since the Founding Fathers of the United States created the office at the Constitutional Convention in 1787. The Constitution which went into effect in 1787 then embodied a small, rural Republic of but 13 States located along the eastern seaboard of present day United States. The population of the Union was only 4 million. However it carried slight weight in international affairs. During the following span of time, the Union has grown into an urbanized, industrial country of 50 States extending as far westward as Alaska and Hawaii. The population now exceeds 215 million, and the Nation ranks as a leading global super power. Along side the growth and power of the United has been a remarkable increase in the scope and influence of the Presidency over the years especially in the 20th and 21st centuries.

**Presidents of the United States (a TIME for Kids Book)** Editors of TIME For Kids Magazine,2017-01-10 TIME For Kids presents a complete overview of our nation's chief executives from George Washington to the newly elected 45th president! Did you know that James Monroe was the first president to appear without a wig in public? Or that George W. Bush appointed the first African-American secretary of state? Presidents of the United States invites the reader inside the White House to discover fascinating facts about the U.S. commanders-in-chief-their origins, accomplishments, and place in history-as told through famous quotes, important historical dates, and a timeline of events. Special sections cover the election process, the branches of government, and the role of presidents in the expansion of our nation from before the 13 colonies through westward expansion. With more than 200 photographs, illustrations, portrait reproductions, and maps.

**The Presidents of the United States: From Washington to Pierce, Comprising Their Personal and Political History (1852)** John Frost,2009-05 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.
