Buy Gold and Silver Safely Doug Eberhardt,2010-09-02 We Americans are never taught anything about gold and silver through our education system. That's why many gold dealers are able to easily rip off unsuspecting buyers of gold and silver.Financial advisors and journalists aren't giving you the truth either, as to how gold and silver fit into a properly diversified portfolio. So naturally, people are looking for answers.Buy Gold and Silver Safely provides those answers by explaining why gold and silver need to be a part of everyone's portfolio, and helping people learn about buying or selling gold and silver... the safe way.

Gold (Routledge Revivals) Rae Weston,2013-05-13 First published in 1983, this book provides a comprehensive view of gold and gold trading in its many facets, and identifies those sources of information that are important for an understanding of the world’s gold markets. The author looks first at gold’s changing role since 1960; in particular, the change from the fixed price to the present free market determination of price. The different forms the demand for gold takes – bullion, paper or in fabricated forms such as jewellery – are explained in detail. This is followed by an analysis of the supply side – new gold production and the circulation of existing old gold. The survey concludes with an assessment of the gold market and of gold prices now and in the future.

The Monetary History of Gold Mark Duckenfield,2016-06-16 This title presents a collection of documents relating to the monetary history of gold from the 17th century up to the present, covering specifically the rise of the gold standard, its heyday, and the period following.

The Case for Gold William Rees-Mogg,2017-09-29 The role of gold in the world's exchange system has been hotly contested by leading economists. This work collects the most important arguments in favour of gold, including such works as David Ricardo's High price of Bullion and W. Stanley Jevons's Money and the Mechanism of Exchange.
