Princess Coloring Book for Kids Kara Wise,2020-04-29 This coloring book about princess is going to be the one that your kids will always remember. Are you looking for an exciting book to teach your children to color and write? This 50 pictures coloring book for kids then is perfect for you! I have two kids, six and nine, and I have always had the passion for drawing. My professional career took my talents towards other tasks, but I never stopped exercising and fueling my passion whenever I got free time. Back when they grew up a bit and started to get interested in colors, pens and pencils, I started to draw basics forms, letting them express themselves in the most creative way possible. I do believe our children nowadays spend too much time with virtual entertaining rather than listening to stories, drawing and coloring books. Yes, from time to time letting them watch a Youtube video makes sense because they are happy and you can get some relax, but if we focus on what is really the best for developing their skills, there are no doubts that interactive entertainment should be preferred to the passive one. This is how this book has born. Coloring books is a basic and extremely educational activity. I am so glad I can share it, making sure boys and girls from all over the world can start learning, drawing, coloring and reading with my models. It will help your kids to get smarter, training and teasing their brain since the very beginning of their lives. Do your children love the PRINCESS WORLD? The big pictures of the book are themed on the princess world and its magic, a journey between queens, knights, magic animals and much more to discover. In this book you will find 50 easy pictures to color, perfect for kids aged 2-4 and 4-8, many of them having different ways to interact with the final result. Your kids will be able to: color the pictures, deciding the right match for each section of the drawing name the subject as they please, exercising their writing skills fill the balloons, letting the characters speak out loud spend family quality time exercising their fantasy and minds I hope you as well as your children will enjoy this coloring book, spending quality time together and feeling proud of the result.
