*Match You* Deana Farrady, 2023-12-11 One week to teach her the ways of love. Three weeks to find him a wife. Former virgin Janey Pankowski accepts the reality of her situation. Once their bedroom tutoring arrangement comes to an end, she and Nyall will settle into a friendship consisting of occasional meetups for scones and coffee. She will advance to a more suitable man, perhaps an insurance adjuster who drives a beige sedan, while Nyall will resume his glamorous life in his French chalet and go back to his many mistresses. For plain folk like her and fancy folk like him, that's the way the world works. She'll even help him find his romantic destiny. She'll gather up a bevy of beautiful, successful women from which he'll be able to pick a fiancée appropriate to his position. And if it hurts her heart? She'll deal with it. Nyall is counting on her to find him the perfect wife. She also secretly hopes that planning the Charming Cinderella Ball will ease the ache of waking each morning cradled in his arms, his hungry lips moving over her body. Yep, her matchmaking plan should provide excellent closure for their temporary bargain. There's only one small problem with the plan. Nyall keeps sabotaging it. A steamy romantic comedy. Note: This is

Book 2 in a 2-book series. It follows directly after the events in Book 1.

**Olette** Jessica Corbett, Reatha Corbett, 2017-02-03 Olette woke up with her skin feeling cool to the touch. Someone had their arm around her bare waist. She sat up in the bathtub that had become her bed for the night. She stepped out of the tub and looked back to see Cloud still sleeping in the tub. Why is he here? Does he love her or is he really a traitor? Why is she sleeping in the bathtub with him? She looked around the room and empty liquor bottles were strewn all over the bathroom floor. Her head hurt. Where are her clothes? What in the world happened last night? Her journey, her mission had been long and hard. It had taken her through a time when there were no limits on magical powers, mystical creatures and supernatural forces that could take the world into a time of total darkness of evil. How did that journey end up in a tub? She had a mission to save the world from her fathers evil plans to use her as his instrument of death that would give him life again. She had been focused on that mission to prevent him from becoming immortal and his death squad from conquering the world. Her mission and journey had been a battle of survival. But the real battle was yet to come. Will she ever be freed from the curse of her father? Will this journey ever come to an end? When will this battle be over?
