**Lore** Alexandra Bracken, 2021-01-05 From the #1 New York Times best-selling author of *The*

Darkest Minds comes a sweepingly ambitious, high-octane tale of power, destiny, love, and redemption. Every seven years, the Agon begins. As punishment for a past rebellion, nine Greek gods are forced to walk the earth as mortals. They are hunted by the descendants of ancient bloodlines, all eager to kill a god and seize their divine power and immortality. Long ago, Lore Perseous fled that brutal world, turning her back on the hunt's promises of eternal glory after her family was murdered by a rival line. For years she's pushed away any thought of revenge against the man—now a god—responsible for their deaths. Yet as the next hunt dawns over New York City, two participants seek her out: Castor, a childhood friend Lore believed to be dead, and Athena, one of the last of the original gods, now gravely wounded. The goddess offers an alliance against their mutual enemy and a way to leave the Agon behind forever. But Lore's decision to rejoin the hunt, binding her fate to Athena's, will come at a deadly cost—and it may not be enough to stop the rise of a new god with the power to bring humanity to its knees.

*The Last to Vanish* Megan Miranda, 2022-07-26 INSTANT NEW YORK TIMES BESTSELLER

“This eerie thriller...can stand next to Shirley Jackson's *The Haunting of Hill House* and Stephen King's *The Shining*.” —Booklist (starred review) New York Times bestselling author Megan Miranda returns with a gripping and propulsive thriller that opens with the disappearance of a journalist who is investigating a string of vanishings in the resort town of Cutter's Pass—will its dark secrets finally be revealed? Ten years ago, Abigail Lovett fell into a job she loves, managing The Passage Inn, a cozy, upscale resort nestled in the North Carolina mountain town of Cutter's Pass. Cutter's Pass is best known for its outdoor offerings—rafting and hiking, with access to the Appalachian trail by way of a gorgeous waterfall—and its mysterious history. As the book begins, the string of unsolved disappearances that has haunted the town is once again thrust into the spotlight when journalist Landon West, who was staying at the inn to investigate the story of the vanishing trail, then disappears himself. Abby has sometimes felt like an outsider within the community, but she's come to view Cutter's Pass as her home. When Landon's brother Trey shows up looking for answers, Abby can't help but feel the town closing ranks. And she's still on the outside. When she finds incriminating evidence that may bring them closer to the truth, Abby soon discovers how little she knows about her coworkers, neighbors, and even those closest to her. Megan Miranda brings her best writing to *The Last to Vanish*, a riveting thriller filled with taut suspense and shocking twists that will keep you guessing until the very end.
