*Money for the Cause* Rudolph A. Rosen, 2012-09-10 There has never been a greater need for raising the funds necessary to promote the causes that will help build a sustainable future. In *Money for the Cause: A Complete Guide to Event Fundraising*, veteran nonprofit executive director Rudolph A. Rosen lays out field-tested approaches that have been among those that helped him and the teams of volunteers and professionals he has worked with raise more than \$3 billion for environmental conservation. As Rosen explains, fundraising events can range from elite, black-tie affairs in large cities to basement banquets and backyard barbeques in small-town America. *Money for the Cause* runs the gamut, demonstrating methods adaptable to most situations and illustrating both basic and advanced techniques that can be duplicated by everyone from novice volunteers to experienced event planners. Each chapter begins with a pertinent, real-life anecdote and focuses on major areas of event fundraising: business plans and budgets, raffles and auctions, tax and liability matters, contract negotiation, games and prizes, site selection, food service, entertainment, publicity, mission promotion,

food and drink service, and effective team building and use of volunteers. The author applies each topic to the widest possible range of events, providing practical detail and giving multiple examples to cover the differences in types of organizations and their fundraising activities. *"Gone, but Not Forgotten"* LaDon Vinnett-Thompson, 2016-08-19 This book pays tribute to my father, Alvin Charles Copeland, Sr. My father was a great man with a great heart for people. He loved life and winning in life. He was successful because he prioritized people and family over materialistic things. He was a winner that lived for a challenge. As the eldest son, I am proud and humbled to have the opportunity to continue his legacy and fulfill the tasks he left behind. I am honored to endorse this book as a motivational tool for anyone who may be facing a challenge, setback, or obstacle in this life. My father never gave up on life in spite of disappointments; he was relentless about making the best of any situation. During his battle with cancer, my father never gave up. He was a born leader, motivating father, and a man of influence. As you read the pages of this book, I know you will be encouraged to live your life to the fullest. I know that something in my father's life will help motivate you to face every circumstance, or setback with a winning attitude. Today I challenge you to take on the attitude of a champion. Champions are determined risk-takers that are often the center of attraction. Champions never die; they just live out their lives through others once they pass away. Thank you for helping me pay tribute to a true champion, Al Copeland, Sr.
