

Pro Deer Calls 10

Yan Bai

How to Hunt Deer Like a Pro John Phillips, 2017-10-11 How do you know if the land you hunt has a trophy deer on it? Wildlife manager Bob Zaiglin, of Uvalde, Texas and Jim Crumley, the father of modern-day hunting camouflage, tell you how to find out. GPS can make finding and taking that trophy buck easier. This hunting guide will teach you how to hunt big bucks where no one else can find them, how to call deer, and how to become versatile as a deer hunter, so that if one deer tactic doesn't work, another one will. Dr. Keith Causey, retired professor of Wildlife Science at Auburn University, says, Deer of both sexes and all ages leave a wide variety and a large amount of information for other deer in their geological locations at scrapes. Although most people believe that dominant bucks in an area utilize these signposting regions, other deer use these signposts too for information. In the chapter, How to find Bucks at Scrape, Causey describes the best way to hunt a scrape. Brad Harrison of Neosho, Missouri, is a nationally-known videographer, professional deer hunter and master at calling deer. Another master is Will Primos of Primos Game Calls. These two experts will tell the best deer calls and when to use them in this book. One question that's mystified deer hunters for many years, is how to know when bucks move. And for over 20 years, Bo Pitman, lodge manager of White Oak Plantation, has been studying deer movement patterns. He explains what types of conditions are best for predicting deer movement. How do you hunt deer in the snow? Norm LeBrun, of Quebec, Canada, a guide at Anticosti Island, hunts deer in the snow almost all year long and provides timely insights on how and where to take big bucks under these conditions. Eddie Salter lives in Alabama and Mark Drury in Missouri, and these two master deer hunters give you hunting tips for when the weather is hot and for hunting in swamps. Dr. Robert Sheppard tells you about some tricks that bucks play on whitetail deer hunters. There are also two chapters on how to hunt bucks at the end of deer season and a chapter on how to train bucks to come to you, so you don't have to go find them. For 50 years, I've been studying and hunting with some of the best whitetail hunters from around the country and in Canada, and this book is the combined knowledge of these time-tested, deer-hunting professionals. If you want to learn how to be a hunter, you need to have this book.

Call of the Mild Lily Raff McCaulou, 2012-06-12 From an outsider perspective learning about a sometimes misunderstood cultural pastime, a beautifully written and contrarian narrative about what it means to hunt in America today. When Lily Raff McCaulou traded in an indie film production career in New York for a reporting job in central Oregon, she never imagined that she'd find herself picking up a gun and learning to hunt. She'd been raised as a gun-fearing environmentalist and an animal lover, and though a meat-eater, she'd always abided by the principle that harming animals is wrong. But Raff McCaulou's perspective shifted when she began spending weekends fly-fishing and weekdays interviewing hunters for her articles, realizing that many of them were more thoughtful about animals and the environment than she was. So she embarked upon the project of learning to hunt from square one. From attending a Hunter Safety course designed for children to field dressing an

elk and serving it for dinner, she explores the sport of hunting and all it entails, and tackles the big questions surrounding one of the most misunderstood American practices and pastimes. Not just a personal memoir, this book also explores the role of the hunter in the twenty-first century, the tension (at times artificial) between hunters and environmentalists, and new models of sustainable and ethical food procurement.

Shooter's Bible Guide to Deer Hunting Peter J. Fiduccia,2019-05-21 A Deer Authority's Best Tips from Decades in the Field As a seasoned hunter, host of a hunting television show, and acclaimed author and editor, Peter J. Fiduccia has amassed prodigious experience in pursuit of the whitetail. Now, he shares his tips, tactics, and techniques with readers, touching on every topic related to hunting whitetail deer. Some of his tips include: Core Areas: key strategies to take a buck in his core area Deer Calls: surefire advice to guarantee a buck will respond to grunt calls Using Scents: a radical scent tactic reveals how to attract bucks during the rut Shot Placement: how to regularly make dead-on one-shot kills Wounded Deer: methods that will drastically improve your tracking skills Scrape Hunting: fail-proof strategies to flush out a mature buck Weather: up your buck hunting success using barometric pressure and weather fronts Terrain: how to identify the places mature bucks regularly travel Fiduccia covers these and many more subjects in Shooter's Bible Guide to Deer Hunting. Hunters will find many

ways to hone their skills and bag more deer with this handy guide.

A Call to the Colours Ken Cox,2011-04-18 Our ancestors were required to perform military service, often as militia. The discovery that an ancestor served during one of the major conflicts in our history is exciting. A Call to the Colours provides the archival, library, and computer resources that can be employed to explore your family's military history.

Call to the Colours, A: Tracing Your Canadian Military Ancestors Kenneth G. Cox,2011-01-01 Beginning in Canada's earliest days, our ancestors were required to perform some form of military service, often as militia. This title provides the archival, library, and computer resources that can be employed to explore your family's military history, using items such as documents, uniforms, medals, and other militaria to guide the search.
