**Avrupa'da PKK Yapılanması** Enes Bayraklı, Hasan Basri Yalçın, Murat Yeşiltaş, 2019-07-04 1978'de kurulan ve 1984'ten itibaren Türkiye Cumhuriyeti devleti ve halkına karşı başlattığı terör ve şiddet eylemleriyle on binlerce Türk vatandaşının hayatını kaybetmesine neden olan terör örgütü PKK Avrupa çapında da faaliyet yürüten en büyük terör örgütlerinin başında gelmektedir. Örgüt daha ziyade lojistik, finansman, insan kaynağı için bir "hinterland" olarak kullandığı Avrupa ülkelerinde terör eylemlerinde de bulunmak suretiyle bu ülkeler için giderek iç ve dış güvenlik tehdidi haline gelmektedir. Bunun yanı sıra PKK sorunu Türkiye ve Avrupa ülkeleri arasında sürekli gerilim noktalarından birini oluşturmaktadır. Bu kitap Avrupa'daki toplumsal düzen ve kamu güvenliği için açık bir tehdit olmasına rağmen bugüne kadar göz ardı edilmiş olan PKK'nın on iki Avrupa ülkesindeki faaliyetlerini ve örgütsel yapılanmasını incelemektedir. Çalışma açık kaynakların yanı sıra İngiltere, Danimarka, Avusturya, Fransa, Belçika, İsviçre, İsveç, Norveç, Almanya, Yunanistan, GKRY ve Hollanda'da uzun bir zaman dilimine yayılan saha çalışmalarıyla desteklenmiştir. Kitapta PKK'nın ilgili ülkedeki tarihi, STK yapılanması, finans kaynakları, militan devşirme yöntemleri, medya yapılanması, kriminal faaliyetleri, ilgili ülkede diğer lobi kuruluşları veya Türkiye karşıtı gruplarla olan ilişkileri ve ilgili ülkenin örgüte yönelik siyaseti ele alınmaktadır. Her bir ülkeye dair sonuç bölümünde de ilgili ülkeye ve Türkiye'ye PKK ile mücadelede ne gibi önlemler alabileceği hususunda somut politika önerilerinde bulunulmaktadır.

**An Urban Future for Sápmi?** Mikkel Berg-Nordlie, Astri Dankertsen, Marte Winsvold, 2022-01-14 Presenting the political and cultural processes that occur within the indigenous Sámi people of North Europe as they undergo urbanization, this book examines how they have retained their sense of history and culture in this new setting. The book presents data and analysis on subjects such as indigenous urbanization history, urban indigenous identity issues, urban indigenous youth, and the governance of urban "spaces" for indigenous culture and community. The book is written by a team of researchers, mostly Sámi, from all the countries covered in the book.

**Mean Girls at Work: How to Stay Professional When Things Get Personal** Katherine Crowley, Kathi Elster, 2012-11-02 One of the New York Post's Top 10 Career Books of 2012 and a Booklist Top 10 Business Book DO YOU WORK WITH A MEAN GIRL? A woman's field guide to the new frontier of professional development—working with other women Women-to-women relationships in the workplace are . . . complicated. When they're good, they're great. But when they're bad, they can ruin your day, your week—even your year. Packed with proven advice from two of today's leading experts in workplace relationships, this one-of-a-kind guide gives women the tools they need to navigate difficult situations unique to women-to-women relationships—whether with a boss, a colleague, a client, or an employee. Have

you dealt with a woman in the workplace who: “Accidentally” excludes you from important meetings? Seems intent on taking you down professionally? Gossips about you with other coworkers? Makes you look bad by missing deadlines? Forms a “pack” of mean girls to make your life miserable? Mean Girls at Work isn’t just about surviving difficult situations. It’s about transforming a toxic relationship into one that benefits and supports both of you. This book is also for women who engage in mean behavior . . . but don’t know it. After all, who hasn’t gossiped about a female coworker? Who hasn’t rolled her eyes in the presence of a woman she doesn’t like? Who hasn’t scanned another woman head to toe—which is just a nonverbal way of saying, “You’ve just been judged”? The authors provide invaluable advice to the more subtle ways of being mean—even if they’re not intended. With a workforce composed of a higher percentage of women than ever, workplace dynamics have changed. Crowley and Elster cover every conceivable scenario, providing critical advice on how to rise above the fray and move forward professionally. Mean Girls at Work is your map to dodging the mines and moving forward in today’s transformed workplace. Praise for Mean Girls at Work “An invaluable suit of armor for surviving nine to five!” –Leil Lowndes, bestselling author of How to Talk to Anyone “If you think the emotional cruelty of comedies like Mean Girls and Heathers doesn’t exist in the real world workplace, think again. In Mean Girls at Work, Katherine Crowley and Kathi Elster valuably chronicle female vs. female predators and offer solid defensive strategies.” –Ann Creamer, author of It’s Always Personal: Navigating Emotion in the New Workplace “Whether you are in your twenties and just starting your professional career, your midcareer forties, when you are supposed to have figured it out already, or a woman in her fifties or sixties who’s seen it all—this book is a must-read. . . . The authors have finally given women the tools and the sound advice necessary to deal with . . . conflicts that keep us all from succeeding. . . . Carry this book with you to work every day!” –Carolyn Cassin, President, Michigan Women’s Foundation “A must-read for women of all ages in today’s workforce. This book offers what we all need to develop the capacities to endure this ever-changing workplace. We know it is all about relationships and you need the skills outlined in this book to survive and thrive when the Mean Girls attack.” –Kim Harrington, Coordinator, Professional Development and Training, Office of Human Resources, California State University, Sacramento

**Quantification and Prediction of Hydrocarbon Resources** A.G. Doré, R. Sinding-Larsen, 1996-12-17 The oil price shocks of the mid-1980s and their aftermath created radical changes in the petroleum industry, and underlined the need for reliable information on petroleum resources. Integration between the disciplines of petroleum geology, exploration geophysics, reservoir/petroleum engineering and economics became a necessity for resource management and strategic planning. This volume is designed to bring together some of the best techniques evolved to meet these challenges. The very broad scope of the volume, ranging from the macro (global) to micro (field and prospect) level, provides an overview of the thought processes currently prevalent in the industry and academia on the subject of resource quantification and prediction. This is one of the first books to cover the extensive assembly of hydrocarbon quantification and prediction techniques - of value to petroleum industry management, geoscientists, engineers and economists. Containing hundreds of illustrations, some in colour, the book is

arranged in 26 chapters with a detailed subject index. Many service companies and university departments with links to the industry will also find much to interest them.

*Björg Eva Jensen* Björg Eva Jensen,2020-11-07 Björg Eva Jensen vant 3000 meter i viter-OL i Lake Placid i 1980, og ble med det Norges eneste olympiske mester under lekene. I tillegg har hun vunnet en lang rekke NM, EM og VM-medaljer. Da hun la skøyte på hyllen og begynte å konkurrere på sykkel i 2006 fortsatte seiersrekken, og så sent som i 2008 – hele 28 år etter at hun tok sitt første NM-gull på sykkel – vant hun igjen gull i lagtempo og gateritt. Jensen var norsk flaggbærer i vinter-OL 1984 i Sarajevo, hun er tildelt Fearnleys olympiske ærespris, Morgenbladets gullmedalje, Porsgrunds Porselænsfabriks ærespris og Egebergs ærespris. I denne biografien følger vi Björg Eva Jensen fra de første barneårene i Larvik, hennes første skøyteskjær på isbanen på Torstrand, til hennes mange fantastiske suksesser. Først og fremst på skøytebanen, men også hennes mange meritter på sykkel. Mitt liv er en åpenhjertig historie om et liv som inneholder mange oppturer, men også slit, forsakelser, svik og diskriminering. Og det verste som kan ramme en mor, da hun mistet en av sine to tvillingssønner, Marius. Dette er en bok både for de som vil vite mer om en av våre store idrettspersonligheter og er interessert i norsk skøytehistorie, men også for de som ønsker å lære mer om motivasjon og indre drivkraft. Biografien er skrevet av Björg Eva selv, en personlig beretning, presentert med hennes egne ord. Boken er rikt illustrert med bilder, mange av dem aldri tidligere offentliggjort.

Four volumes are filled with facts and contacts for major public and private companies in all 20 countries of Western Europe.

California Gold Catherine Hiebert Kerst,Library of Congress,2024 California Gold offers a compelling cultural

snapshot of a diverse California during the 1930s at the height of the New Deal, drawing on the career of folk music collector Sidney Robertson and the musical culture of often-unheard voices. Robertson--an intrepid young woman armed only with a map, her notebooks, and the recording equipment of the time--proposed and directed a New Deal initiative, the WPA California Folk Music Project, designed to survey musical traditions from a wide range of English-speaking and immigrant communities in Northern California. In *California Gold*, Catherine Hiebert Kerst explores Robertson's distinctive and modern approach to fieldwork and examines the numerous ethnographic documentary materials she generated with WPA project staff to capture a cross-section of the music that people were actively performing in their communities. Kerst highlights some of the most notable songs, images, and ephemera of the collection, capturing and contextualizing the diverse musical traditions that California immigrant communities performed during the New Deal era. Kerst also foregrounds the ethnographic insights and accomplishments of a significant woman folk music collector who has received less attention than she deserves.
