**Land's Edge: A Coastal Memoir** Tim Winton, 2012-09-14 Complemented by the breathtaking photographs of Narelle Autio, Tim Winton's *Land's Edge* is a celebration of the coastal life and those who surrender themselves to it. On childhood holidays to the beach, the sun and surf kept Tim Winton outside in the mornings, in the water; the wind would drive him indoors in the afternoons, to books and reading. This ebb and flow of the day became a way of life. In this beautifully delicate memoir, Winton writes about his obsession with what happens where the water meets the shore - about diving, dunes, beachcombing - and the sense of being on the precarious, wondrous edge of things that haunts his novels. 'In this record of a life-long love affair with the sea, Tim Winton's prose ripples, shimmers and surges with awe and respect for how the ocean has not only sustained him physically and emotionally but determined the very rhythms of his life.' Fiona Capp, *The Age* 'Winton's homage to the ocean and his childhood . . . A book to return to again and again.' Matt Condon, *Sun Herald* 'A love letter to the beach, an enchanting celebration of life on the edge.' *Sydney Morning Herald*

**The Dutch House** Ann Patchett, 2019-09-24 Pulitzer Prize Finalist | New York Times Bestseller | A Read with Jenna Today Show Book Club Pick | A New York Times Book Review Notable Book | TIME Magazine's 100 Must-Read Books of the Year Named one of the Best Books of the Year by NPR, The Washington Post; O: The Oprah Magazine, Real Simple, Good Housekeeping, Vogue, Refinery29, and BuzzFeed From Ann Patchett, the #1 New York Times bestselling author of *Commonwealth*, comes a powerful, richly moving story that explores the indelible bond between two siblings, the house of their childhood, and a past that will not let them go. *The Dutch House* is the story of a paradise lost, a tour de force that digs deeply into questions of inheritance, love and forgiveness, of how we want to see ourselves and of who we really are. At the end of the Second World War, Cyril Conroy combines luck and a single canny investment to begin an enormous real estate empire, propelling his family from poverty to enormous wealth. His first order of business is to buy the Dutch House, a lavish estate in the suburbs outside of Philadelphia. Meant as a surprise for his wife, the house sets in motion the undoing of everyone he loves. The story is told by Cyril's son Danny, as he and his older sister, the brilliantly acerbic and self-assured Maeve, are exiled from the house where they grew up by their stepmother. The two wealthy siblings are thrown back into the poverty their parents had escaped from and find that all they have to count on is one another. It is this unshakeable bond between them that both saves their lives and thwarts their futures. Set over the course of five decades, *The Dutch House* is a dark fairy tale about two smart people who cannot overcome their past. Despite every outward sign of success, Danny and Maeve are only truly comfortable when they're together. Throughout their lives they return to the well-worn story of what they've lost with humor and rage. But when at last they're forced to confront the people who left them behind, the relationship between an indulged brother

and his ever-protective sister is finally tested.
