Property Investment Hacking John Wilson, John Wilson Bsc, 2018-09-27 Property investment is dead. The old way of doing it is, anyway. Would you like to save up deposits, buy a property every few years, and (maybe) get financial freedom in a decade? Or, would you rather do it in less than a year with none of your own money? It sounds almost unbelievable, but it's totally achievable and thousands of regular people are doing it, all over the U.K. In this groundbreaking book, veteran property investor and trainer, John Wilson, will reveal 13 different ways that you can use to ethically shortcut your way to an income-replacing property portfolio, and win financial freedom in 12 months or less. Here's just some of what you'll discover: The Deep Discounts Hack: the one thing you must be doing in order to get 15% - 30% discounts on properties every time without fail The Instant Authority Hack: how a simple website can hack your authority and transform you into the

go-to local property expert overnight, even if you're brand new
The Fast Cash Hack: how to generate your first £2,000 - £5,000 commission cheque within 60 - 90 days, even if you have no money to invest
The Brain Hack: why your own mind can be your biggest barrier to success in property and three strategies you can use immediately to overcome this
The Instant Portfolio Hack: how to create a rental empire out of thin air by leveraging other people's properties. 'The tips and strategies that John imparts are simple, yet so very effective. As soon as I started implementing them, they began to pay off.' - David Fox, Tyne & Wear
We promise that if you read this book, you'll have knowledge of the tools to smash through any barriers you may have had to getting started-or progressing-in property. And we promise that you'll know about all the strategies that will enable you to grow a multi-million pound, income-replacing financial freedom-enabling property portfolio, ten times faster than you'd be able to do, using old-fashioned methods. The property tips and hacks you're about to discover have been proven to work time and time again for hundreds, if not thousands of investors up and down the U.K. All you have to do to have a chance to become one of them is to keep reading. Each chapter will give you new insight as you set out on your new property investing journey. Take control of your destiny right now and enjoy the new life you're creating. Invest in Property Investment Hacking today and receive a FREE bonus pack worth £197, packed to bursting with videos, special reports, forms, and documents that you can start using in your business today.

The Real Estate Investment Handbook G. Timothy Haight, Daniel D. Singer, 2005-01-05 Investing in commercial real estate can provide excellent risk-return opportunities for both the large and small investor. Unlike

equity securities, commercial real estate often generates a substantial and predictable cash flow over time--and the compounding effect of this cash flow can significantly enhance the performance of most investment portfolios. Filled with in-depth insight and practical advice, *The Real Estate Investment Handbook* is an essential tool for current and aspiring commercial real estate investors looking to develop and evaluate commercial real estate properties. Throughout the book, experts G. Timothy Haight and Daniel D. Singer offer careful examinations of the various types of commercial real estate available, the measures within the markets used to evaluate their performance, and the intricacies of the markets in which they are traded. The discussions of breakeven analysis, present value, financial leverage, loan packaging, and practical real-life situations found in *The Real Estate Investment Handbook* will help you make better-informed decisions when investing in properties such as: * Apartments, condominiums, and timeshares * Single-family homes * Self-storage facilities * Office buildings * Industrial properties * Parking lots * Shopping centers * Hotels and motels Successful real estate investing is not just about net income or cash flow; it's about the fit between an investor and an investment. With *The Real Estate Investment Handbook* as your guide, you'll learn how to choose properties that make sense--and money--for you.

Journeys Along the Property Path Suanne Lara Condon, Jeffrey Robert Sommers, Virginia Jill Bergman, Deborah Patricia Walton, Dale May Wrigley, Robyn Marjorie Atkins, Liane Maree Gorman, Debra Anne Morgan, Wendy Elizabeth Lawrence, Elspeth Beck, Vicki Michelle Keenan, Joan Lilian Hayes, 2010 In this book, 12 passionate property investors reveal how they have paved their own pathway to real and long-lasting wealth through

real estate. They own property located all around Australia and through their stories you will see that it's not always a smooth journey, as life likes to throw curve balls. These investors have made plenty of mistakes along their investment journey, but they've picked themselves up and used the lessons they've learnt to help better choices next time. They have also made some brilliant choices which is why they're well on their way to retiring on their real estate portfolios.

Beyond the Bubble Michael Thomsett, Joshua Karr, 2007-02-14 We've all heard the reports -- the great housing boom that has fueled premium prices and sellers' dreams is slowing down. The real estate market may experience ups and downs like any other, but it's not likely to implode spontaneously. With proper planning and a little knowledge, homeowners, investors, and other stakeholders can avoid disaster and in fact profit on their properties regardless of what the market does. Beyond the Bubble takes a balanced look at what drives changes in real estate markets and how these changes affect property owners and investors. Readers will learn: * the history, nature, and dynamics of market 'bubbles' * how to anticipate a coming downturn and act accordingly * the regional nature of real estate market conditions * differences and similarities in residential and commercial markets * other profit strategies when selling is difficult or impossible * how to analyze the market using facts, not hype. Thorough and well-reasoned, Beyond the Bubble will help property owners maintain a strong and level foundation for their financial futures.

Investing in Real Estate with No Or Virtually No Downpayment: 12 Proven Ideas and Strategies to Structure a Real Estate Transaction for Investors and David Berman, 2018-09-23 Most people assume that

investing in real estate requires a lot of money. But this isn't necessarily true. While it does not hurt to have savings, it is not a pre-requisite. Unlike with many other types of investments, you can start your real estate investment journey with very little. The fact of the matter is that every day, countless real estate investors conduct business in the United States with very little money. How do they do that? Easy. They use a proven system, and anybody can do it. What is the difference between you and them? They know what strategy to put in place depending on the characteristics of the property and on the specifics of the market. In this book, David Berman, the author of several books on investment ideas and strategies and an experienced real estate investor himself, goes step by step through the twelve most important real estate investment strategies that successful real estate investors use to invest with very little or no downpayment money and explains, in clear terms, how deals can be structured. In the twelve chapters of his new book, Berman covers:

The Property Investment Playbook - Volume 1 Ye Feng, Robert Heaton, 2020-11 Overview There's more to property than buy-to-let. In fact, there are so many different approaches, it's hard to keep track of them all. It can take years to get to grips with the various strategies and longer still to master them. This book is designed to help you shortcut that journey by teaching you the typical plays behind most property success stories and the techniques everyday investors are using to build robust and profitable portfolios. The Property Investment Playbook is a two-volume course designed to give you an overview of the strategies successful property investors are using to grow their portfolios. Volume 1 is aimed at new investors and at investors who've stuck to one main strategy and are looking to expand their horizons. In Part One, we'll run through everything you need to know and do while getting ready to invest. We cover things like how to set your goals, how to get your personal finances in order, and how to put the right team around you to maximise your chances of success. In Part Two, we'll cover all the things you can do to build your capital base, including a range of strategies to help you save harder and build deposits quicker and some creative ways to use your own home to build equity and generate additional income. In Part Three, we'll cover the core strategies like buy-to-let, refurbishments and how to flip properties for a profit. We'll also look at advanced financing techniques, joint ventures and at other business models like holiday lets. Whether you're new to property or a seasoned professional looking to improve what they do, this book is your guide to all the strategies, techniques and plays you need to build your

portfolio.
