Elite Dating Secrets Jon Anthony, 2019-02-24 Dear Friend, This book will teach you the hidden secrets, that the top 1% of men use to effortlessly attract women. Learn how you can meet, attract, and date the type of woman you've always wanted to have. Learn how to get your girlfriend back. Turn your friend into your girlfriend, and get out of the friend zone for good. How to make women chase you, rather than the other way around. Elite Dating Secrets covers everything you need to know about understanding women. It explains how they think, what they want, and how to attract them. This book will teach you powerful attraction secrets, techniques, and strategies, that only the top 1% of men know... secrets that once fully understood, will completely transform your life as a whole. Why should you buy this book? Because, it's one of the most inexpensive dating books on the market, even though it's filled with more secrets than all of the other ones combined. It offers more strategies, techniques, and secrets than any other book on dating advice you will find. In fact, unlike most other books that just teach you surface level gimmicks, Elite Dating Secrets will go deeper, and create a permanent, long-lasting, underlying change in who you are as a man. And the best part? You don't have to change who you are, or become some sort of try hard douchebag. In fact, unleashing your Inner Alpha Male, and becoming one of the Dating Elite is about leveraging your natural personality, and unlocking the truly personality that you have hidden deep within you, without even realizing it. What makes me qualified to help you? Well, when I was younger, I had very little success with women. I tried, and tried, and tried, but for whatever reason, I could never attract a woman. Even when I did manage to get a date or two, they would always end up flaking on me, or would flat out ignore my calls and texts after our first date. I remember feeling frustrated and confused, and eventually, stumbled upon the secrets hidden within this book... and they changed my life forever. Over the past 5 years, I've coached countless men, and helped them achieve their true potential in the dating world. Many of my clients are shocked at how rapidly their lives transform, once they use the secrets hidden within this book. One of my clients went from being a virgin, to having his Perfect 10 girlfriend, in just a few weeks. While stories like this may seem unbelievable, the fact of the matter is that when you understand these secrets, anything is possible. Even if you are not tall, rich, or handsome, you can still use the secrets within this book. In fact, that's why I wrote it! I wanted to give average men such as ourselves a chance at competing in the top 1%. I want you to experience the thrill of dating playboy bunnies, models, actresses, and just plain gorgeous women. I could have packaged the contents of this book into a video course, and charged hundreds of dollars for it, but I'm choosing to give it away for just a few bucks... think about it. How much do you spend on coffee each week? Or eating out? Do you think being able to date the girl of your dreams, and live happily ever after, is worth a few bucks? I certainly do. In a weird way, I feel like I know you... and in a sense, I do. Maybe I don't know your name, but I know what you're going through, and I know where you came from. I was in your shoes just a short few years ago, and I remember feeling desperate to finally get this girlfriend thing handled once and for all. If you feel like you've exhausted all your options, and just can't seem to figure out why women don't want you, then trust me... you need this book more than anyone. I hope you choose to embark on this adventure, my friend. I know it can be scary, and it's hard to know who to trust... but mark my words, when you download this book, and start applying its advice to your life, everything will change forever. To Your Success, Jon Anthony

Even then, the shuttering thought of being rejecting is one that most men would try to avoid at all cost. Rejection bounces from left and right and the good ones are usually hard to find. Most men worry about being stuck in the friend zone and other men worry about being straight up rejected without being given a chance to show who they are. In addition, the thought of constantly looking for someone new isn't as pleasing as it sounds, especially when you're too shy to approach them. Though the thought might sound frightening, you have nothing to lose. If you want to know how to attract the woman that you've been interested in then you have to take the first step into talking to her. For the methods that comes afterwards, feel free to look inside this book.

The Text Attraction Guide For Men Nelson Whetat, 2023-11-07 Discover The New Secrets About Texting Women To Get Dates And Sex That 99.9% Of Men Don't Know Yet When a man gets a number from a woman in person or matches with her on a dating app like Tinder or Bumble, he will often experience one or more of the following problems when he texts her: She takes way too long to reply She doesn't contribute much to the conversation (e.g., she gives short answers and seems uninterested) The conversation becomes boring or fizzles out She rejects his offer to meet up with him for a date She takes what he says the wrong way and then loses interest She ghosts him (i.e. stops replying without any explanation, even though things seem to be going well) She friend zones him (e.g. You're a great guy, but I'm not looking for a relationship right now or, You're a great guy, but I'm not looking to date anyone right now or, You're a great guy, but I think we'd be better off as friends.) She leaves him on read and doesn't reply for days, weeks or months...or not at all She plays hard to get when it comes to meeting up Do you know why? It's because most men make texting girls far HARDER than it needs to be. They don't understand this little-known secret I shared in this guide. These days, women are so tired, bored and frustrated by the endless texts that guys send (i.e. trying to get to know her, get along with her and just chat because he's afraid to ask her out), or the unattractive texts they send (i.e. being too nice, being too serious, sleazy, boring, etc). That's why when a woman gets a text from a guy who is using the texting method I shared in this guide, The Text Attraction Guide For Men she feels surprised and excited. It immediately gets her attention and she begins feeling like she wants something to happen with him (i.e. go on a date, have sex etc) The fact is that when a guy texts in the way that I recommended in this book, he will get 10x more dates and sex than a guy who just wastes a woman's time trying to get to know her or get along with her, or worse, acts like he's not even that interested in dating her. Texting women to get dates and sex is very easy when you understand how it works and why women respond so well to this more direct and masculine approach. Here's what you'll learn: How And What To Text A Girl You Just Met: 4 Examples Text Message Examples That Attract Women What To Text A Woman After Getting Her Number In Person Texting Mistakes To Avoid: Terrible Texts That Turn Women Off 10 Possible Reasons Why She Stopped Texting You 3 Best Tips On How To Text A Girl You Like + Examples How To Attract A Woman And Get A Girlfriend Via Texts 6 Word Text That Makes A Guy Seem Needy In A Relationship 4 Texting Tricks That Seem Confident, But Are Actually Insecure 7 Beginner Texting Mistakes Guys Make With Women Should You Leave Her On Read? 6 Possible Outcomes If You Do The Secret To Getting Dates Via Text (With Examples) 3 Best Tips On How To Text A Girl You Like + Examples 4 Examples Of How To Be Masculine Over Text 10 Signs A Girl Likes You Over Text How To Make A Girl Like You Over Text (Example + 3 Rules) 8 Frustrating Problems Guys Experience When Texting Women 4 Texting Tips For Guys (10x More Dates And Sex) When a guy knows how to attract women via text, they naturally feel attracted, compelled and motivated to reply and contribute to the conversation and then happily say yes to meeting up. Add this book to cart right now to understand how this new secret about texting women to get dates and sex works

Get Inside Her: Dirty Dating Tips & Secrets from a Woman Marni Kinrys, 2013-02-15 Guys, Discover Insider Dating Tips From A Woman: One night, I sat up late reading email after email from attractive, witty guys who were single and ready to date, and instead

of being impressed and enraptured, I began to wonder what on earth was going wrong in the world. You see, these emails were not the typical online dating messages. They weren't asking me out on dates, or vying for desire or attention. They were sent from great guys, who no matter what they tried, always seemed to find that beautiful women ended up dating jerks and never calling them back. Now, you might be wondering what all these guys are doing emailing me their questions, but as a professional Wing Girl, it's my duty to be the girl who gives it to guys straight of the dating community. I'm always brutally honest and have been told I have a gift for seeing things from both sides of the dating lines, but it took me a few glasses of wine and some seriously deep thinking to try to piece the puzzle together. What was going on? I knew all my gorgeous girlfriends were looking for these types of men. Men who were exciting, fun, good, honest and who had their life together... So as they were emailing me, detailing their failed attempts, I tried to find the one common factor that was holding these great guys back. I spoke with them at length about their dating history, trying to figure out if they were doing something wrong, and then it struck me. It wasn't them; it was The Game they had been told to play. They had the best intentions, but they were going about attracting and dating beautiful women in all the wrong ways. They were dating from the male perspective and in a way that seemed right to other guys; but this wasn't communicated clearly to women! As I started to reply to each email, instead of telling them what I thought they wanted to hear or what I thought male Pick Up Artists might tell them, I started to lay it all out on the line. Later on, when I asked my girlfriends for their opinion, they couldn't believe what I had written. I was revealing all secrets women would never tell men. I was putting it out there in a way that would give guys what my girlfriends called the upper hand, but I defended my actions. These were genuinely great guys! I was tired of hearing how women could never find what they were looking for. Now, when I gave the men a road map to go out and find them, they freaked out! That's when I knew I had something worth sharing. Something that would turn the dating world on its head; finally, I thought, It's time to shake things up! If you have ever wondered why you aren't on the calendars of beautiful women, why they never seem to call back, or always end up with the jerks of the world, then you have to hear what I have to say. You need to accept that it's not your fault and face the facts. Men and women are different. We act, think, and date differently. If you want to find success, you have to see things from a different perspective. You have to gain the world's first (and best) awarded female Pick Up Artists perspective! Now when I go out, meet with clients, call, or email these great guys back, I get something in return. I get to see them finally date the women they have always wanted and deserved. They tell me how easy and simple it has become, and how they cannot believe they didn't think of it first. Of course, I always laugh and tell them, How could you? We think differently! They send me photographs, updates, and once in a while, I'll be invited to a wedding or two. Now, it's your turn. Come see where the controversy lays. Discover the secrets that will make women want you, chase you, and call you back every time. Become the man you have always wanted to be but didn't know how.
