Buddhist Fasting Practice Wangchen Rinpoche, 2009-06-16 The Tibetan Buddhist practice of Nyungne ("nyoong-nay") has been gaining increased attention in Buddhist centers across North America. Participants say the practice purifies them both physically and spiritually. This volume is the only comprehensive treatment in English of these powerful teachings. Nyungne is a profound, two-and-a-half-day practice, a length of time especially helpful for people whose schedules cannot accommodate long-term retreat. It involves the keeping of strict vows; the second day is devoted to complete silence and fasting. The meditation centers on the recitations, mantras, and guided visualizations of the Thousand-Armed Chenrezig, the embodiment of all the buddhas' loving-kindness and compassion. Translated as "abiding in the fast," Nyungne is said to be effective in the healing of illness, the nurturing of compassion, and the purification of negative karma.

The basic principle behind Type Idea Index is simple: ideas breed ideas. If you are looking for new ways of employing type in your works of art and design (or new twists to apply to your current typographic techniques), check out Type Idea Index. You'll find yourself face-to-face with 650+ custom-created, idea-sparking examples of typography and type-intensive design. For maximum user-friendliness, these samples are organized according to the theme they express (Energy, Elegance, Order, Rebellion) and the sort of real-world application they relate to (initials, monograms, logos, headlines, paragraphs). Expand your knowledge of type and brainstorm for ideas every time you design with letters and words. Court of Crimson Lucinda Dark,Helen Scott,2024-01-04 Three Fae Princes and a Death sentence... They are nothing but monsters-bloodstained by battle and addicted to their own magic. I am nothing but a burden-troublesome and worthless to those around me. But it doesn't have to stay that way. On the verge of being cast from the only place I'd ever known, it appeared. Or rather, they appeared. The answer. My way out. A magical castle full of the one thing all humans should have feared ... Fae. Not just any Fae-the most powerful of all: Royal Fae To trust a Fae is to risk dying at their cruel hands. To follow them into their castle means something far worse: Finding out the truth

It Had to Be You Jill Churchill,2005-03-29 Comfortably ensconced in their late great-uncle's Grace and Favor mansion, brother and sister Robert and Lily Brewster are riding out the Depression, penniless but in high style. Now a new day is heralded by Franklin Roosevelt's inauguration. Barely recovered from his trip to Washington to witness the historic event, Robert is rushed by Lily to a nearby nursing home, where the Brewsters have agreed to lend a helping hand to the staff. But when an elderly resident is murdered in his bed, Robert and Lily realize the local police will need their able assistance as well -- especially since the slaying isn't the only big trouble in tiny Voorburg. The spring thaw has revealed another body, and the Brewster siblings must expose a cold-blooded criminal before he -- or she -- kills again.
