Hades, Argentina Daniel Loedel, 2022-01-11 VCU CABELL FIRST NOVELIST AWARD FINALIST CENTER FOR FICTION FIRST NOVEL PRIZE LONGLIST “A debut novel as impressive as they come. Tough, wily, dreamlike.” —Seattle Times A decade after fleeing for his life, a man is pulled back to Argentina by an undying love. In 1976, Tomás Orilla is a medical student in Buenos Aires, where he has moved in hopes of reuniting with Isabel, a childhood crush. But the reckless passion that has long drawn him is leading Isabel ever deeper into the ranks of the insurgency fighting an increasingly oppressive regime. Tomás has always been willing to follow her anywhere, to do anything to prove himself. Yet what exactly is he proving, and at what cost to them both? It will be years before a summons back arrives for Tomás, now living as Thomas Shore in New York. It isn’t a homecoming that awaits him, however, so much as an odyssey into the past, an encounter with the ghosts that lurk there, and a reckoning with the fatal gap between who he has become and who he once aspired to be. Raising profound questions about the sometimes impossible choices we make in the name of love, *Hades, Argentina* is a gripping, ingeniously narrated literary debut.

Literature and Image in the Long Nineteenth Century Amina Alyal, 2023-09-12 This book explores some of the ways in which word and image worked together in the nineteenth century, in terms of pictures, poetry and fiction. The authors keep in mind how word and image negotiate and compete for each other’s spaces. They seek to interrogate how image arises from absences in texts, and how image gives rise to narrative or voice. Topics include ekphrasis, illustration, literary representations of artists, the visual in writing, the staging of images and the textualization of theatrical tableaux, and related cultural and ideological tropes. This is covered in three main areas: ideological and philosophical resonances of image and text in fiction; the peculiar fusion of text and image that was the bread and butter of the Pre-Raphaelites; and book illustration, especially the tensions between writer and artist as authors of the text. The volume will be of interest to students and scholars in the field of Victorian literary and art history studies.

The Four Masterworks of the Ming Novel Andrew H. Plaks, 2015-12-08 Andrew Plaks reinterprets the great texts of Chinese fiction known as the Four Masterworks of the Ming Novel (ssu ta ch’i-shu). Arguing that these are far more than collections of popular narratives, Professor Plaks shows that their fullest recensions represent a sophisticated new genre of Chinese prose fiction arising in the late Ming dynasty, especially in the sixteenth century. He then analyzes these radical transformations of prior source materials, which reflect the values and intellectual concerns of the literati of the period. Originally published in 1987. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Political Performances Susan C. Haedicke, 2009 Political Performances: Theory and Practice emerges from the work of the Political Performances Working Group of the International Federation for Theatre Research/Fédération Internationale pour la Recherche de Théâtrale. The collection of essays strives to interrogate definitions and expand boundaries of political performance. Members of Political Performances are from around the world and so approach the intersection of politics and performance from very different perspectives. Some focus on socio-political context, others on dramatic content, others on political issues and activism, and still others examine the ways in which communities perform their collective identity and political agency. The organizational structure of Political Performances highlights the variety of ways in which politics and performance converge. Each section - Queries, Texts, Contexts and Practice - frames this confluence according to certain common threads that emerge from essays that deal with topics from the ethics of autobiographical performance, the political efficacy of verbatim theatre, the challenges of community-based performance, political

and self-censorship, and the impossibility of representing atrocity. The essays challenge existing ideas of political performance and point the way to new approaches.

Ruins in the Literary and Cultural Imagination Efterpi Mitsi, Anna Despotopoulou, Stamatina Dimakopoulou, Emmanouil Aretoulakis, 2019-11-28 This book focuses on literal and metaphorical ruins, as they are appropriated and imagined in different forms of writing. Examining British and American literature and culture in the nineteenth and twentieth centuries, the book begins in the era of industrial modernity with studies of Charles Dickens, Thomas Hardy, Henry James and Daphne Du Maurier. It then moves on to the significance of ruins in the twentieth century, against the backdrop of conflict, waste and destruction, analyzing authors such as Beckett and Pinter, Kurt Vonnegut, Robert Lowell, Anne Sexton and Leonard Cohen. The collection concludes with current debates on ruins, through discussions of Walter Benjamin and Bertolt Brecht, as well as reflections on the refugee crisis that take the ruin beyond the text, offering new perspectives on its diverse legacies and conceptual resources.

Surface transportation : issues associated with pipeline regulation by the Surface Transportation Board : report to Congressional committees , The Abbasid Caliphate of Cairo, 1261-1517 Mustafa Banister, 2022-11-30 Mustafa Banister presents a thorough investigation of a forgotten dynasty: the Cairene descendants of the Abbasid family. He uncovers the public and private lives of the 18 men invested as caliphs during the period of 'Mamluk' rule in Egypt and Syria (1250-1517) and reveals a nuanced understanding of the Abbasid Caliphate according to elite members of Syro-Egyptian society. In doing so, he addresses the function of the caliph and his office amidst the breakdown and recreation of each new socio-political order of the sultanate.

The Princess Trap Talia Hibbert, 2018-02-03 From bestselling author Talia Hibbert comes a story of wicked royals, fake engagements, and the fed-up office worker trapped in the midst of it all... Cherry Neita is thirty, flirty, and done with men. As far as she can tell, they're overrated, overpaid, and underperforming – in every area of life. But a girl has needs, and the smoking-hot stranger she just met at the office seems like the perfect one-night stand... Prince Ruben of Helgmøre is reckless, dominant, and famously filthy. The outcast royal is rebuilding his reputation – all for a good cause – but he can't resist a pretty face. And bossy whirlwind Cherry's got the face, the body, and the attitude to make Ruben's convictions crumble. Even better, when she propositions him, she has no idea who he really is. But when paparazzi catch the pair, erm, kissing in an alleyway, Ruben's anonymity disappears faster than Cherry's knickers. Now the press is in uproar, the palace is outraged, and Ruben's reputation is back in the gutter. There's only one way to turn this disaster around – and it involves Cherry, some big fat lies, and a flashy diamond ring. On her left hand. Unfortunately, Cherry isn't pleased with Ruben's 'fake engagement' scheme... and neither is the king. The Princess Trap is a steamy, diverse royal romance featuring a take-no-sh*t heroine and a misunderstood hero fighting to survive life at the palace. There's fake relationship fluff, a healthy dose of angst, and a guaranteed happily-ever-after. Please be aware: this story contains scenes of abuse that could trigger certain audiences.

Galdós and the Irony of Language Diane F. Urey, 2005-06-30 Benito Pérez Galdós was the foremost Spanish novelist of the nineteenth century. His novels are frequently compared with those of Dickens and Balzac, and considered examples of nineteenth-century realism. In a speech before the Spanish Academy of Language, Galdós himself declared that the novel is 'an image of life'; scholars have often considered that image to be an uncritical reflection, or even a biased misrepresentation of the Spanish society of the time. This book shows, by detailed analysis of Galdós narrative techniques, how his novels display a much more skeptical and ironical attitude toward the ability of language to represent reality, than has previously been recognized. Rather than attempting to judge the accuracy of Galdós' image of life the author analyzes the linguistic means by which the novels recreate life in their own image. With close and discriminating attention to detail the author illustrates Galdós' narrative irony with examples from the serie contemporánea, the most highly acclaimed period of his writing. She analyzes the ironic possibilities under three main headings: depiction of

characters, description of places, and the narrative voice. A final chapter describes the fusion of these devices in the novella *Torquemada en la hoguera*. This clearly argued study, structuralist in approach and sensitive to nuances of style and language, will appeal to students of modern critical theory and comparative literature as well as to Hispanists.

Unraveled Laura Cook Boldt, Tom H. Boldt, 2020-11-10 With intense courage and candor, mother and son coauthors, Laura and Tom Boldt, share the raw accounting of Tom's journey into alcohol and drug addiction and how that trauma reverberated throughout their circle of family, friends, and extended family. The book also charts Laura, who has a backstory. She is more than a mother standing by watching the life of her promising young son come undone. She has struggled with alcohol addiction firsthand but remains emotionally and physically sober and present for her son during his collision course with disaster. The Boldt family's love and compassion is palpable as they work their way through deep fear, sleepless nights, and crushing setbacks. This is a riveting portrayal of the agonies of addiction and how one family faced their issues and found a stronger, more sustainable path forward. Many readers will undoubtedly see themselves in these stories and will come away with an abiding sense of hope—not just for Tommy and Laura, but for themselves, too. The writing in *Unraveled* is brilliant and fresh, and the two voices working together and against each other makes *Unraveled* even more memorable. Tommy's gift for zingy one-liners energizes the story and contrasts cleverly with Laura's witty yet measured and concerned maternal tone. *Unraveled* is a tale of chaos and near-death experiences that shares personal and private moments and the intense challenges and grueling work it takes to get sober and remain sober. It's a unique story of a mother and son's journey that ends with on-your-knees epiphanies that leave both parent and child asking for help. This tandem narrative is a compelling testimony of bravery and honesty that, with edgy and surprising humor, charts a family's slow climb out of the abyss of pain into the full power of faith, redemption, and healing.

White Guilt Shelby Steele, 2009-10-13 Not unlike some of Ralph Ellison's or Richard Wright's best work. *White Guilt*, a serious meditation on vital issues, deserves a wide readership." — Cleveland Plain Dealer In 1955 the killers of Emmett Till, a black Mississippi youth, were acquitted because they were white. Forty years later, despite the strong DNA evidence against him, accused murderer O. J. Simpson went free after his attorney portrayed him as a victim of racism. The age of white supremacy has given way to an age of white guilt—and neither has been good for African Americans. Through articulate analysis and engrossing recollections, acclaimed race relations scholar Shelby Steele sounds a powerful call for a new culture of personal responsibility.
