i-Net+ Certification Study System Joseph J. Byrne, 2000-04-06 IT insider Joseph J. Byrne shares his strategies for gaining the technological edge in Internet professions with the i-NET+ Certification Study System. As a member of the CompTIA's i-NET+ exam objectives team, he knows how to help you focus your study, assess your weak spots, and practice to perfect your skills and pass that test. After explaining Internet basics and client-side issues, this course presents the steps to creating a Web page and advanced techniques. One exercise walks you through setting up a practice Web site. The larger issues of networking, infrastructure, and security are discussed; and a quick, critical look is taken at the role of e-commerce inside all of today's commerce. In the appendixes, handy crib sheets provide an examination blueprint, exam prep tips, and Q&As to quiz you along the way. A CD-ROM features more than 100 sample questions and a variety of exams in an interactive format, with a way to track your progress through historical analysis. Covers: Exam IKO-001

Backpacker ,1999-03 Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

Mac Undercover (Mac B, Kid Spy #1) Mike Lowery,2019-08-01 From the esteemed New York Times bestselling and multi-award-winning author Mac Barnett comes a thrilling, hilarious fully-illustrated new spy adventure series! Before Mac Barnett was an author, he was a kid. And while he was a kid, he was a spy. Not just any spy. But a spy...for the Queen of England. James Bond meets Diary of a Wimpy Kid with this groundbreaking fully-illustrated chapter book series Mac B., Kid Spy. The precious Crown Jewels have been stolen, and there's only one person who can help the Queen of England: her newest secret agent, Mac B. Mac travels around the globe in search of the stolen treasure...but will he find it in time? From secret identities to Karate hijinks, this fast-paced, witty and historically inspired chapter book will keep readers guessing until the very last page. With full-color illustrations and fascinating historical facts masterfully sprinkled throughout, this series offers adventure, intrigue, absurdity, history and humor. Discover this totally smart and side-splittingly funny new series, and experience what it's really like to be a kid spy.

The Advocate ,2001-08-14 The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

River of the Gods Candice Millard,2023-05-23 NEW YORK TIMES BESTSELLER • The harrowing story of one of the great feats of exploration of all time and its complicated legacy—from the New York Times bestselling author of *The River of Doubt* and *Destiny of the Republic* A BEST BOOK OF THE YEAR: THE WASHINGTON POST • GOODREADS A lean, fast-paced account of the almost absurdly dangerous quest by [Richard Burton and John Speke] to solve the geographic riddle of their era. —The New York Times Book Review For millennia the location of the Nile River’s headwaters was shrouded in mystery. In the 19th century, there was a frenzy of interest in ancient Egypt. At the same time, European powers sent off waves of explorations intended to map the unknown corners of the globe – and extend their colonial empires. Richard Burton and John Hanning Speke were sent by the Royal Geographical Society to claim the prize for England. Burton spoke twenty-nine languages, and was a decorated soldier. He was also mercurial, subtle, and an iconoclastic atheist. Speke was a young aristocrat and Army officer determined to make his mark, passionate about hunting, Burton’s opposite in temperament and beliefs. From the start the two men clashed. They would endure tremendous hardships, illness, and constant setbacks. Two years in, deep in the African interior, Burton became too sick to press on, but Speke did, and claimed he found the source in a great lake that he

christened Lake Victoria. When they returned to England, Speke rushed to take credit, disparaging Burton. Burton disputed his claim, and Speke launched another expedition to Africa to prove it. The two became venomous enemies, with the public siding with the more charismatic Burton, to Speke's great envy. The day before they were to publicly debate, Speke shot himself. Yet there was a third man on both expeditions, his name obscured by imperial annals, whose exploits were even more extraordinary. This was Sidi Mubarak Bombay, who was enslaved and shipped from his home village in East Africa to India. When the man who purchased him died, he made his way into the local Sultan's army, and eventually traveled back to Africa, where he used his resourcefulness, linguistic prowess and raw courage to forge a living as a guide. Without Bombay and men like him, who led, carried, and protected the expedition, neither Englishman would have come close to the headwaters of the Nile, or perhaps even survived. In *River of the Gods* Candice Millard has written another peerless story of courage and adventure, set against the backdrop of the race to exploit Africa by the colonial powers.

The Angry Therapist John Kim, 2017-04-18 Tackling relationships, career, and family issues, John Kim, LMFT, thinks of himself as a life-style designer, not a therapist. His radical new approach, that he sometimes calls "self-help in a shot glass" is easy, real, and to the point. He helps people make changes to their lives so that personal growth happens organically, just by living. Let's face it, therapy is a luxury. Few of us have the time or money to devote to going to an office every week. With anecdotes illustrating principles in action (in relatable and sometimes irreverent fashion) and stand-alone practices and exercises, Kim gives readers the tools and directions to focus on what's right with them

instead of what's wrong. When John Kim was going through the end of a relationship, he began blogging as The Angry Therapist, documenting his personal journey post-divorce. Traditional therapists avoid transparency, but Kim preferred the language of me too as opposed to you should. He blogged about his own shortcomings, revelations, views on relationships, and the world. He spoke a different therapeutic language —open, raw, and at times subversive — and people responded. The Angry Therapist blog, that inspired this book, has been featured in The Atlantic Monthly and on NPR.

Feels Like Home Marian Parsons, 2021-10-12 Discover how to achieve your dream home on an affordable budget using these inspiring pictures, practical tips, and easy-to-implement tutorials. Most of us don't live in a dream home that was custom built to suit our tastes. We have to work with a house that brings its own style, quirks, and personality to the table. But imagine walking into this house, but it's perfectly designed and decorated with your style in mind—a home that fits you like a well-tailored outfit and yet is as comfy as your favorite pair of pajamas. What would that home look like exactly? How would it feel to live in a home styled specifically for you? The truth is, every home should feel like a custom home and not have to break the bank. In *Feels Like Home*, DIY makeover queen Marian Parsons (a.k.a. Miss Mustard Seed) teaches you what she's learned over the years, sharing budget-friendly practical tips that will inspire you to change your space from “blah” to beautiful, from a builder-grade to character-rich home. Each chapter will guide you through detailed, easy-to-implement tutorials for projects, makeovers, decorating ideas, and tips for handling common challenges. Special note-taking spaces are also included for recording your own design ideas. Room by room, you will be empowered to

transform your house into the home of your dreams!

Active Hope (revised) Joanna Macy,Chris Johnstone,2022-06-22 The challenges we face can be difficult even to think about. Climate change, war, political polarization, economic upheaval, and the dying back of nature together create a planetary emergency of overwhelming proportions. This revised, tenth anniversary edition of Active Hope shows us how to strengthen our capacity to face these crises so that we can respond with unexpected resilience and creative power. Drawing on decades of teaching an empowerment approach known as the Work That Reconnects, the authors guide us

through a transformational process informed by mythic journeys, modern psychology, spirituality, and holistic science. This process equips us with tools to face the mess we're in and play our role in the collective transition, or Great Turning, to a life-sustaining society.

Commerce Business Daily ,1998-07

Why "Good Kids" Turn into Deadly Terrorists Alice LoCicero,2014-07-29 Using psychological theory and the author's direct experience working with at-risk youth, this book answers the questions on the minds of anyone shocked and appalled by the events of the Boston Marathon bombings. The shock of the 2013 Boston Marathon bombings was soon followed by a revelation initially disturbing and mystifying: two apparently unremarkable brothers—one a teenager, the other a young adult; both well-liked immigrants and longtime U.S. residents—had allegedly triggered the bombs. Why were these two seemingly normal individuals driven to commit such acts of coldblooded violence? This book examines not only the lives, motivations, and key influences of these infamous brothers, but those of other young, unexpected terrorists worldwide, comparing factors that contributed to their decisions to become terrorists and identifying methods used to recruit them into that deadly fold. The chapters teach readers warning signs that youths are being drawn in to terrorism and serve to spur meaningful conversations among citizens, politicians, and policymakers about what we can do to prevent such recruitment of youths and young adults, including other U.S. residents who might consider emulating the Tsarnaev brothers. The book also addresses larger, related questions, such as whether humans are naturally violent, who benefits when young individuals engage in terrorism,

and why minors are recruited to become killers.

Aimless Love Billy Collins, 2013-10-22 NEW YORK TIMES BESTSELLER “America’s favorite poet.”—The Wall Street Journal From the two-term Poet Laureate of the United States Billy Collins comes his first volume of new and selected poems in twelve years. *Aimless Love* combines fifty new poems with generous selections from his four most recent books—*Nine Horses*, *The Trouble with Poetry*, *Ballistics*, and *Horoscopes for the Dead*. Collins’s unmistakable voice, which brings together plain speech with imaginative surprise, is clearly heard on every page, reminding us how he has managed to enrich the tapestry of contemporary poetry and greatly expand its audience. His work is featured in top literary magazines such as *The New Yorker*, *Poetry*, and *The Atlantic*, and he sells out reading venues all across the country. Appearing regularly in *The Best American Poetry* series, his poems appeal to readers and live audiences far and wide and have been translated into more than a dozen languages. By turns playful, ironic, and serious, Collins’s poetry captures the nuances of everyday life while leading the reader into zones of inspired wonder. In the poet’s own words, he hopes that his poems “begin in Kansas and end in Oz.” Touching on the themes of love, loss, joy, and poetry itself, these poems showcase the best work of this “poet of plenitude, irony, and Augustan grace” (*The New Yorker*). Envoy Go, little book, out of this house and into the world, carriage made of paper rolling toward town bearing a single passenger beyond the reach of this jittery pen and far from the desk and the nosy gooseneck lamp. It is time to decamp, put on a jacket and venture outside, time to be regarded by other eyes, bound to be held in foreign hands. So off you go, infants of the brain, with a wave and some bits of fatherly advice: stay out as

late as you like, don't bother to call or write, and talk to as many strangers as you can. Praise for Aimless Love "[Billy Collins] is able, with precious few words, to make me cry. Or laugh out loud. He is a remarkable artist. To have such power in such an abbreviated form is deeply inspiring."—J. J. Abrams, The New York Times Book Review "His work is poignant, straightforward, usually funny and imaginative, also nuanced and surprising. It bears repeated reading and reading aloud."—The Plain Dealer "Collins has earned almost rock-star status. . . . He knows how to write layered, subtly witty poems that anyone can understand and appreciate—even those who don't normally like poetry. . . . The Collins in these pages is distinctive, evocative, and knows how to make the genre fresh and relevant."—The Christian Science Monitor "Collins's new poems contain everything you've come to expect from a Billy Collins poem. They stand solidly on even ground, chiseled and unbreakable. Their phrasing is elegant, the humor is alive, and the speaker continues to stroll at his own pace through the plainness of American life."—The Daily Beast "[Collins's] poetry presents simple observations, which create a shared experience between Collins and his readers, while further revealing how he takes life's everyday humdrum experiences and makes them vibrant."—The Times Leader
