How to Develop Your Psychic Abilities John Green, 2021-11-08 Do you want to develop your unique psychic ability? Do you want to make your abilities stronger? Do you want to find out if you have any Mediumship abilities? Are you sensitive to the world around you? Have to got Psychic abilities and don't know how to use them? Do you want to know how to meditate in a psychic way that is different from normal meditation? Have you felt like your abilities have suddenly disappeared As if you have been emptied the ones you had? Are you questioning the abilities you once had? This book will help you to understand why? your abilities have been taken away and how to get them back! Explaining

why they vanished. My name is John W Green, I am an International Psychic Development and advanced mediumship Teacher. I had the great pleasure of touring the UK, with two of living televisions Talented Mediums...Mr Colin Fry and Mr Tony Stockwell on the Best of British Mediumship tour, As well as teaching advanced mediumship at Colin Fry's College... The International College of Spiritual Science and Healing Ramsbergsgardens in Sweden. Plus running my own open and closed psychic development groups in my home town of Hull, UK. I have helped even the biggest sceptics to better understand how psychic development can be achieved and once experienced, these lovely people have helped others to open up and tap into their psychic ability. I am used as a medium to help people better understand when they are experiencing paranormal activity on their premises. I am published in about 40 books written by author and lecturer Mr Mike Covell (Author of the Mike Covell Investigates series) where he takes me to random locations that I have no prior knowledge of, and I give him names dates etc... Mike Covell has already done the history of these places in advance...We drive to them and I pick up names dates etc that Mike ticks off from his list and then I go beyond his list and get vague looks as I pick up things from the past... Later Mike (who also writes for newspapers) goes into the history museum archives and will telephone me corroborating the things I have passed on to him that are not on his list. I am not writing this to big up myself, I am writing this so that you know that what is inside my book is 100% from my personal experiences and not written by someone from a dot com website and passed off as my own. My book is all from inside my head and into my book. This book is a product of years of notes that I have written on various notepads, logbooks and computer word documents etc scattered all around my home. As we were told to stay indoors in 2020 because of the Coronavirus, I decided to collate all of my notes and put them into some sort of semblance for others to read and hopefully benefit from. I always speak and

write with a feet on the ground approach, I won't embellish anything with artistic licence and will always keep it real. Unfortunately, I attract certain types that watch too many horror films and tend to confuse reality with Hollywood and can and do scare people with an overuse of the D word... I explain the D word in my book. In my book, I teach psychic Protection that keep a person mentally safe and in control at all times... I explain the power of the Opening Prayer and the closing prayer, I explain why when some people meditate that nothing happens and then teach you how to experience amazing things during meditation and how to achieve spiritual meditation that is worlds apart from basic meditation. I tell you bits about myself and how I became a Psychic development teacher with anecdotes etc... I have also added some Psychic development exercises that you can do from home to help you better understand how to FEEL and not to THINK to help power up your inner psychic abilities. My book is full of very useful information to help anyone (without an EGO) better develop and flourish as you at last tap into your abilities.

Psychic Development Kerth Barker, 2014-12-13 All people are potentially psychic whether they realize it or not. This book describes a unique system for developing psychic ability. If love is the basis of your philosophy, you can learn this system. It is easy to understand. Only your effort determines how far you will go with this. This system was developed by a covert think-tank over a period of many years. You won't find anything like this elsewhere. It's a practical system for developing psychic ability. It's written authoritatively. If you follow its step by step program, you will develop your psychic powers to whatever level your determination chooses. In the future the world will be ruled by people who have developed their psychic abilities. We live in uncertain times, but those who develop their psychic powers stand a better chance of survival. Some of the people involved in creating this system were originally trained in remote viewing. It draws principles from remote viewing training, but this is

easier to learn and you could spend thousands of dollars on remote viewing training. But this only costs you the price of this book and your own time and effort. Also there is a wider spectrum of applications from this book than from remote viewing. The think-tank members who developed this system were Christians, but you can believe in any philosophy and still use this data. Whether you believe in Christianity, Islam, Judaism, Buddhism, Hinduism, Atheism or whatever -- you can learn psychic ability. In this book we tried to break it down to basic principles and practices. Learning psychic ability is like training yourself for sports. It's a mind and body discipline. We provide the guidelines and you provide the effort. This book may not be for everyone, only those who are ready for it. The truth is that we could charge you a \$100 for this book and it would still be a bargain. But we want to reach as many people as possible, so we priced it to be affordable. This could be the book that you have been looking for. All minds are joined.

Psychic Development Exercises and Techniques Charles Mage, 2023-05-27 Psychic Development Exercises and Techniques is a manual that teaches how you can awaken and develop your psychic abilities. Psychic power is not just for those who are gifted, but it is for everyone. Every human being is blessed with psychic power. However, you need to awaken and develop this power for you to be able to use it. Although it is true that some people are naturally gifted with active psychic power, it does not mean that you cannot awaken your inner power. Indeed, it has long been established in psychic and occult communities that we all have the ability to harness our magical power, and the potential that we can reach is infinite. Psychic Development Exercises and Techniques lays down the foundation and gives practical exercises and techniques to awaken and develop your

psychic power. True psychic power is not something that you simply believe in, but you must experience it actually and personally. This book provides the training that you need to undergo to awaken the power that lies within you. Whether you are a complete beginner or an intermediate practitioner who is looking for a way to immerse yourself in the magical world, then this is the manual for you. Psychic power is a general term that refers to various kinds of magical powers and abilities that you can exercise. Nevertheless, every psychic training that you engage in will develop your overall psychic abilities and skills. As such, no training is ever wasted. The good news is that developing your psychic power is not difficult. Never think that you are not good enough to awaken your psychic power. You must realize that the power that you seek is already within you; it is just a matter of letting it out. This manual is more than a set of theories and instructions, but it is an invitation to a wonderful and magical journey that might just change your life forever. I have also included exercises and techniques that I have learned from the occult and psychic workshops that I have attended. I hope that this humble work would serve as a guiding light to help you find your own path and actually experience the beauty and power of true magic.

If you have ever wondered if you might be psychic, this book may hold the answer to this most intriguing question. As will see, everybody has some psychic ability. For some people, the ability might be as mild as intuition; for others, it might be as strong as mediumship; but it all falls under the category of that sixth sense. *Are You Psychic?* is a fascinating and revealing look at our extrasensory powers. Author and professor of parapsychology Dr. Hans Holzer explores all the various forms of the psychic experience—foretelling the future, interpreting psychic feelings, thought transference, and past-life memories, among others, explains, in clear and understandable language, what they are, how they work, and what you can do to develop your own inner abilities. If you are one of those people who have had their fair share of those funny coincidences, maybe it's time to find out more.
