Puss in Boots Ludwig Tieck, 1919 *Puss in Boots* is a children's fairy-tale that is as old as time. It was first written by the French fabulist, Charles Perrault; it is the story about the third and youngest son of a miller who receives two boots as his inheritance—and that son is, strangely, a cat. Determined to make his master a fortune, the cat bags a rabbit and gives it to the king as a gift from his master. The cat continues to make games and present the king with gifts throughout the whole story. This version was written by German playwright Ludwig Tieck in 1797. Some scholars say that this German adaptation was a precursor of the Theatre of the Absurd. It contains some annotations.
