The End of Men Hanna Rosin,2012-09-11 Essential reading for our times, as women are pulling together to demand their rights- A landmark portrait of women, men, and power in a transformed world. “Anchored by data and aromatized by anecdotes, [Rosin] concludes that women are gaining the upper hand. –The Washington Post Men have been the dominant sex since, well, the dawn of mankind. But Hanna Rosin was the first to notice that this long-held truth is, astonishingly, no longer true. Today, by almost every measure, women are no longer gaining on men: They have pulled decisively ahead. And

"the end of men"—the title of Rosin's Atlantic cover story on the subject—has entered the lexicon as dramatically as Betty Friedan's "feminine mystique," Simone de Beauvoir's "second sex," Susan Faludi's "backlash," and Naomi Wolf's "beauty myth" once did. In this landmark book, Rosin reveals how our current state of affairs is radically shifting the power dynamics between men and women at every level of society, with profound implications for marriage, sex, children, work, and more. With wide-ranging curiosity and insight unhampered by assumptions or ideology, Rosin shows how the radically different ways men and women today earn, learn, spend, couple up—even kill—has turned the big picture upside down. And in *The End of Men* she helps us see how, regardless of gender, we can adapt to the new reality and channel it for a better future.

*Early Literacy Skills Builder* ,2010-09-01 Apply the science of reading to students with moderate-to-severe developmental disabilities, including autismThe Early Literacy Skills Builder program incorporates systematic instruction to teach both print and phonemic awareness. ELSB is a multi-year program with seven distinct levels and ongoing assessments so students progress at their own pace.Five years of solid research have been completed through the University of North Carolina at Charlotte, proving ELSB to be a highly effective literacy program and more effective than a sight-word only

program. ELSB is based upon the principles of systematic and direct instruction. It incorporates scripted lessons, least-prompt strategies, teachable objectives, built-in lesson repetition, and ongoing assessments. The seven ELSB levels contain five structured lessons each. All students begin at Level 1. If a student struggles here, go back and administer Level A. Instruction is one-on-one or in small groups. Teach scripted lessons daily in two 30-minute sessions. On the completion of each level, formal assessments are given. ELSB includes everything you need to implement a multi-year literacy curriculum.

**Love, Sophia on the Moon** Anica Mrose Rissi, 2020-03-31 Life on Earth isn't always fair, so Sophia runs off to the moon, where there are no bedtimes, no time-outs, and no Mom. But as Sophia and her mom send letters to each other, Mom has a clever comeback for all of Sophia's angry notes. Home starts to sound not-quite-so-bad, especially when Mom reports that someone from the moon has moved in to Sophia's old room, they're having spaghetti for dinner, and they're reading Sophia's favorite story at bedtime. A through line of unconditional love underscored with lots of humor and imagination makes this picture book a stellar pick for storytime.

**A Girl, a Raccoon, and the Midnight Moon** Karen Romano Young, 2020-01-07 In this "enchanting" tale of a girl trying to solve a mystery and save a local library, "the magic of reading is given a refreshingly real twist" (Kirkus Reviews). A New York City library branch has been designated for possible

closure. But the bookish, socially awkward Pearl, the daughter of the librarian, can't imagine a world without the library. When the head of their Edna St. Vincent Millay statue goes missing, closure is closer than ever. But Pearl is determined to save the library. And with a ragtag neighborhood library crew—including a constantly tap-dancing girl, an older boy she has a crush on, and a pack of literate raccoons—she just might be able to do it . . . . Featuring an eclectic cast of richly drawn characters, quirky sidebars and footnotes, and illustrations by award winner Jessixa Bagley, this is a warm-hearted, visually intriguing tale of reading and believing, and a world of possibility. “Solidly entertaining.” —School Library Journal “Bursting with charm, lovable characters, and excitement that builds and builds.” —Gail Carson Levine, Newbery Award-winning author of Ella Enchanted A love letter to libraries . . .
