Reading the Cozy Mystery Phyllis M. Betz, 2021-02-19 With their intimate settings, subdued action and likeable characters, cozy mysteries are rarely seen as anything more than light entertainment. The cozy, a subgenre of crime fiction, has been historically misunderstood and often overlooked as the subject of serious study. This anthology brings together a groundbreaking collection of essays that examine the cozy mystery from a range of critical viewpoints. The authors engage with the standard classification of a cozy, the characters who appear in its pages, the environment where the crime occurs and how these elements reveal the cozy story's complexity in surprising ways. Essays analyze cozy mysteries to argue that Agatha Christie is actually not a cozy writer; that Columbo fits the mold of the cozy detective; and that the stories' portrayals of settings like the quaint English village reveal a more complicated society than meets the eye.

Hexaflexagons and Other Mathematical Diversions Martin Gardner,2020-10-05 Martin Gardner's

Mathematical Games columns in Scientific American inspired and entertained several generations of mathematicians and scientists. Gardner in his crystal-clear prose illuminated corners of mathematics, especially recreational mathematics, that most people had no idea existed. His playful spirit and inquisitive nature invite the reader into an exploration of beautiful mathematical ideas along with him. These columns were both a revelation and a gift when he wrote them; no one--before Gardner--had written about mathematics like this. They continue to be a marvel. This volume, originally published in 1959, contains the first sixteen columns published in the magazine from 1956-1958. They were reviewed and briefly updated by Gardner for this 1988 edition.

Joseph Anton Salman Rushdie, 2012-09-18 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY San Francisco Chronicle • Newsweek/The Daily Beast • The Seattle Times • The Economist • Kansas City Star • BookPage On February 14, 1989, Valentine's Day, Salman Rushdie was telephoned by a BBC journalist and told that he had been "sentenced to death" by the Ayatollah Khomeini. For the first time he heard the word fatwa. His crime? To have written a novel called The

Satanic Verses, which was accused of being “against Islam, the Prophet and the Quran.” So begins the extraordinary story of how a writer was forced underground, moving from house to house, with the constant presence of an armed police protection team. He was asked to choose an alias that the police could call him by. He thought of writers he loved and combinations of their names; then it came to him: Conrad and Chekhov—Joseph Anton. How do a writer and his family live with the threat of murder for more than nine years? How does he go on working? How does he fall in and out of love? How does despair shape his thoughts and actions, how and why does he stumble, how does he learn to fight back? In this remarkable memoir Rushdie tells that story for the first time; the story of one of the crucial battles, in our time, for freedom of speech. He talks about the sometimes grim, sometimes comic realities of living with armed policemen, and of the close bonds he formed with his protectors; of his struggle for support and understanding from governments, intelligence chiefs, publishers, journalists, and fellow writers; and of how he regained his freedom. It is a book of exceptional frankness and honesty, compelling, provocative, moving, and of vital importance. Because what

happened to Salman Rushdie was the first act of a drama that is still unfolding somewhere in the world every day. Praise for Joseph Anton “A harrowing, deeply felt and revealing document: an autobiographical mirror of the big, philosophical preoccupations that have animated Mr. Rushdie’s work throughout his career.”—Michiko Kakutani, *The New York Times* “A splendid book, the finest . . . memoir to cross my desk in many a year.”—Jonathan Yardley, *The Washington Post* “Thoughtful and astute . . . an important book.”—USA Today “Compelling, affecting . . . demonstrates Mr. Rushdie’s ability as a stylist and storyteller. . . . [He] reacted with great bravery and even heroism.”—*The Wall Street Journal* “Gripping, moving and entertaining . . . nothing like it has ever been written.”—*The Independent* (UK) “A thriller, an epic, a political essay, a love story, an ode to liberty.”—*Le Point* (France) “Action-packed . . . in a literary class by itself . . . Like Isherwood, Rushdie’s eye is a camera lens—firmly placed in one perspective and never out of focus.”—*Los Angeles Review of Books* “Unflinchingly honest . . . an engrossing, exciting, revealing and often shocking book.”—*de Volkskrant* (The Netherlands) “One of the best memoirs you may ever read.”—DNA (India) “Extraordinary . . .

Joseph Anton beautifully modulates between . . . moments of accidental hilarity, and the higher purpose Rushdie saw in opposing—at all costs—any curtailment on a writer’s freedom.”—The Boston Globe

Running with Scissors Augusten Burroughs, 2010-04-01 The #1 New York Times bestselling memoir from Augusten Burroughs, *Running with Scissors*, now a Major Motion Picture! *Running with Scissors* is the true story of a boy whose mother (a poet with delusions of Anne Sexton) gave him away to be raised by her psychiatrist, a dead-ringer for Santa and a lunatic in the bargain. Suddenly, at age twelve, Augusten Burroughs found himself living in a dilapidated Victorian in perfect squalor. The doctor's bizarre family, a few patients, and a pedophile living in the backyard shed completed the tableau. Here, there were no rules, there was no school. The Christmas tree stayed up until summer, and Valium was eaten like Pez. And when things got dull, there was always the vintage electroshock therapy machine under the stairs.... *Running with Scissors* is at turns foul and harrowing, compelling

and maniacally funny. But above all, it chronicles an ordinary boy's survival under the most extraordinary circumstances.
