Determination of the Direction of Qibla and the Islamic Timings Malik Bashir Ahmad Bagvi,1972

World-maps for Finding the Direction and Distance to Mecca David King,2021-09-06 Two remarkable Iranian world-maps were discovered in 1989 and 1995. Both are made of brass and date from 17th-century Iran. Mecca is at the centre and a highly sophisticated longitude and latitude grid enables the user to determine the direction and distance to Mecca for anywhere in the world between Andalusia and China. Prior to the discovery of these maps it was thought that such cartographic grids were conceived in Europe ca. 1910. This richly-illustrated book presents an overview of the ways in which Muslims over the centuries have determined the sacred direction towards Mecca (qibla) and then describes the two world-maps in detail. The author shows that the geographical data derives from a 15th-century Central Asian source and that the mathematics underlying the grid was developed in 9th-century Baghdad.

The Complete Guide to Islamic Prayer (Salah) Sheikh Ramzy,2012 Salah is the second pillar of the Islamic faith, the foundations of a Muslim's life, and the key to Paradise. A subject so important must be treated with care and attention and this book aims to provide the reader with a comprehensive, detailed, and accessible guide to this important topic. In this ground-breaking book, all elements of Salāh are expounded chapter by chapter, with useful translations and transliterations of original Arabic terms and phrases. Beginning with the history of the prayer, we progress through an analysis of the types of Salāh, its spiritual and physical benefits, and a unique step-by-step guide on learning to pray for those new to the practice. With this book, there should no longer be any confusion or lack of knowledge regarding Salāh. It is hoped that this book, written with the intention of easing the performance of the five daily prayers, will help readers understand the beauty of this ritual and turn it into an enjoyable daily experience, such that it is spiritually enriching and accepted in the eyes of Almighty God.

Cyber Muslims Robert Rozehnal,2022-04-21 Through an array of detailed case studies, this book explores the vibrant digital expressions of diverse groups of Muslim cybernauts: religious clerics and Sufis, feminists and fashionistas, artists and activists, hajj pilgrims and social media influencers. These stories span a vast cultural and geographic landscape-from Indonesia, Iran, and the Arab Middle East to North America. These granular case studies contextualize cyber Islam within broader social trends: racism and Islamophobia, gender dynamics, celebrity culture, identity politics, and the shifting terrain of contemporary religious piety and practice. The book's authors examine an expansive range of digital multimedia technologies as primary "texts." These include websites, podcasts, blogs, Twitter, Facebook, Instagram, YouTube channels, online magazines and discussion forums, and religious apps. The contributors also draw on a range of methodological and theoretical models from multiple academic disciplines, including communication and media studies, anthropology, history, global studies, religious studies, and Islamic studies.

Salat Islam International Publications (Tilford, England), 1997

The History of al-Ṭabarī Vol. 7 Abū Jaʿfar Muḥammad ibn Jarīr al-Ṭabarī, 1987-01-01 The contents of this volume are extremely significant: The specific events in this earliest period set precedents for what later became established Islamic practice. The book deals with the history of the Islamic community at Medina during the first four years of the Islamic period--a time of critical importance for Islam, both as a religion and as a political community. The main events recounted by Ṭabarī are the battles between Muḥammad's supporters in Medina and their adversaries in Mecca. Ṭabarī also describes the rivalries and infighting among Muḥammad's early supporters, including their early relations with the Jewish community in Medina.

Finding Mecca in America Mucahit Bilici, 2012-12-18 The events of 9/11 had a profound impact on American society, but they had an even more lasting effect on Muslims living in the United States. Once practically invisible, they suddenly found themselves overexposed. By describing how Islam in America began as a strange cultural object and is gradually sinking into familiarity, Finding Mecca in America illuminates the growing relationship between Islam and American culture as Muslims find a homeland in America. Rich in ethnographic detail, the book is an up-close account of how Islam takes its American shape. In this book, Mucahit Bilici traces American Muslims' progress from outsiders to natives and from immigrants to citizens. Drawing on the philosophies of Simmel and Heidegger, Bilici develops a novel sociological approach and offers insights into the civil rights activities of Muslim Americans, their increasing efforts at interfaith dialogue, and the recent phenomenon of Muslim ethnic comedy. Theoretically sophisticated, Finding Mecca in America is both a portrait of American Islam and a groundbreaking study of what it means to feel at home.

Islamic Prayer Across the Indian Ocean David J. Parkin, Stephen Cavana Headley, 2000 This text analyses the inner dualities and oppositions of practice and belief found within the Islamic faith.

Muhammadiyah a Reform Movement Dr. H. Haedar Nashir, M.Si., 2015 Basically, Muhammadiyah is a reform movement. The movement of Tadjid fil-Islam. The most profound essence of the Islamic movement established by Kyai Haji Ahmad Dahlan is the flame of reform/renewal. This characteristic is more prominent than other characteristics. Theology, ideology, and action model of Muhammadiyah are renewal leading to Islamic modernism or reformism. Those reform endeavors are actualized to break the stagnation of ummah by fostering a progressive Islamic teachings. In addition, Muhammadiyah has pioneered the system of modern Islamic education, health, and social services, community empowerment through Al-Ma'un movement, women's movement in the public through 'Aisyiyah, and reform works which revive the advancement of Islamic world and modernization of civil life. This reform is departed from the theme of al-ruju ila al-Qur'an wa al-Sunnah, namely a return to the Qur'an and the Prophet's Sunnah. The endeavours of purification of Islam to pursue the authentic teachings, as well as to establish a progressive Islam. Despite it frequently assumed to be ad-hoc, the span of twentieth century Muhammadiyah reform is a breakthrough. In the advance, directly and indirectly, it has been a state of mind for the majority of Muslim in Indonesia, including the previous oppositions.

Muslim Prayer Ismail Ibadehin, 2023-12-16 God instruct all believers to serve Him, and practice the prayer for His remembrance. Our Lord has said in Quran 40:60, Pray to Me, and I will respond to you. But those who are too proud to worship Me will enter Hell forcibly. And in 2:186, it was stated, And when My servants ask you about Me, I Am near; I answer the call of the caller when he calls on Me. So let them answer Me, and have faith in Me, that they may be rightly guided. So call upon God, with sincere devotion to Him, even though the disbelievers resent it. Prophets like Abraham and Moses made specific prayers for the guidance and well-being of their communities. And prophets like Job, who endured prolonged suffering, prayed specifically for patience and relief. Likewise, prophets such as Jonah prayed for deliverance when swallowed by a fish. Prophets and messengers of God in the Quran offer specific prayers, such as; mercy, request for wisdom and knowledge, forgiveness, gratitude, protection, guidance, healing, comfort, blessings, and prosperity. The Quran features an array of specific prayers made by prophets and messengers chosen by God to guide humanity. These prayers often reflect their unique roles and challenges. It demonstrates how prayers tailored to specific needs, emotions, and life circumstances provide believers with a means of connecting with God and seeking His guidance and support. These prayers serve as a rich spiritual communication, reflecting the diverse experiences of humanity. Muslim Prayer; How & When to Pray is a comprehensive guide for Muslims who want to learn and improve their prayer skills and habits. It contains all the prayers in the Quran, and it has been chronologically arranged and categorized for different situations. Prayer is one of the most important acts of worship in Islam, and it is a way of communicating with God and seeking His guidance and mercy. Prayer also strengthens one's faith and spirituality, and protects one from evil and sin. It also covers all the aspects and details of how and when to pray, such as: - The prerequisites and conditions of prayer, such as purifying oneself, one's clothes, and one's place of prayer, and facing the direction of the Kaaba, the sacred house of God in Mecca. - The steps and actions of prayer, such as reciting the Quran, the holy book of Islam, bowing down, prostrating, sitting,

and supplicating to God, and the meanings and benefits of each posture and utterance. - The times and occasions of prayer, such as the five daily prayers, the Friday congregation prayer, the optional prayers, and the special prayers for different events and situations. - The etiquettes and manners of prayer, such as making room for others, being attentive and humble, avoiding distractions and interruptions, and following the example of the Prophet Muhammad, peace be upon him, who is the best model for the Muslims. This book is based on the Quran, and it is suitable for beginners and advanced learners, and for anyone who wants to enhance their prayer experience and connection with God.
