Master Thieves Stephen Kurkjian,2015-03-10 In a secret meeting in 1981, a master thief named Louis Royce gave career gangster Ralph Rossetti the tip of a lifetime. As a kid, Royce had visited the Isabella Stewart Gardner Museum and made a habit of sneaking in at night to find a good place to sleep. He knew the Museum's security was lax, and he gave this information to a boss of the Boston criminal underworld. It took years before the Museum was hit. But when it finally happened, it quickly became one of the most infamous art heists in history: 13 works of art valued at up to 500 million—including Rembrandt's *The Storm on the Sea of Galilee*. The identity of the thieves were a mystery, the paintings were never found. What happened in those intervening years? Which Boston crew landed the big score? And why, more than 20 years later, did the FBI issue a press conference stating that they knew who had pulled off the heist and what had happened to the artwork, but provided no identities and scant details? These mysteries are the story of Kurkjian's revealing book. The best and longest-tenured reporter on this case, and one of the most decorated investigative reporters in America, Kurkjian will reveal the identities of this who plotted the heist, the motive for the crime, and the details that the FBI refused to reveal. He will take the reader deep into the Boston mob, and paint the most complete and compelling picture of this story ever told.

The Buckland Romani Tarot Raymond Buckland,2001-01-01 Finally there is a Tarot that embodies the spirit of the Gypsies. The Buckland Romani Tarot is a beautiful new deck that follows the traditional form of the tarot, but incorporates Gypsy forms and symbol. Drawing on his experiences with his Romani (English Gypsy) family, Raymond Buckland has teamed with artist Lissanne Lake to produce a beautiful deck that embodies the rich traditions and deep, earthy wisdom of these passionate people. Anyone who is familiar with the cards will enjoy this refreshing new approach, and anyone new to the tarot will enjoy the ease of use and down-to-earth nature of this attractive deck. The accompanying book presents a

full set of fresh, insightful interpretations written specifically to match this deck, along with traditional meanings. It also includes a Romani-English word list, historical background on the Gypsies, guidance on caring for and using the cards, and a selection of spreads. Many books on the tarot are so obscure and complex that they end up discouraging everyone but the advanced practitioner. In contrast, this book is written in simple language, that makes reading and studying the tarot a joy. In addition, it relays fascinating historical facts about the Gypsies. Although the exact origins of the tarot are shrouded in the mists of antiquity, we know one thing for certain-it is the Gypsies who are most directly responsible for keeping this ancient fount of wisdom from fading into obscurity. Now Raymond Buckland finally gives them the credit they are due. Discover how, in their wanderings, they have preserved the arcane wisdom of many lands and civilizations. Let the Romani Tarot help you see the world through Gypsy eyes.

Osho Zen Tarot Osho,1995-04-15 Osho Zen Tarot, from the #1 bestselling mystic and spiritual author Osho! When life seems to be full of doubt and uncertainty we tend to look for a source of inspiration: what will happen in the future? What about my health, the children? What will happen if I make this decision and not that one? This is how the traditional tarot is often used, to satisfy a longing to know about the past and future. The Osho Zen Tarot focuses instead on gaining an understanding of the here and now. It is a system based on the wisdom of Zen, a wisdom that says events in the outer world simply reflect in the outer world simply reflect our own thoughts and feelings, even though we ourselves might be unclear about what those thoughts and feelings are. So it helps us to turn our attention away from outside events so we can find a new clarity of understanding in our innermost hearts. The conditions and states of mind portrayed by the contemporary images on the cards are all shown as being essentially transitional and transformative. The text in the accompanying book helps to interpret and understand the images in the simple, straightforward and down to earth language of Zen.

The White Lotus Osho,2023-03-14 There have been many buddhas in the world, but Bodhidharma stands out like Everest. His way of being, living, and expressing the truth is simply his; it is incomparable. Even his own master, Gautama the Buddha, cannot be compared with Bodhidharma. Even Buddha would have found it difficult to digest this man. This man Bodhidharma traveled from India to China to spread the message of his master. Although they are separated by one thousand years, for Bodhidharma and for such men there is no time, no space - for Bodhidharma Buddha

was as contemporary as Buddha is contemporary to me.
