Madusoul's Crossing Azreay'I,2016-08-24 In ancient times, Madusoul, an unspoken Evil Spirit was unleashed, destructively conquering mankind until captured by a consortium of African tribes. He was entombed, covered in heaps of stone, sealed forever, never to destroy again. For ages, through spiritual meditation and witchery, Madusoul, has anxiously awaited the reclaiming of his throne to wreak havoc for man-kind's betrayal in his capture. He perfects his craft, and his wait was now over when seducing the minds of African Soldiers that arose, obsessed with power and easily transitioned. Madusoul's powerful craft spawns a chain of events when soldiers secretly visit an undisturbed evil ruin, and selfishly unleashing his commandos and generals. Madusoul finally gets an awaken taste of freedom and stops at nothing; he requires a drop of innocent blood mingled with much tainted to fully regain his strength and power; though minute to that of the Almighty. Precursor to Madusoul's return, his regular soldiers are spiritually weak but lye dormant in human but snap and you and see their destruction in the media, as if an epidemic! His newly released warriors; spiritually equipped for war, launch an offensive attack and strategically positions bodies for a blood bath of human sacrifices. Peradventure... Madusoul's creator; that Old Serpent; who does not force evil but uses spiritual warfare to conquer; closely watching things we are drawn to, things we delight in or have unhealthily dabbled in. He introduces us to things un-encountered or throws us into unforeseen traps in hopes of destroying us; the enemy comes but to destroy. Madusoul's Crossing, is simply that; a tale of greed, obsession, lust, selfishness, deception and ultimately the destruction of humanity. It's an awakening, a crossing of spiritual paths and a series of events that kick off when a woman, deeply rooted in a Voodoo ancestry stops at nothing to win a married man's love. In desperation, she goes underground in search of a glittery, beautiful and captivating scepter that will grant her total power over love when deceived and gives and open invitation to the Madusoul's super powers that sends anyone in their paths, on a collision course. Well-kept secrets that are assumed to be buried in the darkest abyss, like sunken ships and treasures in Davey Jones locker are forever lost or at least they think so. So this I say unto you... delight not in earthly follies but draw until your Deliverer; your shield. Be ye connected unto one body or be as those in Madusoul's Crossing, terrified and questioning their spiritual being. This pulse-thumping, tight-knit plot takes you into a dimension where earthly laws, rules, policies and procedures no longer exist; leaving everyone wondering of survival. Azreay'I delivers this spine tingling; nail biting and scratching performance in this intense thriller – Madusoul's Crossing! Enjoy!

Original Gangster Frank Lucas,Aliya S. King,2010-06-08 A suspenseful memoir from the real life American gangster, Frank Lucas In his own words, Frank Lucas recounts his life as the former heroin dealer and organized crime boss who ran Harlem during the late 1960s and early 1970s. From being taken under the wing of old time gangster Bumpy Johnson, through one of the most successful drug smuggling operations, to being sentenced to seventy years in prison, Original Gangster is a chilling look at the rise and fall of a modern legacy. Frank Lucas realized that in order to gain the kind of success he craved he would have to break the monopoly that the Italian mafia held in New York. So Frank cut out middlemen and began smuggling heroin into the United States directly from his source in the Golden Triangle by using coffins. Making a million dollars per day selling Blue Magic—what was known as the purest heroin on the street—Frank Lucas became one of the most powerful crime lords of his time, while rubbing shoulders with the elite in entertainment, politics, and crime. After his arrest, Federal Judge Sterling Johnson, the special narcotics prosecutor in New York at the time of Lucas' crimes, called Lucas and his operation one of the most outrageous international dope-smuggling gangs ever, an innovator who got his own connections outside the U.S. and then sold the narcotics himself in the street. This powerful memoir reveals what really happened to the man whose career was dramatized in the 2007 feature film American Gangster, exposing a startling look at the world of organized crime.
