101 Dialogues, Sketches and Skits Paul Rooyackers, Bor Rooyackers, Liesbeth Mende, 2014-12-01 Originally written for drama teachers working with students aged 9 to 18, this collection of short, snappy theater dialogues makes the perfect short break activity in any classroom, camp, or youth group situation. Students get much more out of these dialogues than just acting practice: they increase alertness, cultivate curiosity, boost literacy, and improve school attendance. Each dialogue is introduced with brief notes suggesting different ways of playing them at different ages and tips for adapting the dialogues to different age groups and situations. *101 Dialogues, Sketches, and Skits* is part of the SmartFun Activity series from Hunter House, which includes over 25 titles that have sold more than 200,000 copies to date.

*Sea-changes: Melville - Forster - Britten* Hanna Rochlitz,2012 E. M. Forster first encountered Billy Budd in 1926. Some twenty years later, he embarked on a collaboration with Benjamin Britten and Eric Crozier, adapting Melville's novella for the opera stage. The libretto they produced poignantly reaffirms the Forsterian creed of salvation through personal relationships. This study presents an extensive exploration of Forster's involvement in the interpretation, transformation and re-creation of Melville's text. It situates the story of the Handsome Sailor in the wider context of Forster's literary oeuvre, his life, and his lifewritings. In detailed readings, Billy Budd becomes a lens through which the themes, patterns and leitmotifs of Forsterian thought and creative imagination are brought into focus. A close re-examination of the libretto sketches serves to shed new light on the collaborative process in which Melville's story was changed to fit an archetypal array of plot and character types that is central to Forster's own storytelling.

*Erotic Coleridge* A. Taylor,2005-12-09 Erotic Coleridge charts Coleridge's prolific creation of love poems

from early flirtatious verse to poems about marital incompatibility, the blank faces of young women fearing for their reputations, the obliterating seductions of young women, the exaltation of falling in love, the spoken and sung voices of women, the pain of jealousy, and late meditations on how to live with the waning of love. In his prose he responds to Parliamentary debates about punishing adulteresses and gives advice about how marriage can warp the soul. In his sensual exuberance and his ethics of reverencing the individuality of other persons, Coleridge attends closely to the lives of women.
