Uncle John's Bathroom Reader Colossal Collection of Quotable Quotes Bathroom Readers' Institute, 2012-06-01 You'll never be at a loss for words again with this inspired collection of quotes, from bona fide wits to bona fide dimwits. Bob Hope once said, I grew up with six brothers. That's how I learned to dance--waiting for the bathroom. No doubt, lots of people will be learning to tango and foxtrot while they wait for the rabid readers of Uncle John's Colossal Collection of Quotable Quotes to emerge from the privy. The Bathroom Readers' Institute searched high and low for the wittiest, wisest and stupidest things ever said, and collected these remarks in one remarkable volume. With more than 4,000 quotations from 1,600 speakers and writers--from bona fide wits like Oscar Wilde and David Letterman, to bona fide dimwits like Britney Spears (who infamously quipped, I go to lots of overseas places, like Canada.)--there's no other book of quotations quite like this one.

Uncle John's Bathroom Reader Quintessential Collection of Notable Quotables Bathroom Readers' Institute, 2012-09-01 An all-new follow up quotation book to 2004's Uncle John's Bathroom Reader Colossal Collection of Quotable Quotes, complete with indexes by name and by subject for easy reference. Here it is: the quintessential collection of notable quotes for all occasions. Grouped

together in weird categories as only Uncle John could do, you'll find quotes about farts, firsts, dogs, Canada, male chauvinist pigs, colors, TV, aliens, and more! And not just quotes, either--there are great facts, fun quizzes, and a few longer articles about how quotations shape our world. As if that weren't enough, there are a ton of eye-opening new entries for Uncle John's Quotationary. (Love: "Being stupid together." --Paul Valery) And to make it easier than ever to find the exact quote you're looking for, there is a by-subject index as well a by-name index. Here are but a few of the thousands of great quotations awaiting you: * "I don't really care what I'm famous for." --Jessica Simpson * "Life is a tragedy when seen in close-up, but a comedy in long-shot." --Charlie Chaplin * "The way that I feel about music is there is no right and wrong. Only true and false." --Fiona Apple * "One of the advantages of being disorderly is that one is constantly making exciting discoveries." --A. A. Milne * "Bears are crazy. They'll bite your head if you're wearing a steak on it." --Space Ghost * "I don't mind not being president. I just mind that someone else is." --Ted Kennedy * "If little else, the brain is an educational toy." --Tom Robbins

The Funny Stuff P. J. O'Rourke, 2022-11-15 A compendium of quotes and riffs from more than four decades of writing by P.J. O'Rourke on subjects ranging from government ("Giving money and power to politicians is like giving car keys and whiskey to teenage boys") to fishing ("a sport invented by insects and you are the bait") to apps ("we need a no-app app—let's call it a nap") to be published on what would have been his 75th birthday. "P. J. O'Rourke was the funniest writer of his generation, one of the smartest and one of the most prolific. Now that he belongs to the ages, P.J. takes his rightful place along with Oscar Wilde, Mark Twain and Dorothy Parker in the Pantheon of Quote Gods."—Christopher Buckley from his introduction *When The Penguin Dictionary of Modern Humorous*

Quotations was published in 1994, P. J. O'Rourke had more entries than any living writer. And he kept writing funny stuff for another 28 years. Now, for the first time, the best material is collected in one volume. Edited by his longtime friend and member of the American Society of Magazine Editors Hall of Fame Terry McDonell, THE FUNNY STUFF is arranged in six sections, organized by subject in alphabetical order from Agriculture to Xenophobia. From his earliest days at the National Lampoon in the 1970s, through his classic reporting for Rolling Stone in the 80s and 90s to his post-Trump, pandemic, new media observations of recent years, P.J. produced incisive, amusing copy. Not only did P.J. write memorable one-liners, he also meticulously constructed riffs that built to a crescendo of hilarity and outrage—and are still being quoted years later. His prose has the electric verbal energy of Tom Wolfe or Hunter Thompson, but P.J. is more flat out funny. And through it all comes his clear-eyed take on politics, economics, human nature—and fun. THE FUNNY STUFF is a book for P.J. fans to devour but also a book that will bring new readers and stand as testament to one of the truly original American writers of the last 50 years.

A Field Guide to Good Decisions Mark D. Bennett,Joan M. Gibson,2006-03-30 We all face tough choices: business executives, community leaders, and family members all struggle with difficult decisions on a daily basis. What we decide reveals what really matters to us; how we decide determines whether we succeed or fail. Developed over twenty years in settings as diverse as hospital bedsides and corporate boardrooms, A Field Guide to Good Decisions provides the skills to make decisions that reflect your core values while respecting those of others, including the long-term implications for all participants. Illustrated through many real-life examples that will resonate with readers both professionally and personally, A Field Guide to Good Decisions offers practical tools and

techniques for identifying individual and common goals, reaching consensus, and communicating the results effectively. The authors also show readers how to overcome common obstacles to good decision-making (psychological, cultural, and organizational). Ultimately, this book is about making decisions which, while not always a matter of life or death, nevertheless have a powerful effect on our sense of self, our credibility in the eyes of others, and the lives of those touched by the choices we make. Decision making is always personal. Each of us makes important decisions at work, in the community, and at home. When we face tough choices, what we decide reveals what really matters to us; how we decide determines whether we succeed or fail. Business executives, community leaders, and family members all struggle with difficult decisions: a senior management team makes an important choice about whether to pursue an acquisition; a baby-boomer decides whether to place an elderly parent in assisted living; a non-profit administrator considers laying off employees to have money and continue serving the community. For each, the steps toward a good decision are the same: know your values, engage others to understand theirs, and communicate with respect and candor. Simple in concept, not so easy in practice—but making a good decision demands nothing less. Developed over twenty years in settings as diverse as hospital bedsides and corporate boardrooms, *A Field Guide to Good Decisions* provides the skills to make decisions that reflect your core values while respecting those of others, including the long-term implications for all participants. Illustrated through many real-life examples that will resonate with readers both professionally and personally, *A Field Guide to Good Decisions* offers practical tools and techniques for identifying individual and common goals, reaching consensus, and communicating the results effectively. The authors also show readers how to overcome common obstacles to good decision-making (psychological, cultural, and organizational). Ultimately, this book is about making decisions which, while not always a matter of

life or death, nevertheless have a powerful effect on our sense of self, our credibility in the eyes of others, and the lives of those touched by the choices we make.

Reelpolitik II Beverly Merrill Kelley,2004 With reference to eight classic American movies, this text explores the political ideologies thrumming through the American psyche during the Cold War period.

Footprints in Time Jeff O'Leary,2006-10-17 Blink once and you enter the world. Blink twice and your life is over. Compared to Eternity, our lives go by in a blink. In that short space of time, what did God design for our lives? He designed us to fulfill a great Destiny-far greater than most people ever realize or fulfill. Footprints in Time will take you on a great journey of discovery that will inspire, challenge and encourage you to seek, find and fulfill the great Destiny you were created for. You will be inspired by the lives of men and women, just like you, with faults and fears, just like you. You will be amazed at how God took their simple willingness and fulfilled His great will. You will be challenged to see the idols that now rule countless hearts in our culture and how they are keeping so many from their heavenly promise. Finally, you will be encouraged to ask yourself, If God could do it with these other men and women, why can't He do it with me? Footprints in Time: Fulfilling God's Destiny for your Life will change how you view your hours, days and years and the way you spend them. It will inspire you to lift up your eyes and fulfill your heavenly destiny.

This approach of placing readers in the shoes of decision makers provides a realistic and gripping application of leadership principles. The book is designed to motivate a reader into becoming the kind of leader that will leave a stirring legacy—a Centurion Leader.
