Los Angeles Quotes Quote Octopus,2015-11-28 This book contains the best quotes about LA. I like 'Goodbye My Lover' because it's a really personal song and I recorded it in my landlady's bathroom in Los Angeles. She had a piano in there and for me listening back to it, it actually sounds like the voice I hear in my head. It's so close to what I can imagine. James Blunt The global phenomenon of poverty tourism - or 'poorism' - has become increasingly popular during the past few years. Tourists pay to be guided through the favelas of Brazil and the shantytowns of South Africa. The recently opened Los Angeles Gang Tour carries visitors through battle-scarred territories of urban violence and deprivation. Leslie Jamison Australia is so cool that it's hard to even know where to start describing it. The beaches are beautiful; so is the weather. Not too crowded. Great food, great music, really nice people. It must be a lot like Los Angeles was many years ago. Mary-

Kate Olsen I still giggle when someone asks for my address and I say, 'Hollywood, Los Angeles.' Ashley Jensen

Atlanta Quotes Quote Octopus,2015-12-01 This book contains the best quotes about

Atlanta. In the early 1970s in Atlanta, I attended what had formerly been an all-white school but had become a black school after integration and white flight. Perhaps because of this, the teachers created a curriculum that included a focus on African American literature and history year-round, not just in February. Natasha Trethewey The peculiar fascination which the South held over my imagination and my limited capital decided me in favor of Atlanta University; so about the last of September I bade farewell to the friends and scenes of my boyhood and boarded a train for the South. James Weldon Johnson Thank you... 'Real Housewives of Atlanta, ' for demonstrating a universal truth: Idiots like me will always watch idiots like you fight on TV. You will forever be in my TiVo. Jimmy Fallon I've actually performed at Gay Pride in Atlanta three times in my career. I've always had a large gay

following, particularly in the lesbian community. I am grateful for that. To me, it means my music transcends categories. It also means that I'm a cute girl singing a rock song in an alto voice! Jennifer Nettles
