The Art of Reciting the Qur'an Kristina Nelson,2014-11-11 For the Muslim faithful, the familiar sound of the Qur’anic recitation is the predominant and most immediate means of contact with the Word of God. Heard day and night, on the street, in taxis, in shops, in mosques, and in homes, the sound of recitation is far more than the pervasive background music of daily life in the Arab world. It is the core of religious devotion, the sanctioning spirit of much cultural and social life, and a valued art form in its own right. Participation in recitation, as reciter or listener, is itself an act of worship, for the sound is basic to a Muslim’s sense of religion and invokes a set of meanings transcending the particular occasion. For the most part, Westerners have approached the Qur’an much as scriptural scholars have studied the Bible, as a collection of written texts. The Art of Reciting the Qur’an aims at redirecting that focus toward a deeper understanding of the Qur’an as a fundamentally oral phenomenon. By examining Muslim attitudes toward the Qur’an, the institutions that regulate its recitation, and performer-audience expectations and interaction, Kristina Nelson, a trained Arabist and musicologist, casts new light on the significance of Qur’anic recitation within the world of Islam. Her landmark work is of importance to all scholars and students of the modern Middle East, as well as ethnomusicologists, anthropologists, linguists, folklorists, and religious scholars.

**Ramadan and Fasting – Rewards Unlimited** Iqrasense,2013-06-18 Ramadan and fasting in Ramadan are one of the VERY beloved acts of worship (and Ibadah) in the eyes of Allah! This book provides Allah's commands, prophet guidance and scholarly advice and interpretation on a great Islamic month – Ramadan. It also covers the virtues of fasting – rewards that no one can comprehend. Consider the following about Ramadan and Fasting. The prophet said, ““Whoever fasts the month of Ramadan out of faith and in the hope of earning reward, all his previous sins will be forgiven, and whoever stays up during Laylat al-Qadr out of faith and in the hope of earning reward, all his previous sins will be forgiven.” (Agreed upon). ” Nothing probably explains more about the blessings of Ramadan than the Night of Decree (Laylatal Qadr) – the worship during that ONE night is better than worshipping Allah for more than ONE THOUDAND months! On the Night of the Descree in Ramadan, descend the angels and the Rooh [Jibreel (Gabriel)] by Allah's Permission with all Decrees, In this month, Allaah opens the gates of Paradise and closes the gates of Hell, and chains up the devils, as is stated in al-Saheehayn (al-Bukhaari, 1898; Muslim, 1079), from the hadeeth of Abu Hurayrah who said that the Messenger of Allaah (peace and blessings of Allaah be upon him) said: “When Ramadaan comes, the gates of Paradise are opened and the gates of Hell are closed, and the devils are chained up.” Whoever prays qiyaam in Ramadaan with the imam until he finishes, it will be recorded for him that he spent the whole night in prayer, because of the report narrated by Abu Dawood (1370) and others from the hadeeth of Abu Dharr (may Allaah be pleased with him) that the Messenger of Allaah (peace and blessings of Allaah be upon him) said: “Whoever prays qiyaam with the imam until he finishes, it will be recorded for him that he spent the whole night in prayer.” Classed as saheeh by al-Albaani Topics in this book include the following – Obligation Of Fasting In Ramadan Putting Off Fasting For Valid Reasons Not Fasting Due To Mind Not Being Sound Virtues Of Ramadan Taraweeh And Qiyaam Prayers Count Of Taraweeh Prayers Virtues And Importance Of Taraweeh Prayers Women Praying Taraweeh Prayers At The Mosque Timing Of Taraweeh Prayers Holding Mushaf (Quran) Behind The Imam Laylat Al-Qadr And Its Significance Virtues Of Laylat Al-Qadr Revelation Of Quran Better Than A Thousand Months Forgiveness Of Sins Virtues Of Quran Quran On “Virtues Of The Quran” The Word Of The Lord Of The Worlds Quran As A Divine Healing And A Mercy The Rewards Of Reciting Quran In Qiyaam Al-Layl (Night Prayers Before Fajr) Reciting Quran In Ramadan Benefits Of Reciting Certain Quranic Surahs (Chapters) A Muslim's Status Is Raised By The Quran Allah's Gift Of Guidance Allah's Final Revelation To Mankind The Greatest Miracle Of Prophet Muhammad (Saw) Ahadith On The “Virtues Of Quran” I'tikaaf Ramadan Hadith Brushing And Use Of Siwaak Children And Fasting Fasting And Sickness Concessions For Those Who Can't Fast Issues Related To Traveling Issues Related To Sexual Relations During Ramadan Etiquettes Of Eating And Drinking Breaking Fast When One Is Already Fasting Women And Fasting Significance Of Sha'baan Voluntary Fasting A Checklist For Ramadan

**The Choice** Faisal Fahim,2015-09-29 This book contains a summary of The Bible The Quran and Science 2014 of Dr. Maurice Bucaille, The biography of prophet Muhammad (pbuh), An Islamic prayer book according to Quran and Sunnah,and last but not least is that this book also contains The Qur'an & Modern Science: Compatible or Incompatible? 2014 by Dr. Zakir Naik and Mr.Faisal Fahim. This is an A to Z book on Islam, Quran, Bible, Torah, Science And it also includes the Islamic prayer book with a biography of the prophet. This book seeks to spiritually unite by highlighting similarities in the texts. It sheds new light and dispels many preconceived ideas in separating what belongs to Revelation from what is the product of error or human interpretation. (The Qur'an & Modern Science: Compatible or Incompatible?)Ever since the dawn of human life on this planet,Man has always sought to understand Nature,his own place in the scheme of Creation and the purpose of Life itself. In this quest for Truth, spanning many centuries and diverse civilizations, organized religion has shaped human life and determined to a large extent, the course of history. While some religions have been based on books, claimed by their adherents to be divinely inspired, others have relied solely on human experience. Al-Qur'an, the main source of the Islamic faith, is a book believed by Muslims, to be of completely Divine origin. Muslims also believe that it contains Divine guidance for all humankind. Since the message of the Qur'an is believed to be for all times, it should be relevant to every age. Does the Qur'an pass this test? In this booklet, I intend to give an objective analysis of the Muslim belief regarding the Divine origin of the Qur'an, in the light of established scientific discoveries. There was a time, in the history of world civilization, when 'miracles', or what was perceived to be a miracle, took precedence over human reason and logic. But how do we define the term 'miracle'? A miracle is anything that takes place out of the normal course of life and for which humankind has no explanation. However, we must be careful before we accept something as a miracle. An article in `The Times of India', Mumbai, in 1993 reported that 'a saint' by the name 'Baba Pilot' claimed to have stayed continuously submerged under water in a tank for three consecutive days and nights. However, when reporters wanted to examine the base of the tank of water where he claimed to have performed this 'miraculous' feat, he refused to let them do so. He argued by asking as to how one could examine the womb of a mother that gives birth to a child. The `Baba' was hiding something. It as a gimmick simply to gain publicity. THIS BOOK HAS MUCH MORE ADDED INFORMATION ON THE NEW DISCOVERIES OF SCIENTIFIC INFORMATION FOUND IN THE HOLY QURAN & THIS INFORMATION IS ARRANGED AND ORGANIZED BY AUTHOR MR.FAISAL FAHIM. THE LATEST INFORMATIONS ARE ALL ADDED IN 2014 REVEIWD BY FAISAL.Allah (swt) Says : Invite to the Way of your Lord (i.e. Islam) with wisdom (i.e. with the Divine Revelation and the Qur'an) and fair preaching, and argue with them in a way that is better. Truly, your Lord knows best who has gone astray from His Path, and He is the Best Aware of those who are guided.[Quran 16:125]From author:To the people who loved reading & purchasing my book.Please share my book & tell others about it.And please write a positive review about my book on the website.I really appreciate it & thank you very much. Sincerely, Your author Mr.Faisal Fahim

*Translation of the Holy Quran in English* Maulana Muhammad Ali,2013-12-25 The Quran, literally meaning the recitation, also romanised (Koran) is the central religious text of Islam, which Muslims believe to be a revelation from God (Arabic: Allah). It is widely regarded as the finest piece of literature in the Arabic language. Muslims consider the Quran to be the only book that has been protected by God from distortion or corruption. Quranic chapters are called suras and verses are called ayahs. Muslims believe that the Quran was verbally revealed from God to Muhammad through the angel Gabriel (Jibril), gradually over a period of approximately 23 years, beginning on 22 December 609 CE, when Muhammad (Peace be upon Him) was 40, and concluding in 632 CE, the year of his death. Shortly after Muhammad's death, the Quran was collected by his companions using written Quranic materials and everything that had been memorized of the Quran. Muslims regard the Quran as the most important miracle of Muhammad, the proof of his prophet hood and the culmination of a series of divine messages that started with the messages revealed to Adam and ended with Muhammad. The Quran assumes familiarity with major narratives recounted in the Jewish and Christian scriptures. It summarizes some, dwells at length on others and, in some cases, presents alternative accounts and interpretations of events. The Quran describes itself as a book of guidance. It sometimes offers detailed accounts of specific historical events, and it often emphasizes the moral significance of an event over its narrative sequence. The Quran is used along with the hadith to interpret sharia law. During prayers, the Quran is recited only in Arabic. Someone who has memorized the entire Quran is called a hafiz. Some Muslims read Quranic ayahs (verses) with elocution, which is often called tajweed. During the month of Ramadan, Muslims typically complete the recitation of the whole Quran during tarawih prayers. Inimitability of the Quran (or I'jaz) is the belief that no human speech can match the Quran in its content and form. The Quran is considered an inimitable miracle by Muslims, effective until the Day of Resurrection-and, thereby, the central proof granted to Muhammad in authentication of his prophetic status. The concept of inimitability originates in the Quran where in five different verses challenges opponents to produce something like the Quran: If men and sprites banded together to produce the like of this Quran they would never produce its like not though they backed one another (17:88). So the suggestion is that if there are doubts concerning the divine authorship of the Quran come forward and create something like it. From the ninth century, numerous works appeared which studied the Quran and examined its style and content. Medieval Muslim scholars including al-Jurjani (d. 1078CE) and al-Baqillani (d. 1013CE) have written treatises on the subject, discussed its various aspects, and used linguistic approaches to study the Quran. Others argue that the Quran contains noble ideas, has inner meanings, maintained its freshness through the

ages and has caused great transformations in individual level and in the history. Some scholars state that the Quran contains scientific information that agrees with modern science. The doctrine of miraculousness of the Quran is further emphasized by Muhammad's illiteracy since the unlettered prophet could not have been suspected of composing the Quran.

The Glorious Quran Word-for-Word Translation to Facilitate Learning of Quranic Arabic Shehnaz Shaikh,2007-07-01 There are about 80,000 words in the Quran but the actual words are only around 2000!!! This could also be termed as one of the many miracles of the Quran. Accordingly, if a reader decides to learn only 10 new words every day, he can understand the basic message of the Quran within a period of seven months! So it is indeed very easy to understand the Quran, provided one is willing to learn it. This word-for-word translation may not be considered as an addition to the existing translations, but an attempt to equip the reader to understand the revelation directly from the Arabic text; thus it will Insha-Allah be a very useful tool for those who are willing to study the Quran and try to understand it. A beginner can bear in mind the meanings of each Arabic word provided right below it. Since many words are repeated in the Quran, the student will find for himself that within a few months of regular study, he is indeed able to understand the Quran through the text itself. It may also be pointed out that a beginner does not have to, in the start itself, be worried about learning extensive grammar or how to speak the Arabic language. In fact, one has to develop vocabulary before learning grammar for the following reasons: \* A child first learns words and then starts linking them together. We speak our mother tongue fluently without ever learning the grammatical rules. That is to say, we learn it by repeatedly listening to the words. \* Learning extensive grammar before improving vocabulary is like putting the cart before the horse. Or it is like learning different styles of swimming by moving hands in the air inside a swimming pool without water. One has to fill the swimming pool with water (i.e., increase vocabulary) and then learn to swim (i.e., to connect the words with grammatical rules).
