Open Source Intelligence Methods and Tools Nihad A. Hassan, Rami Hijazi, 2018-06-30 Apply Open Source Intelligence (OSINT) techniques, methods, and tools to acquire information from publicly available online sources to support your intelligence analysis. Use the harvested data in different scenarios such as financial, crime, and terrorism investigations as well as performing business competition analysis and acquiring intelligence about individuals and other entities. This book will also improve your skills to acquire information online from both the regular Internet as well as the hidden web through its two sub-layers: the deep web and the dark web. The author includes many OSINT resources that can be used by intelligence agencies as well as by enterprises to monitor trends on a global level, identify risks, and gather competitor intelligence so more effective decisions can be made. You will discover techniques, methods, and tools that are equally used by hackers and penetration testers to gather intelligence about a specific target online. And you will be aware of how OSINT resources can be used in conducting social engineering attacks. *Open Source Intelligence Methods and Tools* takes a practical approach and lists hundreds of OSINT resources that can be used to gather intelligence from online public sources. The book also covers how to anonymize your digital identity online so you can conduct your searching activities without revealing your identity. *What You'll Learn* Identify intelligence needs and leverage a broad range of tools and sources to improve data collection, analysis, and decision making in your organization Use OSINT resources to protect individuals and enterprises by discovering data that is online, exposed, and sensitive and hide the data before it is revealed by outside attackers Gather corporate intelligence about business competitors and predict future market directions Conduct advanced searches to gather intelligence from social media sites such as Facebook and Twitter Understand the different layers that make up the Internet and how to search within the invisible web which contains both the deep and the dark webs Who This Book Is For Penetration testers, digital forensics investigators, intelligence services, military, law enforcement, UN agencies, and for-profit/non-profit enterprises

The Betty Book Stewart Edward White, 1988-10 One of the best books on the inner dimensions of life ever written. The *Betty Book* chronicles the author's exploration of the psychic worlds through the mediumship of his wife Betty. (Channeling)

Sarah JT LeRoy, 2016-08-23 National Bestseller Featuring a foreword by Billy Corgan "JT LeRoy's masterful imagination, command of story, and easy sense of the mythological are a rare combination that demands attention." – Toronto Star Sarah never admits that she's his mother, but the beautiful boy has watched her survive as a "lot lizard": a prostitute working the West Virginia truck stops. Desperate to win her love, he decides to surpass her as the best and most famous lot lizard ever. With his own leather mini-skirt and a makeup bag that closes with Velcro, the young "Cherry Vanilla" embarks on a journey through the Appalachian wilds, dining on transcendental cuisine, supplicating to the mystical Jackalope, encountering the most terrifying of pimps, walking on water, being venerated as an innocent girl saint—and then being denounced as the devil. By turns exhilarating and shocking, magical and realistic, Sarah brings urgency, wit, and imagination to an unknown and unforgettable world.

Blue Nude Elizabeth Rosner, 2010-09-14 Once a prominent painter, Danzig now shares his wisdom and technique with students at San Francisco's Art Institute—yet his own canvases remain empty. When he meets Israeli-born Merav, the beautiful new model for his class, he senses she may reignite his artistic passion. Merav moved to California to escape the danger and violence of the Middle East, yet she cannot outrun her fears about the past. As the characters challenge one another, Rosner lyrically uncovers their disparate upbringings, their creative awakenings, and their similarly painful, often

catastrophic, love lives to propel them toward reconciliation, redemption, and ultimately revival.

Loukoumi's Good Deeds Nick Katsoris, 2020-10-31 iParenting Media Outstanding Book Award Winner Narrated by Emmy Award winner Jennifer Aniston. Loukoumi, the fluffy, cuddly lamb, returns with Loukoumi's Good Deeds, the third title in the award winning series of illustrated books by Nick Katsoris for children preschool and ages 4-8. Loukoumi's Good Deeds follows Loukoumi through her day as she discovers how easy it is to make other people happy by doing something nice. Loukoumi's Good Deeds continues the adventures of Loukoumi and her friends Gus the Bear, Fistiki the Cat, Dean the Dog and Marika the Monkey. Whether it's cleaning the house, lending a helping hand or showing your grandparents how much you love them, kids will find that each good deed is unique in its own special way and can make a huge difference in the lives of those around them.

Twenty First Century Science: GCSE Chemistry Student Book 2/E Helen Harden, Andrew Hunt, John Lazonby, Ted Lister, Mike Shipton, Vicky Wong, Dorothy Warren, 2011-04-21 Produced in partnership with OCR, University of York Science Education Group and Nuffield Foundation, these second editions of the Twenty First Century Science resources provide the best support for the new specifications and make the transition as smooth as possible. The Student Book helps you create lively and relevant science lessons.

The Aging Networks, 8th Edition Kelly Niles-Yokum, PhD, MPA, Donna L. Wagner, PhD, 2014-12-10 The eighth edition of *Aging Networks* is particularly well-suited for use in the classroom, and can be used or adapted for a wide variety of disciplines including gerontology, social work, public health, public administration, nursing and other health professions... This small volume is not only an excellent learning tool, but also a must-have handbook for aging professionals in many fields. --Noreen A. Shugrue Research Associate, University of Connecticut Center on Aging Farmington, CT

Educational Gerontology As our population ages, the need for comprehensive, up-to-date knowledge about aging services in the United States becomes more and more crucial. This highly accessible and concise text about such resources provides students and practitioners of gerontology along with all professionals whose work concerns the well-being of older adults with a current, detailed description and analysis of federal, state, local, and global programs and services for older people with or without cognitive, physical, and social needs. Thoroughly updated to encompass the new information available concerning later life, it reflects critical changes to legislation, health care, and current trends, and focuses on the strengths of older adults, their diversity, and the role our multilayered aging network plays in advocacy, community independence, and engagement. Commentary and critical thinking challenges from policymakers, program directors, and educators facilitate high-level thinking and independent analysis of the aging networks, past, present, and future. The eighth edition underscores recent policy changes and how these changes will impact the lives of older adults. Perspectives boxes throughout the text highlight complex themes addressed by experts, and Critical Thinking topics and questions encourage reflection and discussion. The new edition also describes initiatives that highlight best-practice approaches and model projects designed to facilitate positive change. Along with a vast amount of new and revised information reinforced with a variety of perspectives in historical and current contexts, the book features an international perspective highlighting the collaborative efforts driving many aspects of aging network programming. Additionally, the book focuses on the unique issues of the lesbian, gay, bisexual, and transgender (LGBT) population along with programs designed to address them.

NEW TO THE EIGHTH EDITION: Expert analyses and insights into complex themes Reflects reorganization of the aging network under the Administration for Community Living, and policy changes affecting practice International perspectives such as the World Health Organization's Age-Friendly Cities

Project Innovative and model projects and programs Expanded focus on issues unique to the LGBT population The influence of social determinants on older adults and the aging networks Caregiving issues Disaster and emergency preparedness Effects of economic downturn on the aging population Elder mistreatment Changes in employment and retirement patterns Supporting aging in place New and expanded educator's ancillary packet

This Life I Live Rory Feek, 2017-02-14 **NEW YORK TIMES BESTSELLER** Her story. His story. The love story of Joey and Rory. By inviting so many into the final months of Joey's life as she battled cancer, Joey and Rory Feek captured hearts around the world with how they handled the diagnosis; the inspiring, simple way they chose to live; and how they loved each other every step of the way. But there is far more to the story. "My life is very ordinary," says Rory. "On the surface, it is not very special. If you looked at it, day to day, it wouldn't seem like much. But when you look at it in a bigger context—as part of a larger story—you start to see the magic that is on the pages of the book that is my life. And the more you look, the more you see. Or, at least, I do." In this vulnerable book, he takes us for the first time into his own challenging life story and what it was like growing up in rural America with little money and even less family stability. This is the story of a man searching for meaning and security in a world that offered neither. And it's the story of a man who finally gives it all to a power higher than himself and soon meets a young woman who will change his heart forever. In *This Life I Live*, Rory Feek helps us not only to connect more fully to his and Joey's story but also to our own journeys. He shows what can happen when we are fully open in life's key moments, whether when meeting our life companion or tackling an unexpected tragedy. He also gives never-before-revealed details on their life together and what he calls "the long goodbye," the blessing of being able to know that life is going to end and taking advantage of it. Rory shows how we are all actually there already and how we can learn to live that way every day. A gifted man from nowhere and everywhere in search of something to believe in. A young woman from the Midwest with an angelic voice and deep roots that just needed a place to be planted. This is their story. Two hearts that found each other and touched millions of other hearts along the way.

A Practical Guide to Law and Development in South Africa Theo Scheepers, 2000 This text is a guide explaining how to initiate, plan, and manage development projects and programmes. It also addresses issues such as community participation, resolving community disputes, the role and function of leaders and the importance of cultural values in the development process.

One Earth, One Future National Academy of Sciences, Ruth S. DeFries, Cheryl Simon Silver, 1992-02-01 Written for nonscientists, *One Earth, One Future* can help individuals understand the basic science behind changes in the global environment and the resulting policy implications that the population of the entire planet must face. The volume describes the earth as a unified system—exploring the interactions between the atmosphere, land, and water and the snowballing impact that human activity is having on the system—and presents perspectives on policies and programs that can both develop and protect our natural resources. *One Earth, One Future* discusses why such seemingly diverse issues as historical climate change, species diversity, and sea-level rise are part of a single picture—and how human activity is the critical element in that picture. The book concludes with practical examinations of economic, security, and development questions, with a view toward achieving improvements in quality of life without further environmental degradation. *One Earth, One Future* is must reading for anyone interested in the interrelationship of environmental matters and public policy issues.

Restoring Justice Daniel W. Van Ness, Karen Heetderks Strong, 2014-02-01 *Restoring Justice: An Introduction to Restorative Justice* offers a clear and convincing explanation of restorative justice, a movement within criminal

justice with growing worldwide influence. It explores the broad appeal of this new vision and offers a brief history of its development. The book presents a theoretical foundation for the principles and values of restorative justice and develops its four cornerpost ideas of encounter, amends, inclusion and reintegration. After exploring how restorative justice ideas and values may be integrated into policy and practice, it presents a series of key issues commonly raised about restorative justice, summarizing various perspectives on each.

The Defence of Canada Gwynne Dyer, Tina Viljoen, 1990

Getting the Message Across Jennifer Wiggins, Anna Middleton, 2013-03-14 This book provides practical advice to assist genetic counselors, geneticists, and other health professionals wanting to engage appropriately with different clients from different communities – patients who are hearing and/or visually impaired, patients with diverse sex development or religious backgrounds, and those who are available only through interpreter or telephone consultation.

Couched in Death Elizabeth P. Baughan, 2013-12-06 In *Couched in Death*, Elizabeth P. Baughan offers the first comprehensive look at the earliest funeral couches in the ancient Mediterranean world. These sixth- and fifth-century BCE klinai from Asia Minor were inspired by specialty luxury furnishings developed in Archaic Greece for reclining at elite symposia. It was in Anatolia, however—in the dynastic cultures of Lydia and Phrygia and their neighbors—that klinai first gained prominence not as banquet furniture but as burial receptacles. For tombs, wooden couches were replaced by more permanent media cut from bedrock, carved from marble or limestone, or even cast in bronze. The rich archaeological findings of funerary klinai throughout Asia Minor raise intriguing questions about the social and symbolic meanings of this burial furniture. Why did Anatolian elites want to bury their dead on replicas of Greek furniture? Do the klinai found in Anatolian tombs represent Persian influence after the conquest of Anatolia, as previous scholarship has suggested? Bringing a diverse body of understudied and unpublished material together for the first time, Baughan investigates the origins and cultural significance of kline-burial and charts the stylistic development and distribution of funerary klinai throughout Anatolia. She contends that funeral couch burials and banqueter representations in funerary art helped construct hybridized Anatolian-Persian identities in Achaemenid Anatolia, and she reassesses the origins of the custom of the reclining banquet itself, a defining feature of ancient Mediterranean civilizations. Baughan explores the relationships of Anatolian funeral couches with similar traditions in Etruria and Macedonia as well as their afterlife in the modern era, and her study also includes a comprehensive survey of evidence for ancient klinai in general, based on analysis of more than three hundred klinai representations on Greek vases as well as archaeological and textual sources.

The Best American Sports Writing 2013 J. R. Moehringer, Glenn Stout, 2013 The *Best American Sports Writing* gathers the very best from sports journalists from the past year.

Loukoumi's Gift Nick Katsoris, 2009-10-24 Loukoumi, the fluffy cuddly lamb returns with *Loukoumi's Gift*, the fourth title in the award winning series of illustrated books by Nick Katsoris for children 4-8. Featuring a bonus download of the story narrated by Jennifer Aniston and *Days of Our Lives* star John Aniston, the new book follows Loukoumi through her day as she discovers that the perfect gift need not cost a lot of money, but instead can come straight from the heart. (The CD Narration is available as a free download on the website Loukoumi.com as well as on the companion CD of the related book, *Loukoumi's Good Deeds*). The story is inspired by the real life experience when Daisy gave Katsoris a pair of gold cufflinks because he said Good Morning to her every day. The part of Daisy on the CD is voiced by Jennifer Aniston. Every time a child reads *Loukoumi's Gift* they too will be performing a good deed. \$2.00 from the sale of each book will be donated to St. Jude

Children s Research Hospital.

Schizophrenia R. J. Ancill, S. G. Holliday, J. Higenbottam, 1994 Renowned scientists and clinicians provide a wealth of comprehensive and wide-ranging information on the most recent and significant advances in basic research and clinical investigations of schizophrenia and other psychotic illnesses.

Kevin Trudeau's Free Money "they" Don't Want You to Know about Kevin Trudeau, 2012 Reveals government and private grant programs, unclaimed property and bank account reclaiming procedures, and tax refunds and benefits to capitalize on free money programs and manage personal finance.

Lady Dasani's Debt C. Justin Romano, 2004-02-01 All in a day's work.... When Argentia Dasani embarks on a quest to fulfill her debt to the Archmagus of Teranor by rescuing the Crown's kidnapped daughter, the bounty huntress is more concerned with the ghosts of her past than the dangers of her present task. When she is suddenly caught in the tangles of a catastrophic Prophecy, Argentia must pit her blade, her daring, and her newfound friends--two untried knights, a wandering adventurer of questionable honor, and an intrepid meerkat with a nose for trouble--against all odds in a race across the Crowndom not only to rescue the Princess, but to forestall the return of the demons. As all hope of success wanes, Argentia takes a desperate gamble that will force her to confront her past even as she seeks to save the future by enlisting the aid of the very fiend that would see the Shadow Gate reopened, and the Realm of Acrevast destroyed.

One Million Men and Me Kelly Starling Lyons, 2014-09-15 On October 16, 1995, Black men of all ages, religions and backgrounds gathered at the Lincoln Memorial in Washington, D.C. They were there on a mission - to mobilize and motivate, as part of what would become the largest event of its kind in U.S. history: the Million Man March. The Million Man March was a movement like no other. It brought together Black men who were committed to inspiring and empowering themselves and each other to make positive and lasting changes in their families and communities. The March was widely covered by news media across the country and the world. Now, this new picture book shares the story of the March in a new light: through the eyes of a little girl who was with her father the day Black men made history.
