This player, like many, had his ankle tape applied over the outside of his shoes instead of inside, which obviously covered the shoe logo. And he was drawing the logo of his shoe contract on the tape. Wouldn't it be easier, I asked him, to get taped inside and not have to do the artwork?Yeah, it would, he replied, but then I'd actually have to wear their damn shoes, and I hate 'em. So I wear the brand I like and do it this way instead. [/

Kerr,2017-09-20 The Sociology of Sports-Talk Radio is the latest sports-media scholarship from the author of How Postmodernism Explains Football and Football Explains Postmodernism, winner of the 2017 Outstanding Book Award from the National Communication Association 's Communication and Sport Division. The book provides a descriptive analysis of the social interaction transpiring in what the author has conceptualized as the "the hyper-mediated marketplace of sports narratives." It examines the social structures and processes that make sports-talk radio such a vibrant societal milieu, and seeks to identify the essential sociological dynamics that make all that endless chatter so vital to listeners.
